For Rent or Sale.

THE subscriber would rent or sell either 200 or 1200 acres of land, part of **Marlborough Neck**, on **Patowmack** river, and in the state of **Virginia**, comprising either one or two plantations or farms;—These lands lie extending about one mile and an half on the river **Patowmack**, and about one mile from the mouth of **Acquia Creek**, on the southern side; at that part of the **Northern Neck** where the **Rappahannock** and **Patowmack** approach, within nine miles, and they are not more than that distance from the **Rappahannock** markets of **Fredericksburg** and **Falmouth**; but their situation is rendered more peculiarly valuable by their convenience to the **Patowmack** markets of **Alexandria**, and the **Federal city**. The improvements consist of overseer's houses, negro quarters and crop-houses. The lands are well enclosed, and in excellent order for cropping. The fertility of the soil is equal to any in the **United States**, besides which the fields all lay convenient to banks (apparently inexhaustible), of the richest shell-marle, which by repeated experiments already made there, is found to be superior to any other manure whatever. These plantations besides furnishing grass in abundance for large stocks, would now yield annually for sale, on a moderate computation, 500 tons of exceedingly good natural grass hay, with no other trouble than cutting and curing. The grass lands naturally divide with each plantation, and each is furnished with good fishing shores, and high, dry, healthy situations for residence.

If rented to responsible persons (and no other need apply) who will cultivate under certain conditions of manuring, cross cropping, and improving, leases will be given. If sold the purchasers may be accommodated with about 30 or 40 **Virginia** born slaves, in families, who are resident on the lands, where they have been mostly raised, and to which they are attached—The whole estate is held under indisputable title, derived from the original patentee.

All masters of vessels and others are forewarned harbouring or carrying off the ungrateful fellow, at their peril. The above reward will be paid for securing him in any goal, so that I see him again, by
