

GIDEON WHITE,
HAS RECEIVED, AND FOR SALE,
From LEE's and Co. Patent and Family medicine
store, Baltimore.

A fresh supply of the following valuable medicines:
HAMILTON'S WORM DESTROYING LOZENGES.

Four years have scarcely elapsed since the introduction of HAMILTON'S WORM DESTROYING LOZENGES into general use, yet in this short period upwards of one hundred and twenty thousand persons of both sexes, of every age, and in every situation have received benefit from this extraordinary remedy, in various complaints arising from worms, and from obstructions in the stomach and bowels.

This medicine, which is as innocent and mild, as it is certain and efficacious in its operation, cannot injure the youngest infant, or the most delicate pregnant lady, should no worms exist in the body; but will, without pain or griping, cleanse the stomach and bowels, removing whatever is foul or offensive within, particularly that slimy humour from whence worms and many fatal disorders proceed.

Children generally take this medicine with eagerness; having a pleasing appearance, and an agreeable taste.

A dose of this medicine given occasionally will effectually prevent the vomiting and purging of children, a dreadful disorder which annually destroys thousands of the infant part of our cities. It is likewise the mildest and most certain remedy known, and has restored to health and strength a great number when in an advanced stage of this fatal complaint. Particular and plain instructions are given for every part of the necessary treatment in such cases.

The celebrity acquired by the Worm Lozenges, particularly in the state of Maryland, renders the further publication of certificates in their favour, an unnecessary expence.

HAMILTON'S

ESSENCE AND EXTRACT OF MUSTARD,

A safe and effectual remedy for the rheumatism, gout, palsy, sprains and bruises, white swellings, old strains and relaxations, numbness and weakness of the joints, stiffness of the neck, pains of the side, headache, swelled faces, frozen limbs, and every similar complaint. It prevents chilblains, or chopped hands, and the ill effects of getting wet and damp in the feet.

The extract is celebrated for removing cold and windy complaints in the stomach and bowels, flying pains and other spasmodic affections.

The testimony of thousands and daily experience, sufficiently prove the superiority of the above medicine over all others in the cure of the maladies we have enumerated.

HAMILTON'S ELIXIR.

A sovereign remedy for colds, obstinate coughs, asthma, catarrhs, sore throats and approaching consumptions.

To parents who may have children afflicted with the HOOPING COUGH, this discovery is of the first magnitude, as it affords immediate relief, checks the progress and in a short time entirely removes the most cruel disorder to which children are liable; the Elixir is perfectly agreeable and the dose so small, that no difficulty arises in taking it.

DR. HAMILTON'S GRAND RESTORATIVE

IS recommended as an invaluable medicine, for the speedy relief and permanent cure of the various complaints which result from dissipated pleasures—juvenile indiscretions—residence in climates unfavourable—the constitution—the immoderate use of tea, frequent intoxication, or any other destructive intemperance to the unskilful or excessive use of mercury—the diseases peculiar to females, at a certain period of life—bad layings in, &c. &c.

In cases of extremity where the long prevalence and obstinacy of disease has brought on a general impoverishment of the system, excessive debility of the whole frame, and a wasting of the flesh which no nourishment or cordial could repair, a perseverance in the use of this medicine has performed the most astonishing cures.

DR. HAHN'S ANTI-BILIOUS PILLS.

The operation of these pills is perfectly mild, so as to be used with safety by persons, in every situation, and of every age.

They are excellently adapted to carry off superfluous bile, and prevent its morbid secretions; to restore and mend the appetite; to procure a free perspiration, and thereby prevent colds, which are often attended with fatal consequences; a dose never fails to remove a cold, if taken on its first appearance. They are celebrated for removing habitual colicness, sickness at the stomach, and severe head-ache, and ought to be taken by all persons on a change of climate.

THE SOVEREIGN OINTMENT FOR THE ITCH.

Which is warranted an infallible remedy at one application, and may be used with perfect safety by pregnant women, or on infants a week old, not containing a particle of mercury, or any dangerous ingredient whatever, and is not accompanied with that tormenting smart which attends the application of other remedies.

dent, speedily removing inflammations, disfluens of rheum, dullness, itching, and films on the eyes; never failing to cure those maladies which frequently succeed the small-pox, measles, and fevers, and wonderfully strengthening a weak sight. "Kent county, Delaware.
