**Construction of Mills, &c.**  
BY means of this new invention, of all others yet discovered the most simple and least expensive, families, consisting of twenty or thirty persons, may be suited with a mill adequate to a supply of flour, at an expense less than the value of the toll paid for two years at watermills, exclusive of the trouble attending to the water or windmill. This invention may be used by hand, by horse power, by wind or water, according to the purposes for which the mill is to be used. A model may be seen at *Pinkney and Munroe's* store, in Annapolis, where patent rights may be had, to make and use the same under the authority of the subscriber, sole proprietor in Anne-Arundel county.

ALL that tract of land called *Pleasant Prospect*, supposed to contain 150 acres, and all that part of a tract of land called *Grammar's Parrot*, containing about 100 acres, which was devised by William Crandell to William Crandell, of Adam, the said lands lying and being in Anne-Arundel county, at the mouth of Lyon's creek, and bounded by said creek on the south, and on the west by adjacent river.

On the same day, and by virtue of another decree of the chancellor, the subscriber will also sell, at the same place, the residue of the tract of land called *Grammar's Parrot*, supposed to contain one hundred acres being that part of the said tract of which Gilbert Smith, late of Calvert county, died seised.
