On the 29th, 30th and 31st, ult. we were...
... alarmed by frequent shocks of Earth...
... quakes—say upwards of twenty; and on...
... the 1st, information was received here that...
... volcano had broken out in the sea, five...

... a vast column of black smoke, issuing...
... of the ocean. The wind was a gale...
... from the southward and blew the smoke...
... land. The sea was excessively agitated...
... and the surf on the shore was frightful. I...
... asured by the peasants that the...
... night fire had been emitted; and being...
... anxious to ascertain that fact, I returned...

... large masses of stone, or lava, were...

LANDS AND LOTS

FOR SALE.

THE subscriber, agreeably to the trusts
reposed in him by an act of the Legis-
lature of Maryland, passed at November ses-
sion last, and by virtue of an order of the
chancellor dated the fifth day of March
last, will expose to public sale, to the high-
est bidder, on the days and at the places
hereinafter mentioned, the following lands
and lots, being part of the real estate of
John Gwinn, Esquire, late of the city of
Annapolis, deceased; that is to say,
On Friday, the nineteenth of July next, at
12 o'clock in the forenoon, at the house
of Mr. Richard Kirby, (on part of the
premises,) on Deep creek, in Anne-Arundel
county.

The following tracts or parcels of land, viz.
"Rural Felicity," containing 223 1-2 a-
cres; "Pratt's Neck," containing 201 1-2
acres; "Deep Creek Point," containing 80
1-2 acres; "Goldborough's Choice," con-
taining 114 acres; "The Chesapeake," con-
taining 58 1-4 acres; "Greenwood," con-
taining 129 1-2 acres; "Friendship," con-
taining 58 7-8 acres, and "The Addition
to Friendship," containing one acre and
an half.

These lands are situated immediately on
the Chesapeake Bay, nearly opposite to
Poplar Island, and command a very exten-
sive and beautiful prospect. The three first
mentioned tracts, (adjoining each other,)
are divided into three tenements, on which
there are good houses for tenants, and
they are separated from the five last men-
tioned tracts by Deep Creek, over which is
a bridge. On the last mentioned tracts,
(also adjoining each other,) is a very hand-
some brick dwelling-house two stories high,
with two rooms and a large passage on the
first floor, and five rooms and a small pas-
sage on the second; there are two piazz-
as, one in front and the other back. Ad-
joining the dwelling-house is an excellent
brick pantry or store room, and a kitchen,
and near them all necessary out-houses.
Also a large and well built stable and a
house for an overseer. On different parts
of the farm are several quarters for the
accommodation of servants, and a very
large barn and granary, all of which are
in good repair. Also a windmill, to which
most of the neighbours send their grain.
The soil of these lands is adapted mostly
to the growth of grain, and is of that na-
ture that it will retain any improvement
which may be made of it. The subscrib-
er thinks it unnecessary to particularise
the advantages of the situation of these
lands, as it must readily occur to all, that
any person residing on them, from their
vicinity to the waters of the bay, will al-
ways enjoy the advantage of sending his
produce to market with but little trouble,
and may procure for his table all the lux-
uries which they afford in their different
seasons. These lands are well timbered,
and the woodlands are conveniently situ-
ated for the use of the farms. There are
also two orchards on the premises, which
are now in their prime, and contain a va-
riety of excellent fruit.

The several tracts will be laid off so as
to suit purchasers.
At the same time and place will also be
sold, an undivided moiety of an Island in
the Chesapeake Bay, called "Swan Is-
land," containing 2 3-8 acres.

On Tuesday the twenty-third of July next,
at 11 o'clock in the forenoon, at the
Union Tavern in the city of Annapolis,
One acre lot, being part of a tract of land
called "Acton" lying in the precincts of
the said city, on the road leading to Bal-
timore, and at present occupied by John
Hicks. This lot is under enclosure, & has
thereon an old stable and several fruit trees.

Also lots numbered 62, 63 and 64, in
the said city, near the Bath. These lots
are separated into two distinct enclosures,
and will be sold by enclosure. One of them
is enclosed by a good post and rail fencing,
and is in a high state of cultivation, with
a number of very excellent fruit trees
thereon, and a large and commodious sta-
ble and carriage house, in good order and
repair.

The other is paled in, is highly improv-
ed as a garden, with a number of excel-
lent fruit trees therein, and has an ex-
posure favourable to the production of the
earliest fruits and vegetables. There is
also upon it a very good dwelling-house
suitable for the residence of a small family.

On Saturday, the twenty-seventh of July
next, at 11 o'clock in the forenoon, at
the house of Mr. Nicholas Watkins, at
Elk Ridge Landing.

Parts of three tracts of land, viz. "Hender-
son's Meadows," "Young's Locust Plains,"
and "Addition to Samson," containing a-
ggregate to a survey thereof lately made,
327 1-2 acres. These tracts, (all adjoining
each other,) lie between 5 and 4 miles from
Elk Ridge Landing, and a part thereof is
at present rented to Mr. Francis Law-
rence, who will show the premises to any
person inclined to purchase.

On Tuesday, the twentieth of August
next, at 4 o'clock in the afternoon, at Mr.
Pye's Tavern, in the town of Port-To-
bacco, in Charles county,

Part of a lot in the said town, numbered 59;
and also part of a lot or piece of ground ly-
ing on the east side of and adjoining the
said lot, being part of a tract of land called
"Chandler's Hope." Upon these lots there
are a large commodious two story dwelling-
house, with four good rooms, and an exten-
sive passage on each floor; an excellent cel-
lar and kitchen under the house; a pantry
and wash-house, meat-house and two se-
parate stables—also a well of water suited
to culinary purposes. There are likewise an
excellent store and counting rooms with
cellars under both. The counting room is
at present occupied as an attorney's office,
for which it is well calculated. The dwell-
ing-house has been for several years used
as a boarding-house, and lately as a tavern,
and from its situation is suited for the ac-
commodation of either a private family or
a public inn. The dwelling-house and lot,
as at present under enclosure, will be sold
separate from the store and counting
rooms.

On Wednesday, the twenty-first of Aug-
ust next, at 12 o'clock in the forenoon,
at Mr. Pye's tavern in Port-Tobacco.

The following tracts or parcels of land, ly-
ing in Charles county, viz. "West Hutton,"
containing 500 acres, and "Hard Bar-
gain" otherwise called "Wicomoco Fields,"
containing 42 1-2 acres. These tracts are
contiguous to each other, or nearly so,
and will be sold together. The former
tract lies upon Wicomoco river, about six
miles below Allen's Fresh, and has a con-
venient landing, from which produce may
be taken to vessels in the river. This is
a very valuable farm, the land is level and
very rich, and has thereon a tolerable
good dwelling-house, and convenient nec-
essary out-houses. The soil is well adapted
to the cultivation of grain. Fish and
fowl in their season may be procured in
great abundance. There is an excellent
spring of good water at the door. The
other tract is wholly woodland, and is in-
tended to supply the farm with wood, &c.

Also "Mintree's Marsh," containing
5 1-2 acres; "Mintree's Welldone," being
a survey on "Gibson's Close," contain-
ing 131 acres and 2 perches; "Partner's
Purchase," containing 227 acres 3 roods
and 39 perches; "Hamill Outwitted,"
containing 165 acres; and an undivided
moiety of a tract of land called "Good
for Little," the whole containing 71 acres
3 roods and 30 perches. These tracts,
(except the last,) lie upon the River Pota-
mak, adjoining each other, between Pick-
awaxon and Cuckold Creeks, and are di-
vided into four tenements—Their soil is
well adapted to the cultivation of grain
and tobacco, and upon them are houses
for tenants, but which want repair. Fish,
oysters and wild fowl, may be had in their
season. The last mentioned tract is held
in common with Mrs. Hungerford, and is
distant from the other tracts between two
and three miles—It is wholly woodland,
and is intended to supply the other tracts
with wood, &c. and will be sold either
separate or with some one of the other
tracts, or divided, and a part sold with
each of the other tracts, as may best ac-
commodate purchasers.

Also "Brother's Gift," containing 377
acres 3 roods and 6 perches; "Blithwood"
containing 10 acres 2 roods and 33 perches;
and "Littleworth," containing 121 acres.
These lands, (the two first tracts adjoining
each other, and the other nearly so,) lie
within one and two miles of Potomak Ri-
ver, on the road leading from Port-Tobac-
co to Laidler's Ferry; and the first men-
tioned tract within one mile of Pickawax-
on church—One half of this last tract is
bottom land and very level—the other half
is upland and also level. The soil is adapted
to the growth of grain and tobacco.
There is on it a comfortable dwelling-
house, and other improvements, situated
on a hill commanding a beautiful and ex-
tensive view of the River. There is also a
good and convenient spring of water.
The other tracts are upland and mostly
wood, on one of which is an old dwelling-
house. They will be sold together, or se-
parate, as may suit purchasers.

The Subscriber deems it unnecessary to
give more particular descriptions of the
several lands and lots herein stated, as it
is presumed that persons inclined to pur-
chase will view the premises previous to
the sale. He begs leave to refer persons,
desirous of viewing the lands for sale, to
Capt. Jacob Franklin as to those on the
Chesapeake, to Col. Harris as to those on
the Potomak, and to Mr. Maddox, as to
those on the Wicomoco.
