POET'S CORNER.

SELECTED.

THE VIOLET.

ONE morn in May, that ſweetly roſe
In radiant glory bright ;
I ſaw each fragrant flow'r diſcloſe
Its lovely form to ſight.

An humble violet rais'd its head
Beſide a moſs-grown way,
And all its little charms were ſpread,
To welcome dawning day.

Long had this ſimple flower adorn'd
The dell where firſt it grew ;
Unnotic'd, or by many ſcorn'd,
Its modeſt beauties blew.

But oh ! this ſad, this luckleſs day !
From thence 'twas rudely torn ;
Young Henry pluck'd it, bright and gay,
His boſom to adorn.

Bereft of aids kind nature gives,
The purple tints ſoon fade,
And all the green-clad blooming leaves
Droop withering and decay'd.

Ah, hapleſs flower ! how chang'd thou art !
He views thee with diſdain ;
And throws thee, careleſs from his heart,
A random on the plain !

Like thee, poor flower ! the village fair,
In rural beauty dreſt,
Too oft thy hapleſs fortune ſhare—
Like thee ſink unredreſs'd !

THE BOARD OF MANAGERS OF THE CHARITABLE SOCIETY,

HAVE directed the several articles manufactured by persons who would have been otherwise unemployed during the late severe season, and for the expense of which, the funds of the institution have been appropriated, to be disposed of at the respective stores of

JOHN SHAW, J. RANDALL & JEREMIAH HUGHES.

As the articles are offered for sale *at the exact price which they have cost*, the society merely adding the price paid for manufacturing, to the price of the material of which it was made, it affords the public an opportunity of having them, without trouble, at the lowest price. And, to add to the inducement for purchasing, it will be recollected that every article sold, is both a reward to the industrious and deserving, and a means of holding out employment to all such, by replenishing the fund that has already rendered so much service to the unfortunate.

There is at present on hand,

Osnaburg Trowsers,	Candle wick,
Ticklenburg do.	Carpet Warp,
Osnaburg Shirts,	Spun Cotton, for stockings,
Cotton do. different qualities,	Knit Cotton Stockings

And they are now receiving from the weavers, upwards of 100 yards of striped cotton cloth.

Forty Dollars Reward.

RAN AWAY from Mrs. *Anne Dorsey*, near the city of Annapolis, in Anne-Arundel county, on or about the firſt of April laſt, a negro lad named BILL, 16 or 17 years of age, 5 feet 3 or 4 inches high, ſtout made in proportion to his height, is tolerable black, with a full face, the whites of his eyes have a yellowiſh caſt, and his upper lip rather thick. Had on when he went away, a cotton ſhirt, homeſpun round-about jacket and pantaloons, ſtriped and dyed of a dark colour. It is ſuppoſed he is lurking about the farm of Charles Carroll, of Carrollton, Eſquire, near the city of Annapolis, or at the Manor on Elk Ridge, as his father lives at the former, and his brother at the latter place. Any perſon apprehending the above negro and ſecuring him in gaol ſo that I get him again, ſhall receive, if twenty miles from home, Twenty Dollars, if thirty miles, Thirty Dollars, and if a further diſtance the above reward, and all reaſonable travelling expenſes paid if brought home to the ſubſcriber near the city of Annapolis.

LANDS AND LOTS.

FOR SALE.

THE ſubſcriber, agreeably to the truſts reposed in him by an act of the Legiſlature of Maryland, paſſed at November ſeſſion laſt, and by virtue of an order of the chancellor dated the fifth day of March laſt, will *expoſe to public ſale*, to the higheſt bidder, on the days and at the places hereinafter mentioned, the following lands and lots, being part of the real eſtate of *John Gwinn*, Eſquire, late of the city of Annapolis, deceaſed; that is to ſay,

On *Friday*, the *nineteenth* of *July* next, at 12 o'clock in the forenoon, at the houſe of Mr. *Richard Kirby*, (on part of the premiſes,) on Deep creek, in Anne-Arundel county,

The following tracts or parcels of land, viz. "*Rural Felicity*," containing 223 1-2 acres, "*Pratt's Neck*," containing 201 1-2 acres; "*Deep Creek Point*," containing 80 1-2 acres; "*Goldsborough's Choice*," containing 114 acres; "*The Chesapeake*," containing 38 1-4 acres; "*Greenwood*," containing 129 1-2 acres; "*Friendſhip*," containing 38 7-8 acres, and "*The Addition to Friendſhip*," containing one acre and an half.

These lands are ſituated immediately on the Chesapeake Bay, nearly oppoſite to Poplar Island, and command a very extenſive and beautiful proſpect. The three firſt mentioned tracts, (adjoining each other,) are divided into three tenements, on which there are good houſes for tenants, and they are ſeparated from the five laſt mentioned tracts by Deep Creek, over which is a bridge. On the laſt mentioned tracts, (alſo adjoining each other,) is a very handſome brick dwelling-houſe two ſtories high, with two rooms and a large paſſage on the firſt floor, and five rooms and a ſmall paſſage on the ſecond; there are two piazzas, one in front and the other back. Adjoining the dwelling-houſe is an excellent brick pantry or ſtore room, and a kitchen, and near them all neceſſary out-houſes. Alſo a large and well built ſtable and a houſe for an overſeer. On different parts of the farm are ſeveral quarters for the accommodation of ſervants, and a very large barn and granary, all of which are in good repair. Alſo a windmill, to which moſt of the neighbours ſend their grain. The ſoil of theſe lands is adapted moſtly to the growth of grain, and is of that nature that it will retain any improvement which may be made of it. The ſubſcriber thinks it unneceſſary to particulariſe the advantages of the ſituation of theſe lands, as it muſt readily occur to all, that any perſon reſiding on them, from their vicinity to the waters of the bay, will always enjoy the advantage of ſending his produce to market with but little trouble, and may procure for his table all the luxuries which they afford in their different ſeaſons. Theſe lands are well timbered, and the woodlands are conveniently ſituated for the uſe of the farms. There are alſo two orchards on the premiſes, which are now in their prime, and contain a variety of excellent fruit.

The ſeveral tracts will be laid off ſo as to ſuit purchaſers.

At the ſame time and place will alſo be ſold, an undivided moiety of an Iſland in the Cheſapeake Bay, called "*Swan Iſland*," containing 2 3-8 acres.

On *Tueſday* the *twenty-third* of *July* next, at 11 o'clock in the forenoon, at the *Union Tavern* in the city of Annapolis,

One acre lot, being part of a tract of land called "*Acton*" lying in the precincts of the ſaid city, on the road leading to Baltimore, and at preſent occupied by *John Hicks*. This lot is under enclosure, & has thereon an old ſtable and ſeveral fruit trees.

Alſo lots numbered 62, 63 and 64, in the ſaid city, near the Bath. These lots are ſeparated into two diſtinct enclosures, and will be ſold by enclosure. One of them is enclosed by a good poſt and rail fencing, land is in a high ſtate of cultivation, with a number of very excellent fruit trees thereon, and a large and commodious ſtabe and carriage houſe, in good order and repair.

The other is paled in, is highly improved as a garden, with a number of excellent fruit trees therein, and has an expoſure favourable to the production of the earlieſt fruits and vegetables. There is alſo upon it a very good dwelling-houſe ſuitable for the reſidence of a ſmall family.

On *Saturday*, the *twenty-ſeventh* of *July* next, at 11 o'clock in the forenoon, at the houſe of Mr. *Nicholas Watkins*, at *Elk Ridge Landing*,

Parts of three tracts of land, viz. "*Henderſon's Meadows*," "*Young's Locuſt Plains*," and "*Addition to Samſon*," containing agreeably to a ſurvey thereof lately made, 327 1-2 acres, Theſe tracts, (all adjoining each other,) lie between 3 and 4 miles from Elk Ridge Landing, and a part thereof is at preſent rented to Mr. *Francis Lawrence*, who will ſhew the premiſes to any perſon wiſhing to purchaſe.

On *Tueſday*, the *twentieth* of *Auguſt* next, at 4 o'clock in the afternoon, at Mr. *Pye's* Tavern, in the town of *Port-Tobacco*, in Charles county,

Part of a lot in the ſaid town, numbered 59; and alſo part of a lot or piece of ground lying on the eaſt ſide of and adjoining the ſaid lot, being part of a tract of land called "*Chandler's Hope*." Upon theſe lots there are a large commodious two ſtory dwelling-houſe, with four good rooms, and an extenſive paſſage on each floor; an excellent cellar and kitchen under the houſe; a pantry and waſh-houſe, meat-houſe and two ſeparate ſtables—alſo a well of water ſuited to culinary purpoſes. There are likewiſe an excellent ſtore and counting rooms with cellars under both. The counting room is at preſent occupied as an attorney's office, for which it is well calculated. The dwelling-houſe has been for ſeveral years uſed as a boarding-houſe, and lately as a tavern, and from its ſituation is ſuited for the accommodation of either a private family or a public Inn. The dwelling-houſe and lot, as at preſent under enclosure, will be ſold ſeparate from the ſtore and counting rooms.

On *Wedneſday*, the *twenty-firſt* of *Auguſt* next, at 12 o'clock in the forenoon, at Mr. *Pye's* tavern in *Port-Tobacco*,

The following tracts or parcels of land, lying in Charles county, viz. "*Weſt Hatton*," containing 500 acres, and "*Hard Bargain*" otherwiſe called "*Wicomoco Fields*," containing 42 1-2 acres. These tracts are contiguous to each other, or nearly ſo, and will be ſold together. The former tract lies upon Wicomoco river, about ſix miles below Allen's Freſh, and has a convenient landing, from which produce may be taken to veſſels in the river. This is a very valuable farm, the land is level and very rich, and has thereon a tolerably good dwelling-houſe, and convenient neceſſary out-houſes. The ſoil is well adapted to the cultivation of grain. Fiſh and fowl in their ſeaſon may be procured in great abundance. There is an excellent ſpring of good water at the door. The other tract is wholly woodland, and is intended to ſupply the farm with wood, &c.

Alſo "*Minitree's Marſh*," containing 5 1-2 acres; "*Minitree's Welldove*," being a reſurvey on "*Gibſon's Cloſe*," containing 131 acres and 2 perches; "*Partner's Purchaſe*," containing 227 acres 3 roods and 39 perches; "*Hamill Outwitted*," containing 165 acres; and an undiviced moiety of a tract of land called "*Good for Little*;" the whole containing 71 acres 3 roods and 30 perches. These tracts, (except the laſt,) lie upon the River Potomak, adjoining each other, between Pickawaxon and Cuckold Creeks, and are divided into four tenements—Their ſoil is well adapted to the cultivation of grain and tobacco, and upon them are houſes for tenants, but which want repair. Fiſh, oyſters and wild fowl, may be had in their ſeaſon. The laſt mentioned tract is held in common with Mrs. Hungerford, and is diſtant from the other tracts between two and three miles—It is wholly woodland, and is intended to ſupply the other tracts with wood, &c. and will be ſold either ſeparate or with ſome one of the other tracts, or divided, and a part ſold with each of the other tracts, as may beſt accommodate purchaſers.

Alſo "*Brother's Gift*," containing 377 acres 3 roods and 6 perches; "*Blithwood*" containing 10 acres 2 roods and 33 perches; and "*Littleworth*," containing 121 acres. These lands, (the two firſt tracts adjoining each other, and the other nearly ſo,) lie within one and two miles of Potomak River, on the road leading from Port-Tobacco to Laidler's Ferry; and the firſt mentioned tract within one mile of Pickawaxon church—One half of this laſt tract is bottom land and very level—the other half is upland and alſo level. The ſoil is adapted to the growth of grain and tobacco. There is on it a comfortable dwelling-houſe, and other improvements, ſituate on a hill commanding a beautiful and extenſive view of the River. There is alſo a good and convenient ſpring of water. The other tracts are upland and moſtly wood, on one of which is an old dwelling-houſe. They will be ſold together, or ſeparate, as may ſuit purchaſers.

The Subſcriber deems it unneceſſary to give more particular deſcriptions of the ſeveral lands and lots herein ſtated, as it is preſumed that perſons inclined to purchaſe will view the premiſes previous to the ſale. He begs leave to refer perſons, deſirous of viewing the lands for ſale, to Capt. *Jacob Franklin* as to thoſe on the *Cheſapeake*, to Col. *Harris* as to thoſe on the *Potomak*, and to Mr. *Maddox* as to thoſe on the *Wicomoco*.
