

On the 11th of June we were...
all 22 Americans, under a guard of...
soldiers and 12 light horsemen, and...
led to Sartine; there we were impri-...
soned for two days. From that we had to walk...
under another guard. Let us...
be claimed at Hamburg, which would...
in our route, we were taken circuit...
the country, in a direction which is...
the distance to travel 300 miles. On...
at Antwerp, we were put on board...
ship the Illustre. There Henry...
and myself remained one week...
our allowance too short to subsist...
applied to Mr. Martin, American...
for relief; who gave us two crowns...
directed us when that was spent...
more. We preferred attempting with...
make our escape, which we effected...
the city is walled and every where...
by soldiers) as follows: we found...
with two sentinels, to each we gave...
and were permitted to pass at each...
intention was to make the best of our...
Amsterdam and we were obliged to...
about four days and nights, not...
to enter any house, nor should be...
back. Coming to a bridge which we...
necessarily pass, we met a French gen-...
who arrested us & joined by two more...
us back to Antwerp. We were...
in a dungeon, and ironed our right...
our left foot, and chained together...
neck and body. There we remained...
at deplorable and suffering condition...
weeks during which time we were al-...
out a pound of bread each a-day, and...
no other provision of any kind...
was allowed to obtain or receive any...
We had the privilege of entering the...
service, if we chose. The handker-...
hand were lined with copper; and...
to make it corrode, so that it might...
my flesh, the guards used to come at...
clock daily, and pour water upon it...
produced by this treatment are yet...
on my wrist. The consequence of...
treatment was, that I was sick of a...
few weeks. At the end of five weeks...
came from Paris, that all men...
at Dantzic, should be sent to...
port. Arriving at Rochfort, again...
guard of 50 soldiers, we were put...
a French 74. Henry Weston and...
Green, the latter taken from the brig...
Philadelphia, refused to work. West-...
put in prison, ironed and kept elen...
they then tied him to a post and gar-...
shades; then sent him on board the...
phant again. The cook John Green...
to the captain's cabin, and gave...
ashes with a pepper and. We were...
afted, and put on board a 120 gun...
where we remained three weeks; when...
11th of Nov. Joseph Vaughan, and...
New-York, and myself, made crew-...
aving gone ashore with a number of...
men. In the night we passed the...
d on the 18th arrived in Bordeaux...
we applied to Mr. Myers, the Ameri-...
consul, for protection; who provided...
days, when I was put on board the...
an schooner Hotspur, of Baltimore...
James Knowles. We sailed from...
lux on the 20th of December, and ar-...
at Baltimore on the 20th of February.

ALEXANDRIA, MARCH 17.
More about Henry & his \$48,000.
We have been politely furnished with the...
following extracts from authentic documents...
relative to Mr. Henry's mysterious business...
Extract from the deposition of Horatio Big-
low, Esq. of Baltimore.
He (the deponent) called on the cashier of...
the Mechanic's Bank of Baltimore on the...
morning of the 13th inst. and in answer to...
an enquiry which the deponent made of the...
said Cashier, learned from him that about the...
middle of the last month, Mr. Henry called...
at the said Bank, and offered him, the Cash-
ier, a check from the Bank of Columbia, up-
on the Mechanics Bank of the city of New-
York, for forty-eight thousand dollars, with a...
request that he, the cashier would exchange...
the same for smaller paper; and that the...
said Cashier, did accordingly give the said...
Henry smaller checks, and bank notes of...
said check, so drawn by the Bank of Colum-
bia upon the Mechanics' Bank of the city of...
New-York, for the sum of Forty-eight thou-
sand dollars.
Sworn to before S. STERRETT.
March 14th, 1812.

Extract of a letter from John Henry to J. E. Coak, Esq. of Baltimore dated N. York Feb. 27.
"In eight days I hope to find a good op-
portunity to cross the Atlantic. There are...
vessels bound to England and France and I...
am somewhat undecided as to which of the...
it is most expedient to go for direct.—...
Perhaps I may think it best to go to the con-
tinent."
"Should you see any publication on that...
subject" [disclosures made to government &...
mentioned above in this letter] "at any time...
I give you full liberty to repeat all I have...
told you, and be particularly careful to repel...
with indignation any insinuation the spirit of...
party may suggest that my political mission...
for the papers connected with it, contain a sin-
gle line that can expose any human being in...
the U States.
Mr. Coak makes oath to this before S. Sterrett on the 14th of March.

NOTE.
"We understand that the preceding...
is an incorrect copy of the original, the pos-
sessor of which, in this city has, we learn...
forwarded a corrected and precise extract...
therefrom, to his friend in Washington, ac-
companied with a detail of the facts which...
came to his knowledge in relation to Mr. Hen-
ry, and which will probably be published in...
a few days."

From the Federal Gazettee.
MR. HEWES,
I have seen in the Federal Republican...
of this morning (copied from the Alexan-
dria Gazette), an extract of a deposition...
which I made a few days since in regard...
to the exchange of a check for \$48,000...
with a bank in this city, by captain Henry...
How that deposition found its way to Alex-
andria, I am not at a loss to conjecture. I...
can only say that I had not the remotest idea...
of its being made public by the gentleman...
to whom I confided it. Nor do I say this with...
an intention of inculpating the conduct of...
that gentleman, which must have resulted...
from misapprehension—but to exonerate my-
self from the imputation of blazoning the...
private transactions of an incorporated com-
pany, and obtruding my name upon the pub-
lic without a possible indubitable. It is...
true I have forwarded a duplicate of that de-
position to Boston—and there I feel no reu-
nctance to its being published—for there its ob-
ject will be understood and its motives appre-
ciated.
H. BIGELOW.

PAUL'S PATENT...
COLUMBIAN OIL.
The inventor of this highly esteemed...
Medicine is a native of America, and the compo-
sition is the production of American soil, conse-
quently it is in every sense of the word Domestic...
it is not puffed up with a numerous train of pom-
pous foreign certificates of persons from whom...
by the great distance that separate us, 'tis impossi-
ble to obtain information, therefore the public has...
better security for their money as there cannot be...
the least shadow of deception to cover this medi-
cine, for he simply appears before the community...
with his invention and an experimental detail of...
the various cases in which it really is so wonder-
fully efficacious, and in which he is supported by...
the following certificates, whose names are not...
only subscribed but their persons may also be con-
sulted, being residents within the circle of our...
neighbourhood. The following are the complaints...
in which the Columbian Oil has been found so...
efficacious and rarely ever fails of effecting a cure;...
viz. Rheumatism, Consumption, Pains in any...
part of the body but particularly in the back and...
breast, Colds and Coughs, Tooth Ach, Splen-
Pleurisies, Cholice, Cramps, external and internal...
Bruises, Sprains, and Flesh Wounds, Scalds and...
Burns, Whooping Cough, and Mumps, Dysen-
tery, or Bloody Flux, Croup and the summer com-
plaint in children, and in a weak stomach, that is...
caused by indigestion, a constant sinking and loss...
of appetite, it will act as a powerful bracer to...
the relaxed fibre and restore it to its propet...
tone.

Certificates of its Efficacy.
We do certify, that on Thursday, the 19th in-
stant, we were tarring a new seine for Mr. Clark;...
and by accident the seine took fire, which, by en-
deavouring to put out the flames, John Clark and...
Thomas Adams got severely burnt in the face...
we immediately got some Columbian Oil from...
Mr. Paul, and applied it to the parts burnt, which...
gave ease in the course of twenty minutes, and...
has left the parts free from blisters.
John Peacock,
Thomas Adams,
John Clark.
Baltimore, April 19th, 1812.

Sir—At your request that I should give my opi-
nion respecting what effect your Columbian Oil...
had in a certain case wherein I was afflicted, I...
most cheerfully comply by saying that I verily be-
lieve that I might have died with one of the se-
verest cramps in the stomach, had it not been for...
your Columbian Oil; and that I have been a se-
cond time relieved of the same complaint by the...
assistance of that valuable medicine, and as such...
I recommend it as the best remedy, because there...
is no manner of doubt of its proving effectual.
E. Catharine Walker.
Sign of the Buck, Market-Space, Baltimore.

Sir—Conceiving it to be my duty not to conceal...
from the public the virtues of your most valuable...
Columbian Oil, from which I received so much...
benefit, I am therefore induced, from a principle...
of gratitude for my recovery, to give a short state-
ment of the complaint under which I suffered. I...
was first seized in the right hip with a most in-
tolerable pain, which seemed exactly in the joint...
and on the day following a dreadful pain in my...
back which lasted about three weeks, during which...
time I could not walk upright, but always in a bent...
posture; and if seated in a chair, the pain would...
be so excruciating in the act of raising that it...
was impossible for me to refrain from screaming...
My appetite had entirely left me, and a constant...
head ach would sometimes almost deprive me of...
my senses; In fact, I was in a deplorable condi-
tion. A number of remedies were tried but to no...
purpose, I had also the advice of an eminent phy-
sician, who prescribed a hot bath, &c. which...
were regularly attended to, but without the small-
est advantage. I had about nine ounces of blood...
taken from me, still the complaint did not give...
way in the least degree. I was then advised to...
try Paul's Columbian Oil, but with very little...
hopes of succeeding: when to my great surprise...
and comfort, I was sensible of some ease in my...
hip on the first time of anointing; the next day...
the pain in my back abated, the head ach left me...
and in four days I was perfectly recovered.

Philadelphia, July 8, 1807.
By your request I do certify, that I had been a...
long time dangerously indisposed; and was re-
duced to the lowest state of weakness, in which...
that my recovery appeared doubtful; my complaint...
seemed to be affections of the breast and lungs. I...
could procure no relief from incessant coughing...
nor breathe without great pain & difficulty; when...
by the use of one phial of Paul's Columbian Oil...
my distressing cough left me, every other symp-
tom was removed, and I was restored to an excel-
lent state of health, which I now enjoy.
