

MARYLAND GAZETTE.

THURSDAY, MAY 7, 1812.

[No. 3408.]

[LXVIIIth YEAR.]

Council Chamber,

Annapolis, April 8th, 1812.

Ordered, That the following proclamation be published twice in each week for the space of two weeks in the Maryland Republican and Maryland Gazette at Annapolis. The National Intelligencer at Washington. The Star at Easton. The American, Whig, Sun, and Federal Gazette at Baltimore. The Republican Gazette at Frederick-town; and the Maryland Herald at Hagar's-town.

By order,
NINIAN PINKNEY, Clk.

By His Excellency ROBERT BOWIE, Esquire, Governor of the State of Maryland, A PROCLAMATION.

WHEREAS, it is directed by the sixth section of the supplement to the act, entitled, "An act to regulate and discipline the militia of this state," that the field officers and captains of cavalry, shall meet in the city of Baltimore, on the second Monday in March, 1812, for the purpose of fixing upon a system of cavalry tactics and trumpet soundings; and a uniform dress for the cavalry field-officers of this state whether regimental or general; and that the result of their meeting, shall be forthwith transmitted to the governor of this state, signed by the officers present, or a majority of them, who shall thereupon make the same public by proclamation: I do, therefore, in pursuance of the said act, publish the following to be the result of the meeting of the cavalry officers of this state, viz.

Resolved, That in the opinion of this board, the "abstract of Colonel Herries' instructions for volunteer corps of cavalry, adapted to the use of the volunteer and militia cavalry of the United States," is the best treatise extant, or now to be procured; and that the same be adopted for the cavalry of this state. With the exception, that in as much as but one lieutenant to a troop is allowed or provided for by that system, and in order that too many commissioned officers may not be placed in the Serre file Rank:

Resolved, That the captains of troops when in squadron or line, shall take post, each one horse length in front of the centre of his respective troop; the first lieutenants on the outward flanks of the front rank of their respective troops; the senior cornets in the centre of the front rank of the squadron; the second lieutenants in serre file in the rear of the first outward flank files of their respective troops, and the junior cornet in serre file in the rear of the centre of the squadron.

And as it does not appear to us that in the "abstract" as above-mentioned, the formation of a troop for parade or exercise with the disposition of its officers and non-commissioned officers, is provided for, Resolved, that the captains take post in front of the centre; the first lieutenant on the left of the front rank, covered by a corporal; the second lieutenant on the right of the front rank covered by a sergeant, the cornet in the centre, covered by a corporal; a sergeant on the right of every sub-division except the right sub-division, covered by a corporal or intelligent private; and the quarter-master sergeant, farrier and saddler in the rear.

Resolved, That it is deemed impracticable at this time for the board to determine upon proper "trumpet soundings" to be adopted by the cavalry of this state; but that lieutenant colonel Moore, and majors Ridgely and Barney, be and are hereby appointed a committee to agree upon a system of trumpet and bugle soundings, and report the same to the governor, which with his approbation shall become binding and obligatory upon the field-officers, and captains, and subalterns of all troops concerned.

Resolved, That the "Uniform dress of the cavalry field-officers of this state" shall consist of a black cap of beaver or polished leather, seven inches high in the crown and one inch and three quarters more in diameter at top than bottom, with a front of leather projecting downwards, a black velvet ribbon one and an half inches wide round the upper and lower extremities of the crown; a long white plume in front, its casing concealed by a black polished leather cockade, with a silver eagle in the centre grasping a thunderbolt in its talons; a white plumed band or tress hanging in a festoon before and behind from a silver button affixed to the upper part of each side the crown, with a double cord three feet long, and tassels of the same pendant from the button on the right side, and a tassel from that on the

left; a black stock; a coat of dark blue cloth, cape and cuffs of the same, single breasted, standing collar or cape, short in the waist, narrow military skirts not to reach lower than the middle of the thigh, with three buttons on each, equi-distant below the waist buttons, pockets in the folds, large bullet buttons set close in front, cape trimmed with silver lace or cord, or embroidered with silver;—pantalons of dark blue cloth, side seams and front trimmed as the coat. Silver epaulets and sword knot, red silk sash to tie on the right side, sword (not particularized.) Sword belt (not particularized) to be worn under the coat. Half boots to come to the knee with black silk tassels in front, spurs either plated or silver. Gloves of yellow buckskin, and pistols (not particularized.)

The undersigned not considering themselves authorised by the act under which they are convened, to decide upon any uniform caparison for the horses of the "cavalry field-officers," they nevertheless deem it expedient and do agree to adopt the following which they recommend to those who may not have had it in their power to attend, viz. the bridle with a bit and bridle; black reins, front and nose band; a bearskin, housen or schabrache, trimmed with white cloth indented to be thrown over the saddle and holsters, and a breast plate and crupper.

Given under my hand, and the seal of the State of Maryland, this 8th (L. S.) day of April, eighteen hundred and twelve.

By his Excellency's command,

100 Dollars Reward.

Ran away from the subscriber on the 3d of February last, a negro man by the name of SAMBO, alias Samuel Stuart. Sam is a well made, stout black fellow, with large heavy eyes and thick lips; about five feet eight or ten inches high. Had on when he went away a drab coloured plains jacket and trousers, and new ticklenburg shirt. I suppose he has other cloathing, as he is an artful cunning fellow. It is probable he may make for Hagar's Town, where he has a brother living by the name of Robert Steuart. He was seen at what is generally called Bell's Quarter, near Mr. Richard Hopkins's, on South river, about three weeks after he eloped. Sam was hired the last two years in Queen-Anne, and is pretty generally known in that neighbourhood. Thirty Dollars will be given if taken on the western shore of Maryland, the district of Columbia included, Fifty Dollars if taken on the eastern shore, and One Hundred Dollars if taken out of the State, including what the law allows, (the District of Columbia excepted,) to be lodged in any gaol with information so that I get him a gain.
