### Valuable Lands for Sale.

The subscriber is authorized to dispose of at private sale, all that tract of land, formerly the property of Richard Chew, and lately of John Muir, Esq. deceased, consisting of 1093 acres, situated in Anne Arundel county, lying on the Chesapeake Bay, and forming the mouth of Herring Bay; twenty miles from Annapolis, fifty from Baltimore, and thirty-five from the City of Washington. This land is rich and fertile as any on the Chesapeake, affords the most luxuriant pasturage, has a large proportion of meadow land, and the greatest abundance of fire wood and timber, and for ship building the best timber on the Chesapeake may be had on this land. The situation is healthy, and as beautiful a prospect as any on the Bay, a good harbour, and the waters lying around the land afford the greatest abundance of excellent fish, crabs, oysters, and wild fowl. The very convenient situation of this land must be obvious to every person wishing to purchase, as the wood, timber, and the whole product of the land, can be removed from thence by water, and that in a few hours, to the markets of Annapolis and Baltimore.

A more minute description of this valuable property is thought unnecessary, as any person wishing to purchase can view the same by applying to Dr. Richard T. Hall, who resides thereon, or to Mr. Philemon L. Chew, who lives within a few miles of it. Terms will be made known on application to the subscriber.

### 20 Dollars Reward.

Ran away on the 2d of May, a Negro Man called Ned, who, with several others, added that of Jones, and brought suit in Anne Arundel county, by John Golder, for their right to freedom; which suit, at the last term of the court, was dismissed for the want of proof. He is a straight likely black fellow, 22 years of age, 5 feet 8 or 9 inches high, and has under one of his eyes, a scar about an inch long and broad. No descriptive information can be given as to his clothes; he went off with a straw hat, a country roundabout striped jacket and trousers, and good shoes and stockings. It is probable he may endeavour to get to Baltimore, or to the City of Washington. I will pay a dollar a mile on the distance he may be taken, if committed to goal, so that I get him again; fifteen dollars if taken at Annapolis and committed; ten dollars if taken in the neighbourhood; or twenty if taken in Calvert county.

I am informed that an old yellow woman resides in Calvert who calls herself Hannah Jones, and who my Negroes, who claimed their freedom, call aunt—she is wife to a miller, who attends or did attend a mill, once the property of a Mr. Smith, and purchased by Capt. David Carcaud.

### ADDRESS

Of the Bible Society to the citizens of Prince George's County.

#### RETURNS.

Among the various efforts which have been made in these "latter days" to ameliorate the condition of man; to soften the asperities of his nature; to make him acquainted with the duties which he owes to God, his country, and to himself, and to render him in every situation an estimable member of society; we know of none so well calculated to produce such desirable effects as the diffusion of religious knowledge through all classes of men.—It is only "the knowledge and love of God, shed abroad in our hearts," that can correct the evil propensities of our nature.—It is "the fear and admonition of the Lord" which can pluck from the soul the "envenomed sting of death," and restore it to the favour of God.

But how are the poor and the needy, the ignorant and the penniless, to obtain this religious knowledge? Some of them, it is true, have churches to go to, and there we are persuaded they have the pure word of God preached to them.—but alas! this will do little good unless they have the word of God at home also.—It is, brethren, that they may obtain this invaluable blessing, that we now take the liberty to address you.

We have seen with joy and exultation, the wonderful success which has uniformly crowned the efforts of bible societies in Europe and America, to promote this great object; and we, wishing to be humble participants with them in the happiness of doing good to our fellow creatures, have formed ourselves into a society, denominated "The Bible Society of Prince George's County."

In this association the object is twofold.—First, to circulate the scriptures among the poor in Prince George's county; and next, to assist other Bible Societies in dispensing the word of Life to those who are "ready to perish" throughout the world.—An object surely of immense importance, an object embracing the most precious of all charities, charity to the immortal soul.—In such an object all may, all ought, and we trust all will unite.—There is nothing in it calculated to excite in the smallest degree party spirit and animosity, for an article in the constitution expressly provides, that the bibles to be distributed by them shall be without notes or comments of any description whatever.—All are therefore earnestly requested to engage in this "labour of love"—If even a cup of cold water, given to a disciple in the name of Christ, is not without its reward, what reward may not be expected to follow the distribution of the word of Life.—Brethren, "he that succoureth the poor lendeth unto the Lord"—Come then, "cast your bread upon the waters and ye shall find it after many days."

A subscription of only one dollar and a quarter is required from those who wish to become members of this society, and another of one dollar and a quarter annually thereafter. A donation of twenty dollars, and upwards, within three years, gives the privilege of membership for life.

As it is desirable, however, that the benefits resulting from the association should be as promptly and extensively felt as possible, it is hoped that those who subscribe will be liberal, as the Lord hath prospered them.—We pray you, brethren, to aid the views of this society. Each of the managers is authorized to obtain subscriptions.

By order of the board, RICHD. W. WEST, Secy.

The following gentlemen are managers of the society for the present year. The Right Rev.
