POSTSCRIPT.
LATEST FROM FRANCE.
Office of the New-York Evening... Post, Sunday, April 30—
Evening.
The Spanish ship Louisa arrived... this afternoon in 30 days fr. Bordeaux... left the river the 29th March. I... have a file of French papers to the... 28th. They contain nothing more... than was brought by the Sine qua... Non except an official declaration, ... signed by all the allied ministers at... the Court of Vienna, which declares... Buonaparte an outlaw, and delivers him... up to the populace to be torn to pieces. The... mob, however, happen to be with... him, and therefore there is little dan... ger to his person from that quarter.
The French Frigate Lys has cap... tured the brig and transport vessels... that brought Buonaparte and his... guards from Elba to Frejus.
The inhabitants of Bourdeaux... were shipping off their effects to... England. The south of France... were determined to hold out against... Buonaparte. An officer whom Bu... onaparte sent to Bourdeaux, had been... arrested and put in irons.
NEW-YORK, APRIL 29,
The First Squadron, destined for the... Mediterranean,
To act against Algiers, is now as... sembled in this port, and only awaits... a favourable wind, to put to sea. It... is commanded by Commodore De... catur, who has hoisted his broad... pendant on board the frigate Guer... riere.
We understand the commodore... has requested to be relieved from... the command, before the winter, on... account of his health, and that the... government have assented to his... wishes; he will in consequence shift... his pendant to some vessel of the... squadron, and return home ere that... period.
We also understand, that Will... iam Snaier, esq. with Commodores... Bainbridge and Decatur, have been... appointed joint Commissioners to... treat with the Dey of Algiers, should... he be inclined to make pacific over... tures.
REVOLUTION IN TUNIS.
TUNIS, Jan. 28.
Sidi Mahmoud Flassen, (cousin of... the Prince Regent, Sidi Ottoman) so... abused the confidence of his sove... reign as to render him odious to the... people. Having formed a conspiracy, ... he entered the palace on the 19th Jan... and with his own hand plunged a... sword into the heart of the old mo... narch. The two sons of Sidi Otto... man, effected their escape, but were... afterwards taken by the satellites of... the usurper, and murdered in his pre... sence. After this Mahmoud was so... lemnly proclaimed sovereign. In or... der to consolidate his power he mar... ried his daughter to Sadi Soliman Kia... ya, leader of a strong faction, and... promised his own sister to Jussuf... Kogia, whom he created his minister.
Soon after, Jussuf Kogia, elevated... his views even to the throne, and re... solved to murder Mahmoud & all his... sons, but the new Bey was apprised of... it in time, and at the moment of his... entering the palace, had him arrest... ed and beheaded. Jussuf sold his... life very dear, and as he had a strong... party attached to his interest, new... troubles were expected; however, the... soldiers had taken the oath of alle... giance to Sidi Mahmoud, and the... people returned quietly to their usu... al occupations.
