Woodford Farm.

The subscriber will sell at private sale, that valuable farm in Anne Arundel county, about six miles from Elliott's Mills, and sixteen from the city of Baltimore, containing upwards of one hundred acres. This land is within a mile of Col. John E. Howard's farm. The soil of Woodford is not inferior to any in the state of Maryland, and upon no land does plaister operate more effectually. A large proportion of the tract is heavily timbered, and much of the cleared land highly cultivated with clover and plaister. The short distance from Elliott's Mills affords a ready market for the sale of all kinds of grain, &c. The subscriber will receive in United States Stock, or Stock in any of the Banks in Baltimore, in payment for the purchase money. Any person wishing to purchase, can view the land by applying to the manager, Mr. James Anderson, and applications of purchasers will be received by Colonel John E. Howard, in Baltimore or the subscriber living in the city of Annapolis.
