By the House of Delegates, January 19th, 1816.

Viewing with deep sensibility and gratitude the exalted destiny to which, through the favour of Heaven, and the wisdom of our Rulers, this nation has been conducted—preserving and cherishing, as a sacred deposit, the only remaining instance of pure republican institutions amongst men—a people with equal rights—a government of equal laws—a home of safety and abundance for ourselves—an inviting asylum for the oppressed of every nation—with a national character confirmed for equity and love of harmony by long forbearance under wrongs, and for decision and firmness when forbearance ceased to be a virtue—satisfied with an ample proof of our resources for every exigency, and contemplating the immediate reduction of those burthens which the assertion of our rights required for a time from the people—we hold ourselves bound to express our gratitude to the Gracious Sovereign of the Universe—our thanks to the wise and virtuous agents of his blessings, and our approbation of those men, and those measures, that have maintained through every danger and difficulty the cause of their country.

Resolved, That we feel proud of a confirmed confidence in the constitution and government of our country, found by faithful experiment to be sufficient for peace or war, fully capable of protecting our rights without infringing them.
Resolved, That the zeal with which every expedient to preserve an honourable peace was pursued by our National Executive, the distinct and unequivocal terms in which our injuries were urged, the ultimate resort proposed to redress them, the wisdom, decision and firmness with which they persevered in the contest, until the enemy were humbled, and the occasions which led to the declaration of war ceased to operate to our injury, and finally, the promptitude with which an honourable peace was accepted and ratified, entitled them to the approbation and thanks of their countrymen.

Resolved, That the armed people, the militia of the several states, whenever judiciously employed, have justified a confidence in themselves that will remain the surest bulwark of their country's future safety.

Resolved, That we review with satisfaction the faithful support at all times volunteered by the great body of the American people, and to those men who have administered their political concerns, agreeably to their best interests and express wishes, proving that those who have the firmness and wisdom to pledge the nation for the maintenance of its essential rights, will be faithfully supported by the people through every difficulty, and by every sacrifice essential to its security, unavayed by apprehensions, unremoved by losses, and unsecluded by factions.

By order,
LOUIS GASSAWAY, Clk.

Land for Sale.

Will be offered at Public Sale, on the premises, by the subscriber, on Monday the 14th day of March next, a valuable Tract of Land, containing about 670 acres, 230 of which are in wood of the most useful kinds, lying in Frederick county, Maryland, 12 miles from Frederick town, 21.2 miles from Liberty town, and 5 miles from Woodsbury. This land is situated on the head waters of Israel's Creek, is uncommonly well watered from never failing springs of excellent water, and has two considerable streams passing through it; the soil is good, and remarkably well suited to the use of plaster of Paris, and red clover—the soil is of the blue slate kind, which has been found in the adjoining farms, where plaster of Paris and clover have been used, to improve and yield profitable crops. It is distant from the city of Baltimore 40 miles, bordering on the road leading from thence to Woodsbury, and adjoining to Stevenson's Copper Mine. On this land there are great appearances of rich copper ore; and in addition to the many advantages it possesses, it is considered to be in a part of the country remarkable for good health. The improvements on this property consist of two farms, with tolerable wooden buildings, apple orchards and some meadow on each, and about 410 acres of cleared land between the two farms. The terms of sale will be one third of the purchase money in hand, and the balance in three or four equal annual payments, on bond with approved security. Any person who may call to view said property will be shown the same by Capt. Philip Smith living on it.
Henry Maynardier.

Annapolis, Jan. 23, 1816.
The Editors of the Baltimore Telegraph, Federal Gazette, American, and the Federal Republican, will publish the above once a week till the day of sale, and forward their accounts to this office.

This farm is well adapted for corn, wheat and tobacco; it is also well calculated for raising stock; it will be sold on or before the first day of March next.
Undoubted rights will be made to the purchaser; as it is expected that all persons having a mind to purchase will take a view of the land before they purchase, they may know the terms of sale, by applying to the subscribers.
