PROSPECTUS,
OF THE
EASTON GAZETTE,
And Eastern Shore Intelligencer.

HAVING purchased the establishment of the People's Monitor, from Mr. Rowleson, the paper will be published every Saturday, as formerly, under the above title.

The Editor candidly acknowledges that his principles are purely Federal, and that his paper will be impressed with the same character. This character ought to be long, and does in fact belong to the state of Maryland; and he is encouraged to believe that the unexpected and unpleasant returns of the elections in some of the districts on this Shore, have not proceeded from any change in the sentiments of the people, but from a degree of apathy and idle confidence in several of their leaders, from which, judicious observations on their danger happily may have roused them. It is, therefore, not improbable that better information upon the state, of their affairs, and more frequent admonitions concerning the arts and designs of their opponents, may have the useful effect of keeping alive the free spirit of federalism, and a due sense of the necessity of continual vigilance. No measure can promote these desirable objects with so much convenience and satisfaction, as a well conducted paper; and such a paper the Editor will employ all his industry and resources to establish; and to assist his own efforts, he will proudly rely upon the Talents and Counsels of his Patrons and Friends.

But such a paper need not be exclusively confined to political subjects. Instruction and amusement of another kind may be communicated; such as Foreign and Domestic Intelligence; Improvements in Agriculture, Manufactures and Trades, Treaties upon the Arts and Sciences, Sketches of History, Geographical and Biographical; Customs, Manners, and Religious and Moral Essays, furnish a rich variety of interesting matter, from which the Editor will always be careful to select the most engaging pieces, for the Entertainment and Information of his Readers.

With these assurances, he submits his Prospectus to a people, whom he understands to be no less liberal than enlightened; and hopes by his diligence and attention, to deserve the patronage and friendship which they may feel an inclination to bestow.

CONDITIONS.
The Easton Gazette and Eastern Shore Intelligencer will be handsomely printed, on a large sized pa-

per, with a new type at two dollars and fifty cents per annum, payable half yearly in advance. Arrangements will be made to receive the earliest information by the mails, and the utmost care taken to transmit the paper to subscribers.

40 Dollars Reward.
Ranaway from the subscriber on the 15th ultimo, a black man by the name of Phill, (who calls himself Phillip Addison,) about 40 years of age, 5 feet 1 or 2 inches high, square built, with rather a pleasing countenance when spoken to, has a shaking of the right arm, occasioned by bleeding; his clothing not recollected, except a great coat of dark flushing edged with red, very much worn. It is probable he is harboured in the neighbourhood of Mr. William Sanders, where he has a wife. The above reward will be given for securing him in any goal, so that I get him again, and all reasonable expenses paid, if brought to me living in Prince George's county, seven miles above Upper Marlboro, near Mr. Dennis Blagrunder's mill.

W. B. EAGLESON,
SURGEON DENTIST,
FROM BALTIMORE.

Be ye leave to inform the Ladies and Gentlemen of this town, and its vicinity, that he has invented a new and very important improvement in setting natural and artificial teeth, for which he has obtained a United States Patent. This improvement prevents, entirely, the decay of the stump into which the tooth is inserted; consequently renders it useful for many years, which, in the original way of inserting, would, from becoming carious, be rendered useless in a very short time—this is done without pain in almost every case. He cleans teeth without injuring the enamel, and files if necessary—Also, extracts teeth, roots or stumps, with as great ease and ease as any operator.

Ladies and Gentlemen waited on at Mr. Peaco's, opposite the Post office, or at their houses, if more agreeable, for a few days only. However, incredible any of these assertions may appear, he is confident he shall be able to satisfy the most incredulous of their correctness, who favour him with their patronage.
