Land for Sale.
I sell the land whereon I live, on Herring Bay, in Anne Arundel County, about 20 miles from the City of Baltimore, and about 50 miles from Annapolis; it contains between one hundred and one thousand acres, and is considered to be inferior land in the county for the cultivation of tobacco, and is acted upon by a heavy and capable of great improvement. A great proportion of it is covered with wood timber, & is easily carried to market, having advantage of the landing place bounded by the water. Permitted to purchase it is presumed to view the premises, which they wish to do. The terms will be made on payment of part of the purchase money in hand. For application apply to Nicholas Brewer, who is authorized to contract for the land.

To the Public
Of Saint Anne's Parish, Anne-Arundel County.
July 5, 1819.
We the subscribers do hereby certify, that we have this day examined the account, bills, &c. of the Trustees of St. Anne's Church, and find them to be correct. We would further observe, that said Trustees, have paid, and secured to be paid, a considerable sum of money for said Church, more than they have raised. We would also state, that although said building progresses, but slowly, it has been for the want of funds. We are of opinion that much credit is due to the Trustees, for the ability, zeal and attention, in obtaining subscribers, providing materials, &c. for said Church. We are also of opinion, that if a generous public will give a small additional subscription, the building will be completed. We are, Sir, Dear Sir, Yours, &c.
