New Series, and it is not probable
that a like opportunity in so Grand a
scheme will be offered to the public for
many years.

All Venders and the public gene-
rally, are respectfully invited to take
an interest in this Lottery, which the
Manager trusts they will find worthy
of their immediate attention. The
Scheme will be generally known
throughout the United States, and the
citizens thereof disposed to adventure.
Have an excellent opportunity offered
them of procuring tickets, shares, and
certificates in this Lottery at the
Scheme Price, as well as the first ad-
vance.—In consequence of this,
and the small number of tickets in
this Scheme, those who procrastinate
their purchase must hereafter censure
themselves only, if by a little delay
they find themselves too late to procure
even a single Ticket or share and thus
lose forever the unparalleled opportu-
nity of securing independence for life.
Applications personally, or by letter
post-paid, enclosing the Cash, for even
a single ticket or share in the above,
may be had at either of the Manager's
offices, where the cash will, as usual,

Your most obedient and very hum-
ble Servant,
P. CANFIELD,

Baltimore, September, 1825.

PUBLIC SECURITY.
The Manager of the University
Lottery of the State of Maryland, re-
turns his sincere acknowledgments
for the munificent patronage he has
received in the former classes and he
now has the honour of presenting to
his friends and the public throughout
the Union, the Scheme of the Eighth
Class, which is far more brilliant than
any scheme ever adopted, and drawn
in the United States, and probably in
the world. It is a scheme which will
be offered for several years. It is a
scheme which is so well adapted to the
interests of the State, and which will
be so beneficial to the public, that it
is not probable that a like opportu-
nity will be offered to the public for
many years.

States generally, will not it is hoped
be backward in given their support,
but will patronise it as well from feel-
ings of patriotism, as from the expec-
tant chance now offered of adding to
their property. Those not yet abound-
ing in wealth, will no doubt seize at
once upon the unparalleled opportu-
nity of securing a fortune.
Venders abroad will notice that
this Lottery contains but a small num-
ber of Tickets, and they may find it
very advantageous to make their re-
mittances, at the time, they order tick-
ets, less by a little delay, the tickets
may all be engaged. In no instance
can a credit for any large amount be
allowed unless a satisfactory security
be given; for, notwithstanding the in-
tegrity and property of many of those
in the trade, the Manager must and
will endeavour to guard against all
casualties, and it must be expected
that will be looked upon as adhered to
by him in all cases, not only for his own
protection and safety, but because it
is his intention to proceed with this
Lottery in such a manner, that he
may have it in his power to pay the
prizes promptly, and that it shall re-
sult to the entire satisfaction of all
concerned.
If the foregoing considerations are
not a sufficient incentive to venders
and adventurers, to take an interest in
this Lottery, in preference to any other,
the manager trusts that the follow-
ing new arrangement and voluntary
act on his part, will stamp it with such
a character, as shall render it justly
deserving of that preference.
To insure public confidence and to
prevent the possibility of loss to the
holders of tickets in consequence of any
casualties whatever, it is hereby
covenanted and agreed on the part
of the Manager that the current funds,
received for sales of Tickets, in this
Lottery, shall be deposited every thirty
or sixty days from and after the
10th day of October ensuing, either
in the Merchants Bank in the City of
New York, in the United States
Bank in the city of Philadelphia in the
Philadelphia Bank of ditto city,
or the Union Bank of Maryland
in the City of Baltimore, and in
all, or in some one of the above
named Banks respectively, the said
funds shall remain as a security for
the holders of tickets until the draw-
ing shall have taken place, which de-
posits will, from time to time, be made
known by some of the following nam-
ed gentlemen, who have kindly con-
sented to act, if necessary, upon this
occasion, and to attend to the duties
herein assigned them—viz:
Lynde Catlin, Esq. Presidents,
of the Merchants Bank in the City of
New York.
Walter Meade, Esq. Cashier, do do
Mr. Nathan Canfield, of the City
of New York.
Thomas Wilson, Esq. Cashier of the
United States Bank, Philadelphia.
Quinton Campbell, Esq. Cashier of
the Philadelphia Bank, do
Jonathan Pinkney, Esq. Cashier of
the Union Bank of Maryland, in the
City of Baltimore.
Stephen Honeywell, Esq. Cashier
of the Mechanics Bank, do.
William Gwynn, Esq. of the City
of Baltimore,
Reverdy Johnson, Esq. do do.
All of whom are hereby appointed
and constituted trustees, and in whom
by these presents, in case of the death
of the Manager previous to the draw-
ing, full power is vested, to continue
the sale of the tickets and to cause the
lottery to be drawn and the prizes paid
with the funds deposited as above pur-
suant to the scheme.

ets, less by a little delay, the tickets
may all be engaged. In no instance
can a credit for any large amount be
allowed unless a satisfactory security
be given; for, notwithstanding the in-
tegrity and property of many of those
in the trade, the Manager must and
will endeavour to guard against all
casualties, and it must be expected
that will be looked upon as adhered to
by him in all cases, not only for his own
protection and safety, but because it
is his intention to proceed with this
Lottery in such a manner, that he
may have it in his power to pay the
prizes promptly, and that it shall re-
sult to the entire satisfaction of all
concerned.
If the foregoing considerations are
not a sufficient incentive to venders
and adventurers, to take an interest in
this Lottery, in preference to any other,
the manager trusts that the follow-
ing new arrangement and voluntary
act on his part, will stamp it with such
a character, as shall render it justly
deserving of that preference.
To insure public confidence and to
prevent the possibility of loss to the
holders of tickets in consequence of any
casualties whatever, it is hereby
covenanted and agreed on the part
of the Manager that the current funds,
received for sales of Tickets, in this
Lottery, shall be deposited every thirty
or sixty days from and after the
10th day of October ensuing, either
in the Merchants Bank in the City of
New York, in the United States
Bank in the city of Philadelphia in the
Philadelphia Bank of ditto city,
or the Union Bank of Maryland
in the City of Baltimore, and in
all, or in some one of the above
named Banks respectively, the said
funds shall remain as a security for
the holders of tickets until the draw-
ing shall have taken place, which de-
posits will, from time to time, be made
known by some of the following nam-
ed gentlemen, who have kindly con-
sented to act, if necessary, upon this
occasion, and to attend to the duties
herein assigned them—viz:
Lynde Catlin, Esq. Presidents,
of the Merchants Bank in the City of
New York.
Walter Meade, Esq. Cashier, do do
Mr. Nathan Canfield, of the City
of New York.
Thomas Wilson, Esq. Cashier of the
United States Bank, Philadelphia.
Quinton Campbell, Esq. Cashier of
the Philadelphia Bank, do
Jonathan Pinkney, Esq. Cashier of
the Union Bank of Maryland, in the
City of Baltimore.
Stephen Honeywell, Esq. Cashier
of the Mechanics Bank, do.
William Gwynn, Esq. of the City
of Baltimore,
Reverdy Johnson, Esq. do do.
All of whom are hereby appointed
and constituted trustees, and in whom
by these presents, in case of the death
of the Manager previous to the draw-
ing, full power is vested, to continue
the sale of the tickets and to cause the
lottery to be drawn and the prizes paid
with the funds deposited as above pur-
suant to the scheme.

PUBLIC SECURITY.
The Manager of the University
Lottery of the State of Maryland, re-
turns his sincere acknowledgments
for the munificent patronage he has
received in the former classes and he
now has the honour of presenting to
his friends and the public throughout
the Union, the Scheme of the Eighth
Class, which is far more brilliant than
any scheme ever adopted, and drawn
in the United States, and probably in
the world. It is a scheme which will
be offered for several years. It is a
scheme which is so well adapted to the
interests of the State, and which will
be so beneficial to the public, that it
is not probable that a like opportu-
nity will be offered to the public for
many years.
