**THE DECISIONS**  
OF THE  
COURT OF APPEALS OF  
MARYLAND,  
To be Reported by Thomas Harwood, Esquire, Clerk of the Court of Appeals, and Beverly Johnson, Esquire, Attorney at Law.

These Decisions will form a continuation of the first volume of Reports already published by Messrs. Harwood and Johnson, which closes with the year 1805. It is proposed to publish the Decisions in a Series of Numbers, each to contain not less than one hundred and twenty five pages, and four numbers to constitute a volume. The last number of each volume will contain a full and complete Index. This mode of publication, it is conceived, possesses advantages which give it a decided preference to that of publishing the Reports in bulky volumes. It ensures the earlier publication of the Reports, and as not more than four numbers will be published in a year, the expense will not be so sensibly felt.

**TERMS**  
The price of each number of the Reports will be \$1 25, payable on delivery.  
\* Subscriptions to the above works are received at GEO SHAW'S Store, the Maryland Gazette Office, and the respective Offices of the County Clerks of this State

**PROPOSAL**  
FOR PRINTING  
The Journals of the Conventions of the Province of Maryland,  
held in the City of Annapolis, in the years 1774, 1775 and 1776.

IP Sufficient encouragement be offered, the Subscriber proposes to publish, in one volume of the Province of Maryland in the years 1774, '75 and 1776, two copies of these Journals more than two from the circumstance that they were printed in pamphlet form, and unbound, it may be fairly concluded that they, too, must in a few years be destroyed by the mere decay of time. These Journals are the only authentic evidence of the Political History of Maryland, during that interesting and unquiet period. Although they have, in abundance, histories of Maryland, as connected with the Association of Provinces and Colonies, at that time formed, for mutual protection against the improper assumption of power on the part of the Mother Country, yet none of these works embrace what may be termed its Domestic and Internal Political History.

This part of the history of Maryland it should be her pride to hand down to posterity, not only on account of its deep interest, but as a public Record of the voluntary sacrifices, daring spirit, and determined resolution, of her citizens, during this period of doubt and dismay.  
In the confident expectation that the citizens of Maryland will consider the proposed publication of sufficient importance to entitle it to their patronage, the Subscriber is induced to issue these proposals.  
The Price per Copy, not to exceed \$2 00.
