

Upon my 'Honour' it is a Fact.

Alas! my Friends, what shall I do, For the want of money which is my due? I call on you, to me I pray give heed, Your small remittances I do greatly need. Now one good turn deserves another, Pay me, my Mother, my Sister my Brother; When you were in need, as I did think, You had my GAOCCRIES without the Chink. I did not tell you for a ways empty hand ed, This you will own, if you are candid. For want of money I lay on my oars; Come forward friends pay off your scores. I hope you'll pay me without delay, And not refer it to another day; I sell for Cash and very Cheap, Call in my friends and take a peep, A credit business I can no longer do, My debts I find wont buckle too, Necessity drives me to this measure, Or else I would credit you with plea sure.

My friends and the public I still entreat To deal with me, if they think meet, I hope, dear sirs, you'll not be offended, For no insult by me is intended, No longer now this thread I pull I want to credit you by cash in full.

Swaim's Panacea.

For the cure of Scrotula or King's Evil, Syphilitic and Mercurial Diseases, Rheumatism, Ulcerous Sores, White Swellings, Diseases of the Liver and Skin, General Debility, &c. and all diseases arising from impure blood. It has also been found beneficial in nervous and Dyspeptic complaints.

Price Two Dollars per bottle, and Twenty Dollars per Dozen.

TO THE PUBLIC.

In consequence of the numerous frauds and impositions practised in reference to my medicine, I am again induced to change the form of my bottles. In future, the Panacea will be put up in round bottles, fluted longitudinally, with the following words-blown in the glass, "Swaim's Panacea - Philada."

These bottles are much stronger than those heretofore used, and will have but one label, which covers the cork, with my own signature on it, so that the cork cannot be drawn without destroying the signature, without which none is genuine. The medicine must consequently be known to be genuine when my signature is visible; to counterfeit which, will be punishable as forgery.

The increasing demand for this celebrated medicine has enabled me to reduce the price to two dollars per bottle, thus bringing it within the reach of the indigent.

My Panacea requires no encomium; its astonishing effects, and wonderful operation, have drawn, both from Patients and Medical Practitioners of the highest respectability, the most unqualified approbation, and established for it a character, which envy's pen, tho' dipped in gall, can never tarnish.

The false reports concerning this valuable medicine, which have been so diligently circulated by certain Physicians, have their origin either in envy or in the mischievous effects of the purgative imitations.

The Proprietor pledges himself to the public, and gives them the most solemn assurances, that this medicine contains neither mercury nor any other deleterious drug.

The public are cautioned not to purchase my Panacea, except from myself, my accredited agents, or persons of known respectability; and all those who shall purchase from any other persons.

From Doctor Valentine Mott, Professor of Surgery in the University of New York, Surgeon of the New-York Hospital, &c. &c.
I have repeatedly used Swaim's Panacea, both in the Hospital and in private practice, and have found it to be a valuable medicine in chronic, syphilitic and scrofulous complaints, and in obstinate cutaneous affections.

Valentine Mott, M. D.
New-York, 1st mo 5th, 1824.

From Doctor William P. Dewees, Adjunct Professor of Midwifery in the University of Pennsylvania, &c. &c.
I have much pleasure in saying I have witnessed the most decided and happy effects in several instances of inveterate disease, from Mr. Swaim's Panacea, where other remedies had failed—one was that of Mrs Brown.

PROPOSAL

FOR PRINTING
The Journals of the Conventions of the Province of Maryland, Held in the City of Annapolis, in the years 1774, 1775 and 1776.

IF Sufficient encouragement be offered, the Subscriber proposes to publish, in one volume octavo, the Journals of the Conventions of the Province of Maryland in the years 1774, '5 and '6. It is believed that there are not more than two copies of these Journals now extant, and from the circumstance that they were printed in pamphlet form, and unbound, it may be fairly concluded that they, too, must in a few years be destroyed by the mere decay of time. These Journals are the only authentic evidence of the Political History of Maryland, during that interesting and unquiet period. Although we have, in abundance, histories of Maryland, as connected with the association of Provinces and Colonies, at that time formed, for mutual protection against the improper assumption of power on the part of the Mother Country, yet none of these works embrace what may be termed its Domestic and Internal Political History.

This part of the history of Maryland it should be her pride to hand down to posterity, not only on account of its deep interest, but as a public State Record of the voluntary sacrifices, daring spirit, and determined resolution, of her citizens, during this period of doubt and dismay.

In the confident expectation that the citizens of Maryland will consider the proposed publication of sufficient importance to entitle it to their patronage, the Subscriber is induced to issue these proposals.

The Price per Copy, not to exceed \$2.00.
