**The Philadelphia Souvenir.**  
 Published every Wednesday, embellished with twenty elegant Quarto Copper Plate engravings of remarkable views, celebrated persons, & quarterly plates of the fashions.

"Now that the winter of our discontent is made glorious summer by the Sun of '79 Jackson, or in other words the storm which has agitated our political horizon being now dispelled, the publisher deems it advisable at the commencement of the New Year, to return his thanks to his patrons for the favours already bestowed, and inform them, and the public, that he enters upon his duties with renewed prospects of rendering it still more interesting than at any former period. He has completed his arrangements, and is now in the receipt by every packet which arrives here or at New York from England, of the most interesting periodicals, from which he will be able to furnish his readers with the latest literary productions of merit, instead of receiving them second hand from publications in this country; for those who attach an importance to the Proteus changes of fashion, he has been induced to add La Belle Assemblee, which is believed by the gay world to hold the "mirror up to nature," and which will enable him to present them with the earliest notice of all changes in taste and fashion, which are constantly taking place, and from it to select the elegant engravings with which it is adorned to grace the pages of the Souvenir quarterly; in short no expense has been spared that will be likely to add to the value of our publication. But whilst our attention is thus directed to what transpires in Europe, it shall not permit us to neglect NATIVE MERIT, and we shall freely select from American publications what seems adapted to our purpose, and last but not least, we have succeeded in enlisting in our interest many valuable correspondents, both in this country and in Europe, whose productions would do credit to any publication, and were we at liberty to give their names to the public, would add lustre to any work to which they were attached, in short no exertion will be spared to render 'The Souvenir,' in all respects worthy the patronage of the public, both as a cheap and elegant emporium of useful and interesting information, and a valuable repository of choice specimens of Miscellaneous literature. Strict attention will be bestowed on its moral tendency, and a constant watchfulness preserved over the cause and interests of virtue.

A portion of the contents will be as follows:

I. Tales, original and selected; Essays, moral, humorous and scientific; Poetry, original and selected from the best American and Foreign literary publications; Biographical Sketches of distinguished persons, male and female; Anecdotes, Bon Mots, &c. The original matter necessary for this department of our paper will be furnished by individuals who are advantageously known to the public through the medium of their literary productions.

II. The Toilet. In addition to the usual Literary matter contained in similar publications, the Proprietor has completed an arrangement by which he will be enabled to furnish correct descriptions of the prevailing fashions, both foreign and domestic, illustrated with elegant engravings, besides the regular series, once in each quarter, plates of fashionable resort, sketches of life, manners, &c. &c. at the earliest possible period, and from the most authentic sources.

III. Miscellaneous Interesting items of Intelligence, Foreign and domestic occurrences, Deaths, Marriages, &c. &c.

IV. Engravings. In each quarter the Souvenir will be embellished with four splendid quarto copper plate engravings of remarkable American or European Scenery, or Portraits of distinguished characters, also one plate of the latest fashions, which will be sent coloured, free of charge, to those who comply with the terms of subscription, of payment in advance.

Each subscriber will thus be furnished yearly with Twenty Superior Copper plate Engravings; the price of which if purchased singly, would be more than double the annual cost of the entire work.

V. Editor's Department. Notice of passing events, the Drama, New Publications, Criticisms, Reviews, &c. &c.

TERMS.—The Souvenir will be published every Wednesday, and forwarded to Subscribers out of the city by mail or otherwise, as may be directed—each number will contain Eight closely printed pages, and be decorated with appropriate embellishments in addition to the above engravings.

Price of Subscription Three Dollars per annum, payable in advance—for four copies Eleven Dollars—for ten copies Twenty-five Dollars, and at the same rate for a larger number—in all cases in advance, which entitles them to coloured plates of fashions.

Subscriptions to commence and end in January or July in each year—a few copies may be had from the commencement of the work, if applied for soon.

PHILIP PRICE, Jr.  
 Editors of papers who will give the above a few insertions; will oblige the publisher, and receive an exchange by sending their paper to this office.

**Swain's Panacea.**  
 For the cure of Scrofula or King's Evil, Syphilis and Mercurial Diseases, Rheumatism, Ulcerous Sores, White Swellings, Diseases of the Liver and Skin, General Debility, &c. and all diseases arising from impure blood. It has also been found beneficial in Nervous and Dyspeptic complaints.

Price Two Dollars per bottle, and Twenty Dollars per Dozen.

TO THE PUBLIC.  
 In consequence of the numerous frauds and impositions practised in reference to my medicine, I am again induced to change the form of my bottles. In future, the Panacea will be put up in round bottles, fitted longitudinally, with the following words blown in the glass, "Swain's Panacea—Phila." These bottles are much stronger than those heretofore used, and will have but one label, which covers the cork, with my own signature on it, so that the cork cannot be drawn without destroying the signature, without which none is genuine. The medicine must consequently be known to be genuine when my signature is visible; to counterfeit which, will be punishable as forgery.

The increasing demand for this celebrated medicine has enabled me to reduce the price to two dollars per bottle, thus bringing it within the reach of the indigent.

My Panacea requires no economy; its astonishing effects and wonderful operation, have drawn, both from Patients and Medical Practitioners of the highest respectability, the most unqualified approbation, and established for it a character, which every pen, dipped in gall, can never tarnish.

The false reports concerning this valuable medicine, which have been diligently circulated by certain Physicians, have their origin either in envy or in the mischievous effects of the spurious imitations.

The Proprietor pledges himself to the public, and gives them the most solemn assurance, that this medicine contains neither mercury, nor any other deleterious drug.

The public are cautioned not to purchase my Panacea, except from myself, my accredited agents, or persons of known respectability, and all those who shall purchase from any other persons.

Wm SWAIM.  
 Philadelphia, Sept. 1828  
 From Doctor Valentine Mott, Professor of Surgery in the University of New York, Surgeon of the New-York Hospital, &c. &c.  
 I have repeatedly used Swain's Panacea, both in the Hospital and in private practice, and have found it to be a valuable medicine in chronic, syphilitic and scrofulous complaints, and in obstinate cutaneous affections.

Valentine Mott, M. D.  
 New-York, 1st mo 5th, 1834.  
 From Doctor William P. Dewees, Adjunct Professor of Midwifery in the University of Pennsylvania, &c. &c.  
 I have much pleasure in saying, I have witnessed the most decided and happy effects in several instances of inveterate disease, from Mr. Swain's Panacea, where other remedies had failed—once was that of Mrs. Brown.

Wm. P. Dewees, M. D.  
 Philadelphia, Feb. 20, 1823  
 From Doctor James Mease, Member of the American Philosophical Society, &c. &c.  
 I cheerfully add my testimony in favour of Mr. Swain's Panacea, as a remedy in Scrofula: I saw two inveterate cases perfectly cured by it, after the usual remedies had been long tried without effect—those of Mrs. O'Neal and Mrs. Campbell.
