DR. HULL'S TRUSS,

FOR the relief and cure of Hernia or Rupture. This Surgical instrument is now so well known to the Medical profession, and so extensivily used by unfortunate sufferers labouring under the disease of Hernia, that a particular account of its mechanical construction of its surgical effects is thought unnecessary.—The subjoined remarks from Physicians and Surgeons of high respectability in our country, are the results of much practical experience in the use and application of this truss.

James Thatcher, M. D. author of the Modern Practice, in his second edition, under the subject of Hernia, remarks "Dr. Hull is exclusively entitled to the credit of first adapting the true Surgical principle for the radical cure of Hernia. He happily conceived the idea that the pad of the Truss should be so constructed as simply to support the muscular fibres around the ring or aperture as much as possible, in the state in which they are maintained in perfect health. Unless this be attained the parts can never recover their natural tone, whatever may be the degree of pressure applied."

Samuel Ackerly, M. D. in his excellent edition of 'Hooper's Medical Dictionary,' under the head of 'Truss,' after enumerating the evils resulting from the use of the defective trusses formerly worn, says. 'This evil was not fully remedied until Dr. Amos G. Hull, of New York, turned his attention to the subject, and by his improvement in the construction of trusses, has rendered it certain that all recent ruptures and those of children, may be permanently cured, and those of old people and of long standing, may, in many cases, also be remedied. The pad of Dr. Hull's Truss is concave and not convex; and hence the raised circular margin, by proper adaptation, presses upon the sides of the hernial opening, and tends to close the aperture and cure the hernia.'

M. L. Knapp, M D. late Physician and Surgeon to the Baltimore General Dispensary, in a communication to Doctor Hull, says: 'I have applied your trusses in several hundred cases during the last three years A great many upon whom I have applied your trusses, have been radically cured; and some of these were cases of long standing, where all other trusses had failed. I send you a note of thanks from Mr. P. a citizen of great respectability, who was cured of a bad scrotal rupture, of thirty five years standing, by wearing one of your trusses for two years. He had worn other trusses twenty nine years. His son, also, aged 16 years, ruptured from his infancy, was cured under my care in less than two years.—A case of scrotal rupture, of twenty years standing, in a labouring man forty years old, on whom I applied one of your trusses, the day after the injury, was cured in three months.—Experience alone, can make known to the Surgeon the full powers and excellence of these instruments. Your trusses are exclusively preferred by the Professors in both of the Medical Schools in this city, and the Faculty in general.

Baltimore, January, 1830.

Valentine Mott, M. D. Professor of Surgery, says,' The great and signal benefits which are produced by this Truss, result from its strict subservience to, and accordance with Scientific and Surgical principles.

'The operation and effect of this Truss is directly the reverse of all Trusses heretofore in use; which being convex, tended to enlarge the dimensions of the rupture opening.' 'I am of opinion that the union of Surgical design & mechanical structure in this instrument render it what has long been the desideratum of Practical Surgeons in Europe and America.'

Professor Mott also in lecturing upon Hernia, recommends Dr. Hull's Truss to the exclusion of all others.

IN CHANCERY,

25th February, 1850.

Richard Kirby and James Tongue.
vs.
Roger B. Taney, Octavius C. Taney, AND Michael Taney, Junior.

THE subject of the bill filed in this case is to obtain a decree for the payment of a judgment recovered by Richard Kirby, for the use of James Tongue vs. Michael Taney, Jr. in Calvert county court.

The bill states that at Calvert county court, May term, 1815, the complainant, Richard Kirby, recovered a judgment against the said Michael Taney, Junior, for the sum of three hundred dollars, with interest from the 12th day of June 1808, and that at May term 1828, a fiat was issued on a second scire facias, issued on the said judgment, which judgment has been entered for the use of the complainant, James Tongue. That on the 15th day of July 1819, a certain Michael Taney, Senior, the father of the said Michael Taney, Junior, by deed duly executed, acknowledged and recorded, conveyed certain land and personal property to the defendants, Roger B. Taney and Octavius C. Taney, their heirs and assigns, in trust, that the said Roger B. Taney and Octavius C. Taney, and the survivor of them, and the heirs and assigns of such survivor, shall hold and possess the said lands and personal estate, and receive the rents, issues and profits thereof, and after deducting the expenses of cultivating the same, shall pay annually to the said Michael Taney, junior, one thousand dollars during his life, and after such payment, shall apply whatever residue may remain to pay off all such debts as are now due and owing from the said Michael Taney, Senior, and whenever the said debts shall be fully paid and extinguished, then in trust to apply all the rents, issues and profits thereof (after defraying expenses) to the said Michael Taney, Senior, during his life, and after his death to hold the said lands, or such part thereof, as shall not have been sold under this deed, and personal property in trust for the use of Michael Taney, Junior, Roger B. Taney, Augustus Taney, Octavius C. Taney, Dorothy Taney and Sophia T. Taney, the children of Michael Taney, Senior, their heirs and assigns forever, as tenants in common and not as joint tenants, to be equally divided between them, share and share alike, with power to the said Roger B. Taney and Octavius C. Taney, whenever they should see fit to sell the said property for the objects and purposes of the said trust. That the said Michael Taney, senior, is dead, and that the said Roger B Taney and Octavius C. Taney have sold the whole of the said property conveyed to them, and that the amount of sales is about twenty-five thousand dollars. That all the debts of the said Michael Taney, senior, have been paid, and that there is in the hands of the said Roger B. Taney, and Octavius C. Taney, a large amount of funds belonging to the said Michael Taney, junior, under the trusts of the said deed. The bill charges that the said James Tongue, as assignee of said judgment, (no part of which has been paid,) is entitled to payment of the same out of the said fund, in preference to the other creditors of the said Michael Taney, junior, the said judgment being the oldest judgment against the said Michael Taney, junior, and the said fund being to be considered as land. The bill prays that a decree may be passed for the payment of the amount of said judgment out of the fund in the hands of the said Roger B. Taney and Octavius C. Taney in preference to the other creditors of the said Michael Taney, junior, and for general relief. And it being stated in the said bill that the said Michael Taney, junior, resides out of the State of Maryland, it is thereupon, this 25th day of February, 1850, by Theodorick Bland, Chancellor, adjudged and ordered, That the complainants, by causing a copy of this order to be inserted once in each of three successive weeks, in one of the newspapers published in the city of Annapolis, before the last day of March next, give notice to the absent defendant of the substance and object of this bill, that he may be warned to appear in this court in person, or by a solicitor, on or before the first day of July next, to shew cause, if any he have, why a decree should not pass as prayed.
