**TEMPERANCE TEA PARTY.**

The Third Tea party of the Preston...  
Temperance Society was celebrated on...  
Day in the Exchange Rooms. The...  
amounted to about 1200; the tea-kettle...  
a boiler containing 200 gallons erected...  
out house, and forty reformed drunkards...  
ciated as waiters! A band of music...  
two temperance songs were sung, and...  
addresses delivered. The Recorder of...  
the Borough, with a party of Ladies and...  
honoured the meeting with their...  
presence, and pleasure and enjoyment...  
from every countenance. The contrast...  
between this company, says the Preston...  
and those where intoxicating liquors...  
used, is an unanswerable argument in...  
of temperance associations.

**STILL LATER FROM SPAIN.**

The editors of the New York Daily...  
Advertiser are indebted to the late...  
Governor Cabrosa, now an exile in...  
that city, for the following...  
highly interesting intelligence, received...  
from his correspondents, at Cadiz...  
under date of the 22d January, by...  
the brig Herald, arrived at Boston...  
on Monday last. The letters...  
are from the most authentic sources.

The dates from Madrid are to the...  
17th January, nine days later than...  
those received by the Francis Dupax.

On the 16th January, a deep-rooted...  
conspiracy of the Carlist party was...  
discovered. The plan was to...  
destroy the Queen Regent, her...  
two daughters, the Infant Don...  
Francis, his wife, and all his...  
children—in fact, to destroy all...  
the Royal family. Many of the...  
most distinguished persons of all...  
ranks, had been arrested and...  
thrown into prison.

The Carlists became so indignant...  
at the conduct of the Premier, Zea...  
Bermudez, and his fellow ministers...  
whose negligence the conspiracy...  
had been so near being accomplished...  
that they repaired to the house...  
of Zea Bermudez on the night of the...  
18th, for the purpose of destroying...  
him; they vented their rage by...  
destroying all the furniture and...  
valuable.

The excitement was so great that...  
the Queen Regent changed her...  
government at once, by removing...  
all her Ministers, except Zarco...  
Del Valle of the War Department. ...  
Martinez de la Rosa is appointed...  
Premier, in place of Zea Bermudez...  
Garcia is called to the Department...  
of Justice; Vasquez Piqueiro, Minister...  
of the Marine; and Arnalde to the...  
Finance Department.

Nearly all the Captains General...  
of various Provinces have addressed...  
the most energetic representations...  
to the Queen, requiring a...  
representative government, and...  
demanding the assembling of the...  
Cortes. A new state of things...  
has taken place; the Liberals...  
were again in power and exiles...  
from foreign countries were...  
returning to the land of their...  
nativity.

**IN CHANCERY.**  
18 Feb 1834.  
Jermiah B. Howard, and Harriet his wife, and others, vs. Thomas W. Watkins Admr. D. B. N. of Nicholas Watkins, Sen.

THE object of the bill is to obtain an account and settlement of the administration of the personal estate of Nicholas Watkins Sen. late of Anne Arundel county, deceased. The bill states, that William Pitt Watkins, late of Anne Arundel county, died sometime in August 1828, leaving the orphans court, which was then the complainant J. B. Howard, and the other complainants W. P. Watkins, J. A. H. Watkins, M. E. S. Watkins, and O. P. Watkins, his heirs and representatives, who are infants, and the said W. P. Watkins was the executor of the last will and testament of the said Nicholas Watkins Sen. and after his death the defendant became the administrator de bonis non, upon a promise that he would charge no commission, but has since been allowed by the orphans court of said county \$403,443, that at the sale of the personal estate of said N. Watkins Sen. many articles were sold for less than their value by the fraudulent connivance of the said Thomas W. Watkins, that N. Watkins Sen. by a last will and testament bequeathed to the said W. P. Watkins, all his estate of every kind whatsoever, to hold the same in trust for five years for the use of his children and grand children, and the profits thereof to be equally divided (after deducting all costs, charges and expenses, and every debt the said executor might be called on to pay, and from and after the period of five years the said trustee and executor to deliver to the six children of his father Elizabeth certain real estates, and then to divide the rest of his estate after the expiration of five years among the following children, Isaac, Frederick, Sarah and the said William Pitt Watkins, in four equal parts; and that in the corrected final account of W. P. Watkins, passed by F. T. Watkins the said W. P. Watkins was allowed \$302,725, which has not been paid by the said T. W. Watkins, who resides out of the state.

It is thereupon ordered, That the plaintiff cause a copy of the order to be inserted in some of the newspapers printed in Annapolis, before the twentieth day of March next, to the end that the said Thomas W. Watkins may have notice of the complainants application to the court, and of the subject and object of this bill, and may be warned to appear in this court in person or by solicitor, on or before the tenth day of July next, to show cause, wherefore a decree should not pass as prayed.
