companied but to the horse of morning exhibit voursely.
Two or three no r cottagers sat around the The coffin, with the lid open, lay across which seemed to indicate that he died from rit is not always overlooked even in this coun which seemed to indicate that the solution is the solution of the solution where money is every thing, and the Scatter is the solution in the solution which the solution is spirit and was troubled. He caused his the deserved. Jeanie's joy was like a draw ed in spirit and was troubled. He raised his he deserved head in agony, and with a vacc almost mar of heaven.

The womening pessants started to their feet, and in silence nunted to a lowly bed. aastene forward-he fell upon his knees

ido not you, too, leave mel look at me - speak to mel I am your own son - your own Wolle; have you too forgot me, mother?

She, too, lay upon her death-bed, and the tide of life was fast cobing; but the r mem bered voice of her beloved son drove it back for a moment. Sue opened her eyes he atwhen the words that she uttered; they seems ell accents of mingled anguish, of joy, and of blessing. For several minutes, he bent over the bed and erept bitterly. He held her withered hand in his, he started; and as we may be prached him. ered hand in his, he started; and as we ap-proache i him, the hand that he had was lifeproached him, the hand that he had was life-less! He went no longer; he gazed from the dead body of his father to that of his mother -his eyes wandered wildly from one to the other—he smote his hand upon his brow, and threw himself on a chair, while misery transfixed him, as if a thuiderbolt had entered his

I will not give a description of the melancholy funerals and solitary mourner. The fathers obsequies were delayed, and the son laid both his parents in the same grave.

Several months passed away before I gain-

ed information respecting the sequel of my little story. After his pirents were laid in the dust, William Compbell, with a sail and the dust, William Compbell, with a said and anxious heart made inquiries after Jeanne Lessie, the object of his earliest affections whom we have already alluded. For several whom we have arread was fruitless; but at length he learned that considerable property and been left to her father by a distant relative. and that he now resided somewhere j frieshire.

frientie.
In the same gath which I have already described, the soldier set out up in his journey. With little fifficulty he discovered the house. It resembled such as are occupied, by the higher class of farmers. The non-thoughton pro-

ceeded along the passage—he heard voices in an apartment on his right; again he anacked THE commissioners for Anne Arunael country but was asheeded. He entered uninvited. A destruction, upon a kneeling phalanx of Scottish hearts, shielded only by the plaid and
