JOSEPH NICHOLSON, JOHN F. NICHOLSON, Ex'rs. April 27.

ST. MARY'S HALL, GREEN BANK, BURLINGTON, NEW JERSEY, FOR THE EDUCATION OF YOUNG LADIES.

THE Institution will be opened, with divine permission, on Wednesday, the third day of May, under the charge of the Rev. ASA EATON, D. D., as Chaplain and Head of the Family, Mrs. SUSAN EATON, as Matron, and Miss ELLYN ROTTON, as Principal Teacher; with assistant Teachers in the several departments. No pupil will be admitted for less than a year.

The scholastic year is divided into a Summer term, and a Winter term, of twenty-two weeks each; the former, commencing on the first Wednesday in May, and the latter on the first Wednesday in November. There will be two vacations, of four weeks each, next preceding the days just named.

The regular expenses for each term, including boarding and lodging, with fuel and lights, and instruction in all the English branches, the ancient languages, psalmody, plain sewing and the domestic economy, will be one hundred dollars, payable always in advance. From this charge, twenty-five per cent will be deducted, for daughters of clergymen of the Church. Full courses of lectures in Natural Philosophy and Chemistry, with a complete apparatus, and also in Botany, will be delivered annually, in addition to the instruction in those branches. There will be a charge of six dollars for each term, for the use of bed, bedstead, bedding and towels. Washing will be charged at fifty cents a dozen. Books and stationery will be furnished at usual prices. There will be provided, for the use of the Institution a Library, selected especially for the use of the Teachers and Pupils. Pupils who remain will be charged \$12.50 for each of the two vacations. A limited number of day-scholars will be received.

The following will be charges additional to the above,—for instruction in the French language, \$7.50 a quarter, (of eleven weeks,) —in the German, Italian, and Spanish, \$10 a quarter; for musical instruction, on the Piano, with use of instrument, \$15 a quarter—on the Harp, with use of instrument, \$25 a quarter—on the Organ, with use of instrument, \$10 a quarter for instruction in drawing and painting, \$8 a quarter,—and in fancy work, \$6 a quarter.

All money for the use of pupils must be entrusted to the Head of the Family; under whose direction all purchases are to be made, and all expenses incurred. Advances must be made to meet all such expenditures. Parents will designate the additional branches which are to be pursued.

Attention is particularly requested to the following points,—thoroughness in study and exactness in department will be expected of all who desire to continue pupils of the institution—the branches proper to be pursued by each must be left to the discretion of the Principal Teacher—no pupil to bring to the institution any but devotional and school books—plainness and simplicity in dress, and a just economy in expenditure, will be expected in all, as members of a Christian family.

In its entire organization, St. Mary's Hall is designed to be a Christian household; and the aim will be, by the continual application of domestic influences on Christian principles, to form and to accomplish the domestic character. It is the object of the Institution,—and nothing will be spared for its accomplishment,—to promote to the utmost the physical, intellectual, and spiritual improvement of the pupils entrusted to it; and, training them all up in the nurture and admonition of the Lord, to render them, by the due cultivation of the mind, the manners, and the heart, true Christian ladies, prepared, through grace, for usefulness and influence here, and for "glory, honour and immortality" hereafter.

All communications must be addressed to the Rev. ASA EATON, D. D., Chaplain, and Head of the Family, of St. Mary's Hall, Burlington, New Jersey. Burlington March 6, 1837.

From the Rev. Dr. Tynng, Rector of the Church of the Epiphany, Philadelphia. The information which I have received, that the Rev. Dr. Eaton, of Boston, and his lady, are to be the united head of the household in St. Mary's Hall, your new school for the education of young ladies, has induced me to offer you, for any purpose which it may serve, in promoting the interests of the Institution, this spontaneous expression of my feelings.

In Boston and its vicinity, there would be far more propriety, in my asking commendation from Dr. Eaton, than in my offering it to him. In this section of the country, perhaps, my residence here may give me some advantages which he does not possess. Allow me, therefore to say, wherever I am known, and he is a stranger, that I have known him intimately from my childhood, and have revered him, as many beside have done, as an important light for the Episcopal Church in the time of its desolation, and as the friend and guide to many of our young men in their preparation for the ministry, as he was in many respects to myself. Parents may confide in the certainty, that whatever long tried piety, and moderate, calm, and Christian manners, and an affectionate, tender and parental spirit, can do for the benefit of their daughters, they will find in entrusting them to the care of Dr. Eaton. Mrs. Eaton is a lady of the most respectable connections in her native city; and by her education and manners, and the class of society to which she has been accustomed—as well as by her piety and domestic character—will be found in a high degree qualified for the maternal care of the interesting subjects of her charge. I am of opinion, that no similar Institution can present, as far as the heads of the family are concerned

for I am unacquainted with the arrangements for the department of instruction—superior advantages for those young ladies; for whom Christian seek a Christian Parents education.

From the Rev. Dr. Eastburn, Rector of the Church of the Ascension, New York. Right Rev. and Dear Sir,—In reply to your request, that I would state to you my opinion of the character and qualifications of Miss ROTTON and her sister, it gives me pleasure to say, that, from testimonials submitted to me, I have been brought to the conviction, that they would prove an invaluable acquisition to any establishment for female education, in which they might be placed. With both of these ladies, my acquaintance is but of a recent date. The elder of them, however, whom you have selected as the Principal Teacher of St. Mary's Hall, I have had an opportunity of seeing once or twice lately, and have learned enough from these interviews to say with confidence, that you will find in her not only a lady of great accomplishments, but one fitted, by the superior delicacy and refinement of her manners, and by her unostentatious but deep toned piety, to exert the most salutary influence upon all entrusted to her care. I think it right to state, that these ladies received their education at a school of great celebrity at Clifton, in England; the advantages of which, though, perhaps, not generally known in this country, will be properly appreciated by all who are acquainted with its character. That those highly esteemed persons may prove an extensive blessing, in the new sphere of duty which they have selected, is the prayer of yours very respectfully and truly,
