that the climate of India is not proof against

Liverpool and New York.

The Queen held her first drawing room on
the 20th of July, at St. James's Palace. The
number in attendance was vastly greater than
at any drawing room for many years. The
paper says that nearly 2000 ladies and gentle-
men were present. The scene must have been
rather curious, all being in mourning
dresses.

OBITUARY.

DEATH OF JUDGE KILGOUR.

It is supposed that his horse ran off with his
carriage, and threw him out, as the horse was
found a mile beyond him with the fragments of
the carriage. He died soon after being found.

On Monday last, as is our information, Judge
K. set out from his home in Montgomery, to vi-
sit a farm owned by him in Loudon, Va. He
stayed that night at Mr. Chilton's, in the neigh-
bourhood of Conrad's Ferry, on the Maryland
side. On the next morning, after breakfast, he
set out again on his journey, in his carriage al-
one; about one or two hours after, he was found
speechless, though alive, on the road side, not
far from Mr. C's, whose house he had left that
morning.

It is supposed that his horse ran off with his
carriage, and threw him out, as the horse was
found a mile beyond him with the fragments of
the carriage. He died soon after being found.

Judge K. possessed, while living, in an unusu-
al manner, the affections of his neighbours
and acquaintances generally. He was well
known in our District, as well as throughout
Maryland, his native State. As a judge he was
truly and emphatically upright, as a citizen and
neighbour, kind and liberal, and as a politician,
entertaining his own views, he freely expressed
them, at the same time charitably allowing his
opponents the right to differ from him, and still
to enjoy his good will.

At a meeting of the Members of the Bar, and
others, officers of the Courts of Justice in this
city, RAMSAY WATERS, Esq. was called to the
Chair, and WILLIAM S. GREEN appointed Sec-
retary, whereupon the following resolutions
were offered and unanimously adopted:

Resolved, That by the death of the Honour-
able Charles J. Kilgour this St. to has been de-
prived of a valuable and intelligent Judge, and
an upright, virtuous citizen.

Resolved, That this meeting deeply sym-
pathize with the family of the deceased in their
bereavement, and in memory of the many vir-
tues of the deceased will wear the usual badge
of mourning for the space of sixty days.

Resolved, That a copy of the foregoing resolu-
tions, signed by the Chairman and Secretary,
be forwarded to the eldest son of the deceased,
and published in the newspapers of this city.

life, a resident of Baltimore, where his sterling
and scrupulous integrity, acquired for him the
respect and esteem of a large portion of the
community.

A FEMALE SERVANT for a term of
years—Inquire at this office,
April 27.

To the Voters of Anne-Arundel County.

Gentlemen:—
I have been induced by what I believe to be
the wishes of a large portion of the people of
this county, and more particularly of the Sixth
Election District, to offer myself as a Candidate
to represent you in the next General Assembly
of the State. The peculiar circumstances of the
times, the political situation of our county,
and the inflated state of party spirit, which,
forgetting its legitimate object, seeks now only
the aggrandizement of its votaries, seem imperi-
ously to demand that an effort should be made
to place the guardianship of our public affairs
in the care of those whose only object and mo-
tive can be the faithful performance of that
trust. If therefore, I should be elected at the
coming election, I shall proceed to the seat of
government, untrammelled by party pledges,
party engagements, or party views, and with
the single determination of promoting the inter-
est of the county, and the honour and welfare
of the State.

THE object of the bill filed in this cause
is to obtain a decree for the sale of the

WITHDRAWAL OF THE \$75,000 SCHEME.

WHEN the Managers laid before the
public the Alexandria Scheme, Class
E, which is now withdrawn and the accom-
panying scheme substituted in its place, the
country was in a state of great prosperity,
and they felt warranted in risking the result
of so heavy a scheme, however limited in amount
the sales might be—the suspension of specie
payments by the banks and the general
derangement of the internal exchanges
throughout the Union that subsequently took
place, induced the Managers to postpone the
day of drawing to the 23d of September
next, before which time, it was hoped, a more
favourable state of things would be brought
about. But as the internal exchanges have
been getting worse instead of better, and as
no reasonable hope can be now indulged of
an immediate amendment, the Managers are
compelled to announce the withdrawal of the
scheme heretofore published as Class E of
the Alexandria Lottery, Capital Prize \$75,000.

The public are aware that the only draw-
back in favour of the Managers is the fifteen
per cent on prizes which is to provide for the
payment of the lottery contracts, all com-
missions, expenses and the risks and hazards to
be run. Until the state of the country is
such that the transmission of funds from one
point to another can be effected at reason-
able rates, and thus enable the Managers to
concentrate funds for the prompt payment of
heavy prizes, they do not feel justified in
running unwarrantable risks by the drawing
of extraordinary schemes. The reasons are
so many and obvious, that they are per-
suaded the propriety of this course will be readily
admitted. It is the intention, however, of
the Managers, so soon as the internal ex-
changes are re-established, to re-issue the
scheme now withdrawn, or others equally as
beneficial. The selling price of the tickets
in the scheme heretofore substituted for Alex-
andria Class E, being one-half the price of
the tickets in the scheme withdrawn, the
holders of tickets may have their purchase
money returned, or if preferred an addi-
tional ticket without further charge, which will
give them two chances in the substituted
scheme for one in the scheme withdrawn.—
Either measure will be carried into effect by
the agent or vendor by whom the sale was
made. If they retain the ticket first pur-
chased its result will be determined by the
accompanying scheme.

DR. BRANDRETH

WANTS NO COLLEGE, NO INSTITUTION, NO MO-
POPOLY, NO CHARTER, HE BEING QUITE
SATISFIED TO REST ON THE PATROC-
AGE OF THE PUBLIC

FOR THE SUCCESS OF HIS GRANDFATHER'S VEGETABLE UNIVERSAL PILLS.

THE unprecedented success which has
resulted from the adoption of Bran-
dredth's Pills, during a period of upwards of
85 years, the numerous and extraordinary
cures which they have performed upon hun-
dreds of individuals whom they have rescued
from almost inevitable death, after they had
been pronounced incurable by the most emi-
nent of the faculty—justify Dr. Brandredth,
the proprietor of this Vegetable Universal
Medicine, in warmly and conscientiously re-
commending it to the especial notice of the
public.

Dr. Brandredth wishes mankind to consider
this truth, that health solely depends on the
state of purities in which the blood is kept,
every part of the body being supplied daily
with new blood from the food consumed, con-
sequently, according to the purity of that
blood, so must the state of the body be more
or less healthy. To obtain therefore, the
most direct purifier of the blood, is a ques-
tion of no little importance to every individ-
ual.

That Brandredth's Pills are the most direct
purifiers of the blood, there will be no doubt
when it is considered that they have gained
their present very extensive sale by their
own intrinsic merit; proved by the numerous
cures which they have accomplished in every
variety of disease.

The peculiar action of these pills is most
surprising; their operations being more or
less purifying according to the purity of the
circulating fluid. On a person in a fair
state of health, who is only costive or slight-
ly bilious, they will be scarcely felt; on the
contrary, if the complaint be chronic, and
the constitution be much deranged, the effect
generally at first is most powerful, until the
system be freed from some of its most vitia-
l and urgent humours. This accomplished,
doses sufficient to cause two or three copious
evacuations daily, will soon remove the dis-
ease, and the constitution will be restored to
a state of health and renewed vigor.

As a general Family Medicine, these Pills
stand unrivalled. In many of the lingering
complaints also, with which the human sys-
tem is afflicted, they have been highly suc-
cessful. The use of a few boxes will, in
most cases, convince the patient of their be-
neficial properties. Indeed, a fair trial is
all that is needful in their recommendation.

Beware of COUNTERFEITS. If
you want the GENUINE Medicine be sure
and keep clear of DRUG STORES. No
DRUGGIST or APOTHECARY sells the
GENUINE BRANDRETH PILLS. Ask
