*Northern Liberty Market--Iron Bridge--The  
Chaplin Forfeit Paid--Navy-Yard--The Liguor  
Bill--Georgetown Affairs, &c.*

The design is not only to extend the present Northern Liberty Market-house to Eighth street west, but also to add additional pavements and walks, so that ample accommodations may be furnished to all the country people who may be pleased to attend there.

Mr. Wirt intimated his determination to apply at an early day for the means to renew operations in the market-house on Capitol Hill; and Dr. Morgan also urged upon the Board of Aldermen the necessity of a market-house on the Island.

In the Common Council the bill for the new Iron bridge across the Canal, at Tenth street, was postponed for a week.

Yesterday, according to appointment, Captain Goddard, Mr Richard Butt and officer E. G Handy, witnesses in the celebrated Chaplin case, appeared at the Court, at Ellicott's Mills. Their recognizances were duly cancelled. I learn that the \$19,000 forfeit for the non-appearance of Chaplin has been paid, and there the matter will rest for the present.
