CONSUMPTION, COUGHS, SPITTING OF BLOOD, BRONCHITIS, ASTHMA, &c.—*TO CONSUMPTIVES.*—Four-fifths of you are really suffering from neglected colds, or an obstruction and consequent inflammation of the delicate lining of those tubes through which the air we breathe is distributed to the lungs. This obstruction produces pain and soreness, hoarseness, cough, difficulty of breathing, lectic fever, and a spitting of blood, matter or phlegm, which finally exhausts the strength of the patient and death ensues. *JAYNE'S EXPECTORANT* never fails to remove this obstruction, and produces the most pleasing and happy results. It is certain in its effects, and cannot fail to relieve. Prepared only by Dr. D. JAYNE, No. 82 Third st., Phila.

EX-MEMBER OF CONGRESS.—The following testimonial is from Mr. N. Houten, formerly Member of Congress from Rockland county, New York, and well worth perusing:

Orangeburg, Rockland co., April 1, 1848.

Dr. Townsend:—Dear Sir,—I have been very seriously afflicted for a number of years with a rheumatic in the arm, shoulder and breast in the back, and shooting pains in the limbs and debility. I purchased a bottle of your Sarsaparilla, and found it helped me. Then I procured a half dozen bottles, and before I had used it up I was entirely cured, and think it a duty I owe to suffering humanity to make the relation of those that are afflicted with debility and nervousness. Yours, respectfully,

ISAAC B. VAN HOUTEN.

CURE FOR THE PILES.

Nothing can be more ingenious than to take phosphate of lime, whether it is in Pills or Electuaries. Dr. Ayer has best hit upon the remedy in his Pills, as described, which must be continued, and in time will confirm the cure. Those who have used Ayer's Cathartic Sarsaparilla does not act as a cathartic, but after using it a few days the bowels become regular, and indeed continue so. Another interesting fact is developed, and is the cause of more than one-half of the cures of the Piles, that Ayer's Sarsaparilla cures the Piles; this your best physician will tell you. Dr. TOWNSEND'S SARSAPARILLA has cured thousands of cases of the Piles, when all other remedies failed.

SCROFULA CURED.

This certificate conclusively proves that this SARSAPARILLA has perfect control over the most obstinate diseases of the blood. Many have been cured in one house in unprecedented.

THREE CHILDREN.

Dr. Townsend:—Dear Sir,—I have the pleasure to inform you that three of my children have been cured of Scrofula by the use of your Sarsaparilla. They were afflicted very severely with sores, and were have taken four bottles; it took them away, for which I feel grateful to you. Yours, with respect, faithfully,

ISAAC W. CRAIG, 109 Wooster st.
Sold by GEO. W. JONES, corner of Baltimore and High sts., and at Radway's Hotel, Ellicott's City.

The following letter was received by Dr. Townsend, and is proof positive that TOWNSEND'S SARSAPARILLA has the most perfect control of disease. This is truly a wonderful cure:

SETH BUSWELL, N. J., Dec. 25, 1847.

Dr. Townsend:—Dear Sir,—About the first of March last I was attacked with Scrofula in its worst form. It settled on both sides of my neck and under the arms, which was a horrible sight to behold, having large holes in the flesh occasioned by the sores, and would run for months at a time that I layer from the holes of the bones. My physicians did not believe me; the matter kept on raging and raging, and I kept getting worse and worse, and I verily thought I must die. I was very weak and unable to eat any. After that I was advised by your agent at this place to try some of your SARSAPARILLA. I procured some bottles, and before I had taken the first bottle I noticed about two bottles of it I was able to go out on the farm, and commenced working a little. Since the time I have commenced taking it and my sores are all healed and my health growing better and better, so much so now that I pronounce myself about well, and do believe that the Sarsaparilla has saved my life.

Yours, &c., WILLIAM C. LEAR.

Mr. Lear is personally acquainted with Mr. Buswell, and have been for a number of years, and know that he says he has been as he has above described.

HARVEY MAN,
Dated Dec. 25, 1847. PETER PERSON.

EMIGRANTS GOING WEST

Should not fail before emigrating to use this SARSAPARILLA, as it will remove all causes and diseases. Persons who have ever been afflicted in Ohio, New Orleans, Indiana, Illinois and Missouri, and to perfect acquaintance with the Western Fevers, and can testify that nothing in the Eastern States will be found to equal that SARSAPARILLA for purifying the blood. Emigrants going West with their families should carry a dozen bottles of this medicine to take with the water, as they will not be troubled with the Western Fevers.

IMPORTANT TO FEMALES.—I feel it an imperative duty I owe to suffering humanity, to inform the afflicted of this community and the world, to state the surprising and most miraculous cure effected on a Mrs. Ann Jones, of this city, who was afflicted for the past twelve months under the most acute, intense, and painful skill—the first was a most severe chill. The disease of the womb prostration decline, pain from the crown of the head to the toe—was given up by divers and many physicians, and by Dame Providence a preference is now offered by Dr. Delaney's Indian Vegetable Specific, which in a few days after the first dose, cough and pain was entirely relieved in 24 hours. Dr. Delaney's No. 1 Panacea will be found to be infallible for female complaints.
