

# Dimensions Healthcare Oversight Committee

c/o CHPDM/UMBC

1000 Hilltop Circle, SS 309, Baltimore, Maryland 21250

July 21, 2004

Dear Prospective Bidder,

Thank you for your July 2, 2004 submission of a proposal to Dimensions Healthcare to provide turnaround consultant services. Since that proposal was submitted, new information regarding the financial condition of Dimensions Healthcare has become available. A consultant report prepared for the Maryland Health and Higher Educational Facilities Authority (MHHEFA) indicates immediate action by the turnaround consultant should be part of the engagement.

Section 4.1.2 of the request for proposals is hereby amended to read as follows:

- 4.1.2 The Proposal should also indicate the Contractor's plan to provide on-site management services to Dimensions to direct implementation of recommended actions during the course of the engagement.

This modification of the RFP does not affect the criteria being used to assess the competing proposals. It is not necessary to submit new or revised material for consideration. Firms that do wish to submit any revisions to their proposal or staffing plans prior to final oral presentations may do so via e-mail to John O'Brien ([jobrien@umbc.edu](mailto:jobrien@umbc.edu)) no later than 3:00 p.m. Friday, July 23, 2004. It is the Oversight Committee's plan to have final oral presentations from a limited set of firms on July 29, 2004 between 2:00 and 6:00 p.m. Firms that are asked to make oral presentations should be prepared to discuss how the amendment to the RFP will affect their proposal, within the financial constraints specified in Section 5.2.5 of the RFP, which states: "The overall cost of the Contract may not exceed \$2 million."

Sincerely,

John O'Brien
