Office of Transitional Services

Greg Shupe, Director

This directory lists shelter programs for homeless people in Maryland. Included are emergency shelters, providers of transitional housing, and programs providing motel placement. Also listed are additional services such as outreach centers, soup kitchens, and referral services. The descriptions of services are not exhaustive and may only list a few of the most pertinent services of each agency. A listing in this directory does not guarantee that services will be provided upon request.

Agencies' information is placed into this directory upon request of the agencies. All shelters are subject to local zoning codes and other ordinances as applicable.
