

# EXECCONNECT

Listen | Learn | Leverage

ExecConnect is an executive level open discussion about industry and economic issues, ideas, opinions, strategies, tactics and future trends.

**LISTEN** to top executives from Maryland's fastest growing and innovative companies  
**LEARN** about the State's unique business landscape and leading next generation industries  
**LEVERAGE** business partnerships for economic growth and sustainability

#### Sponsored by:

Maryland Economic Development Commission (MEDC) & the Department of Business and Economic Development (DBED)

#### Attendees:

40-45 business and academic professionals and city, county and state public officials

#### Agenda:

**Optional Meeting.** The Maryland Economic Development Commission will host a regular bi-monthly meeting at the location. Company staff and special guests can listen and participate in Commission activities.

**Company Profile.** The ExecConnect host will provide a company/industry overview including economic impact, future growth trends and recommendations on ways the State can assist them in meeting their mission objectives.

**Roundtable Discussion.** Facilitated by the MEDC, host or special guest speaker, the designated topic/defining issue will be presented for an open discussion on ways to stimulate economic growth throughout the State.

**Note:** New concepts/ ideas developed during the discussion will be incorporated in the MEDC strategic plan implementation process and posted on DBED's Business Pulse E-Newsletter
