RE: Annual Report of the Senior Prescription Drug Assistance Program for FY 2012 - Enrollment, Fund Balance and Plan Changes – Pursuant to Insurance Article §14-512(f)

Dear President Miller:

Pursuant to Maryland Insurance Article §14-512(f), and subject to §2-1246 of the State Government Article, the Maryland Health Insurance Plan (MHIP) is required to report each year to the General Assembly regarding the number of individuals on the waiting list for the Senior Prescription Drug Assistance Program (“SPDAP”) and to provide certain information, to the extent the Board is able to collect the information, regarding out-of-pocket prescription drug costs for enrollees in SPDAP.

During FY 2012 SPDAP accepted new enrollees and did not have a waiting list. Currently SPDAP is accepting new enrollees and has no waiting list.

SPDAP has not had access to information that would allow us to determine the total annual out-of-pocket prescription drug costs of SPDAP enrollees.

If you have any questions or need any additional information, please do not hesitate to contact me.

Thank you for your assistance.

Sincerely,

Tate Showers
Interim Executive Director
Maryland Health Insurance Plan
