State Board of Elections
Annapolis, Maryland

Pursuant to the provisions of Election Law Article, Section 11, Annotated Code of Maryland, and the Code of Maryland Regulations, COMAR 33.08, I, Linda H. Lamone, Administrator of the State Board of Elections, hereby certify that at the November 2, 2010, General Election Chapter 633 of the Acts of the 2009 Maryland General Assembly was submitted to the voters of Caroline County in accordance with the provisions of Chapter 633 as follows:

Question A
Referendum by General Assembly
Selection of Board of Education Members

The members of the Caroline County Board of Education are currently appointed by the Governor. This proposal would amend the Education Law Article to provide that three members are elected and two members continue to be appointed by the Governor. The three elected members must reside in and be elected by the voters of the new Board of Education Districts that will be created by the County Commissioners. Please indicate whether you prefer the current appointment method or the proposed combination appointment and election method.

It is hereby certified that at the election Chapter 633 received 8,224 votes cast For a Board of Education Elected in Part by the Voters of Caroline County (3 members) and Appointed in Part by the Governor (2 members) and 1,111 votes For a Board of Education Appointed by the Governor. Therefore, the voters have elected For a Board of Education Elected in Part by the Voters of Caroline County (3 members) and Appointed in Part by the Governor (2 members).

Linda H. Lamone, Administrator
State Board of Elections

Pursuant to the provisions of Election Law Article, Section 11, Annotated Code of Maryland, and the Code of Maryland Regulations, COMAR 33.08, I, Linda H. Lamone, Administrator of the State Board of Elections, hereby certify that at the November 2, 2010, General Election Chapter 9 of the Acts of the 2010 Maryland General Assembly was submitted to the voters of the State in accordance with the provisions of Article XIV of the Maryland Constitution as follows:

Question 1
Constitutional Question
Maryland Constitutional Convention

Should a constitutional convention be called for the purpose of changing the Maryland Constitution? Under Article XIV, Section 2 of the Maryland Constitution the General Assembly is required to ask the voters every 20 years whether a constitutional convention should be called for the purpose of altering the Maryland Constitution.

It is hereby certified that at the election 897,239 voters voted in favor of a Constitutional Convention; 751,228 voters voted against a Constitutional Convention; and 216,817 voters abstained from voting on the question of whether the State should hold a Constitutional Convention. Therefore, Chapter 9 has been rejected by the voters.

Linda H. Lamone, Administrator
State Board of Elections

Pursuant to the provisions of Election Law Article, Section 11, Annotated Code of Maryland, and the Code of Maryland Regulations, COMAR 33.08, I, Linda H. Lamone, Administrator of the State Board of Elections, hereby certify that at the November 2, 2010, General Election Chapter 480 of the Acts of the 2010 Maryland General Assembly was submitted to the voters of the State in accordance with the provisions of Article XIV of the Maryland Constitution as follows:

Question 2
Constitutional Amendment
Trial by Jury

Authorizing the enactment of legislation to limit the right to a jury trial in a civil proceeding to those proceedings in which the amount in controversy exceeds \$15,000.

(Amending Maryland Declaration of Rights – Articles 5(a) and 23)

Under Articles 5 and 23 of the Maryland Declaration of Rights, a party in a civil proceeding has a right to a jury trial where the amount in controversy exceeds \$10,000. In cases where the amount in controversy does not exceed this threshold amount, a judge, rather than a jury, determines the verdict. The constitutional amendment would increase the amount-in-controversy limitation by providing that a party may not demand a jury trial in a civil proceeding unless the amount in controversy exceeds \$15,000, excluding attorney's fees if attorney's fees are recoverable in the proceeding.

It is hereby certified that at the election Chapter 480 received 1,079,585 votes cast for the adoption and 566,395 votes cast against the adoption. Therefore, Chapter 480 has been ratified by the voters.

Linda H. Lamone, Administrator
State Board of Elections

Pursuant to the provisions of Election Law Article, Section 11, Annotated Code of Maryland, and the Code of Maryland Regulations, COMAR 33.08, I, Linda H. Lamone, Administrator of the State Board of Elections, hereby certify that at the November 2, 2010, General Election Chapter 481 of the Acts of the 2010 Maryland General Assembly was submitted to the voters of the State in accordance with the provisions of Article XIV of the Maryland Constitution as follows:

Question 3
Constitutional Amendment
Qualifications for Baltimore City Orphans' Court Judges

Requires judges of the Orphans' Court in Baltimore City to be members in good standing of the Maryland Bar who are admitted to practice law in Maryland.

(Amending Article IV, Section 40 of the Maryland Constitution)

Under the Maryland Constitution, the voters of each county and Baltimore City elect three judges to the Orphans' Court of their respective jurisdictions, with the exception of Montgomery and Harford counties, where circuit court judges sit as the Orphans' Court. The judges must be citizens of the State and residents, for the preceding 12 months, in the city or county in which they are elected. The constitutional amendment would add an additional eligibility requirement for judges of the Orphans' Court in Baltimore City, requiring them to be members in good standing of the Maryland Bar who are admitted to practice law in Maryland.

It is hereby certified that at the election Chapter 481 received 1,350,057 votes cast for the adoption and 267,600 votes cast against the adoption. Therefore, Chapter 481 has been ratified by the voters.
