OPENNING PRAYER
MARYLAND STATE SENTATE
January 11, 2012
Fr. Peter Daly

GRACIOUS AND LOVING GOD,
YOU ARE THE CREATOR OF US ALL AND
THE SOURSE OF ALL THAT IS GOOD.

YOU HAVE BLESSED THE PEOPLE OF MARYLAND WITH MANY GIFTS AND YOU HAVE ENTRUSTED THIS SENATE WITH THE WORK OF GOOD GOVERNANCE.

WE PRAISE YOU AND THANK YOU FOR THE OPPORTUNITY TO SERVE YOU AND OUR FELLOW CITIZENS IN THE WORK OF GOVERNMENT.

GRANT TO EACH SENATOR AND TO ALL THEIR STAFF MEMBERS A PORTION OF YOUR HOLY SPIRIT.

GIVE THEM A SPIRIT OF WISDOM TO DICERN WHAT IS JUST.

A SPIRIT OF FERVOR THAT THEY MAY SERVE WITH DEDICATION.

A SPIRT OF SOLIDARITY THAT THEY WORK FOR THE COMMON GOOD.

AND A SPIRIT OF CHARITY THAT THEY MAY CARE FOR THE LEAST FORTUNATE AMONG US, ESPECIALLY THE SICK, THE POOR, THE CHILDREN, THE HANDICAPPED, AND THE ELDERLY.

MAY ALL OUR ACTIONS HONOR YOU AND BE WORTHY OF YOU.

MAY THE SERVICE OF THE OFFICIALS HERE BRING A BLESSING ON OUR STATE AND HER PEOPLE AND RENDER TRUE PRAISE TO YOUR HOLY NAME.

AMEN.

Rev. Ceres St. Cyr – 1/12/12

January 12, 2012

Our Father, our Lord, our God,

As we begin the second day of the 430th session, we pause to give you thanks. Thank you for the gift of life, family, love, leadership and the responsibilities that come with it.

You have blessed us with a calling to serve our state. None of us are here by accident. Behind the hard work of staffs, supporters, and our own campaign efforts, we recognize your divine appointment.

You, in your sovereignty, have seen fit to place us in office for such a time as this. Help us, Lord, to discharge our responsibilities for your glory and the good of our state.

All powerful, all wise, all loving God of heaven and earth: I pray for your grace to strengthen each Senator today and for the 88 days ahead. Fill them with love, joy, peace. May your power carry them through the fatiguing days ahead. I ask for your wisdom to guide them. May your humility enable each to be teachable and open to others. May your courage embolden them to stand firm against misguided pressure.

I pray for your protection over their families and health. Strengthen their marriages, watch over their children and grandchildren. Help them balance the weight of senatorial responsibilities with family commitments. I ask that you grant them good health. Guard them against sickness and accident.

You say in your Word, "Whether you eat, or drink, or whatever you do, do all to the glory of God."

May this 430th session, and this day - January 12, 2012 – be lived for your glory.

Rev. Sam Chamelin - 1-13-12

Almighty God, we give you thanks for the state of Maryland, for her land and for her people, gifts of your great love. Blessed with such an immeasurable gift, who are we that we should bear responsibility for her? So we pray for those who are charged with the care of Maryland. We remember our governor and lieutenant governor, our senators and delegates, county and local leadership. But on this day, we pray particularly for the Maryland Senate. With all fervor we ask you for your wisdom, that they might bring about justice and prosperity for all who put their trust in them. Inform their minds with divine truth and uphold their will with your divine grace. May they be ever mindful of the stewardship the people have entrusted to them – the very gifts of God. In return for this noble work, it is right that we should honor them for the office they hold and the work they do.

Above all things, may you grant that we all would be united as one state, under God, that Maryland might reflect your glory and beauty all of its days, a light to our nation and to the world. Long may we be known as the Free State. All thanks and praise to you, our Creator, for great is your love for us. Amen.

Dr. Donte L. Hickman Sr., Pastor of Southern Baptist Church

Prayer for the Senate

God we thank you for the many blessings we have already enjoyed in this day. We have been the recipients of new mercies and amazing grace and we are grateful. We are especially thankful today for the remembrance of one of your devoted servants, Dr. Martin Luther King, Jr. and how you empowered him to inspire us to live, love, and learn together. We ask that the justice and peace he envisioned, would permeate the essence of our core values, so that we might not persist in fear and dysfunction, but in faith and dependence upon your divine will.

We also ask that you would help these who are the servants of diverse communities and causes to continue in creative conflict, constructive conversations, and comprehensive choices that would preserve our endangered society. Let love abound where hate abides. And remind us in this room that there are other rooms we could be in if it were not for your grace. Let your will be done on earth as it is in heaven. Amen!

ALMIGHTY AND CREATING GOD, WE THANK YOU FOR BRINGING US TO THIS NEW DAY. YOU HAVE GIVEN THIS STATE MANY BLESSINGS, FROM FISHERMEN TO FARM WORKERS, TECHNOLOGY WIZARDS TO TEACHERS; ITS LAND, ITS WATER, ITS SKY AND ITS PEOPLE.

GIVE GRACE TO OUR DELIBERATIONS TODAY THAT WE MAY SEEK THE TRUTH, COME WHENCE IT MAY, COST WHAT IT WILL; AND GIVE US THE COURAGE TO USE OUR POWER TO HELP THE POWERLESS. HELP US TO WORK FOR JUSTICE AND SHARE OUR BLESSINGS WITH THOSE WITHOUT. **AMEN**

THE REV. PETER MAYER

RECTOR, ST. MARGARET'S CHURCH

ANNAPOLIS, MD

JANUARY 17, 2012

We commemorated the life of Dr. Martin Luther King with our holiday earlier this week. While there is sometimes a tendency to idolize or idealize Dr. King, as a teenager during the tumultuous 60s I certainly remember the vitriolic debates and violence associated with both the civil rights movement and the Vietnam War protests of that decade. Without, I hope, romanticizing that time or the heroes of that period, I do look back fondly on the idealism of that decade and the hope of the better society which flowed from key leaders. And while we can continue to debate the cost effectiveness of the legislation of those days, they are woven into the fabric of our society today.

What I do want to reflect on for a moment today is the nature of leadership reflected by MLK with all of his humanity. Dr. Martin Luther King, grounded in the prophetic tradition, offered a vision of a shared America for all American regardless of creed or color.

Consider just the final rousing lines of his words in August 1963, at the Lincoln Memorial once again:
And if America is to be a great nation this must become true. So let freedom ring from the prodigious hilltops of New Hampshire. Let freedom ring from the mighty mountains of New York. … From every mountainside, let freedom ring.
And when this happens, when we allow freedom to ring, when we let it ring from every village and every hamlet, from every state and every city, we will be able to speed up that day when all of God's children, black men and white men, Jews and Gentiles, Protestants and Catholics, will be able to join hands and sing in the words of the old Negro spiritual, "Free at last! free at last! thank God Almighty, we are free at last!"

Great leaders … tell great stories. A leader tells us a story about ourselves, about who we are, where we are in the universe, what's expected of us, what's worth fighting for, living for, dying for. A leader roots our personal narratives into this bigger and grander narrative so that our personal struggles take on cosmic meanings, far greater than the boundaries of our own personal lives. The leader inspires moral courage by offering us a place of significance in the universe --affirming that we matter in the grandest scheme of things.

Great leaders invite us to join a heroic journey. A journey that's not easy. A journey replete with obstacles, opposition, barriers and pitfalls to be overcome. Great leaders, unlike politicians, don't promise us what we want. On the contrary, great leaders demands sacrifice, sometimes great sacrifice. Our sacrifices are ennobling, elevating us. And in the end, the leader makes us believe that, some way or another, we will reach the Promised Land.

Those values were powerfully articulated in his final sermon in Memphis TN:
"Well, I don't know what will happen now. We've got some difficult days ahead. But it doesn't matter with me now. Because I've been to the mountaintop. And I don't mind. Like anybody, I would like to live a long life. Longevity has its place. But I'm not concerned about that now. I just want to do God's will. And He's allowed me to go up to the mountain. And I've looked over. And I've seen the Promised Land. I may not get there with you. But I want you to know tonight, that we, as a people, will get to the Promised Land. And I'm happy, tonight. I'm not worried about anything. I'm not fearing any man. Mine eyes have seen the glory of the coming of the Lord."

As we do the sacred work of governing our great State of Maryland may we have the faith and the courage and the vision to work together for the wellbeing of our community.

Eternal God, source of all life, you have ennobled and enabled humanity by making us Your partners to shape a better, more fair and more hopeful world.

As we join together at this 2012 Legislative Session of the Maryland State Senate, we are guided by our communal intentions to achieve justice, democracy and compassion we humbly ask:

That the tireless and courageous work of the honorable State Senators along with all of the dedicated civil servants of this great state continue to inspire and mobilize us to achieve the extraordinary promise of Maryland; to empower us all to follow our moral conscience as we aid in the elevation and inspiration of all people across the state.

Our Biblical tradition challenges us each as individuals, and as a community to judge righteously and benefit those in need. It evokes in us the confidence to transcend challenges, engage civilly with positive discourse and not disabling discord, devalue distractions and smash limitations so that one day we may know the fulfillment of Isaiah's dream in his appeal to You: *Open the Gates that the righteous nation that keeps the truth may enter.*

May that be the blessing of this day; may that be the blessing of our lives and may that be the blessing of th lives of future generations.

And let us say Amen.

SENATE INVOCATION

Friday, January 20, 2012

Rev Gary L. Moore, Easton District Superintendent of The United Methodist Church

Our Creator and Eternal Presence,

We bow before you this morning in this historic chamber of human governance as we ask You for your guidance in the midst of our competing interests and confusions. Keep us from confusing the issue of managing limited resources, which are always decisions about more or less, with the living out of our values of respect, love, courage, which are never either or, out of which there is an abundant supply.

For the citizen soldiers and airmen of the Maryland National Guard who serve here and in Afghanistan along with our Maryland active duty military personnel, we pray for them, their families and the officers who lead them.

Thank you for being the God who is for us. For we pray in your Name. Amen.

READ BY: SEN. NATHANIEL MCFADDEN

Prayer

Composed by Rev. Reginald W. Lawrence, Pastor of St. Mark's Institutional Baptist Church

Almighty God, Giver of life, Source of all wisdom; our Dwelling Place and our Provider; we come humbly to seek Your Presence and Your Providence as we assume the duties of this day.

We ask that You might quiet the noise of a chaotic world, that we might hear Your still, small voice.

We ask that You keep us safe within the strong tower of Your Name; safe from all that would distract us from the work before us or destroy the fruit of our labors.

We pray for Your light and guidance; that the pathway of our service might bend, without fail, toward that end where the efforts of those who serve meet the purposes of the God who called them to service.

For these we thank You, even as we ask You. Amen

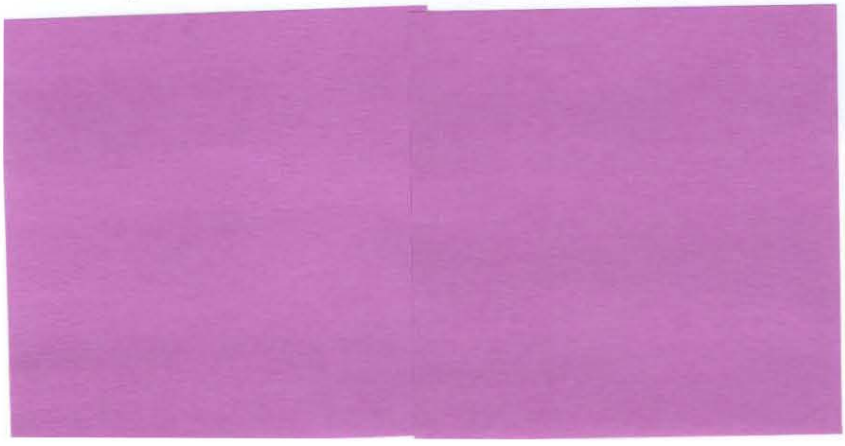

Invocation for the Maryland State Senate Session on January 24, 2012
Offered by Rabbi Binyamin Biber, a constituent of District 20,
at the invitation of Senator Jamin Raskin.

Thank you, Senator Raskin,
for the invitation to offer this morning's invocation.
Thank you all for welcoming me & so many others into this chamber.

We come here today from many places & by many paths.
Yet we all cherish certain shared ideals
that draw us together in this place
to toil for the common good of all the people
of this beloved land that we call our home.
Each of us here is very fortunate to have a home & job in this great state,
especially during a time when so many of our neighbors have lost theirs.
I come before you as a neighbor & one of many concerned Marylanders
to stand with those less fortunate
and to speak up for many others unable to be here with us.
From wherever we each may draw inspirations
to work for the common good,
our collective deeds must find their roots
in whatever sources of hope and love that may sustain us
and enable us to face the great challenges of our world.
We here all believe that we can each do our part
working with one another to improve life
for the diverse spectrum of people that comprises our communities.
We all believe that together we can & must engage in such labors of love
using our human compassion, experience, & reasoning,
our mutually respectful discourse & deepest listening,
and our own diligent endeavors that merge with those of so many others.
May our efforts this day & everyday help bring us all closer
to realizing the visions of justice & harmony & progress
that are at the heart of the democratic ideals that unite us.
May it be so. May we all strive together to make it so. Amen.

OPENING OF SESSION
INVOCATION
THE SENATE
OF THE
MARYLAND GENERAL ASSEMBLY

January 25, 2012

O God, in whose hand lies every human heart and who arrange all things according to a wonderful design, hear the prayer we offer for this assembly this day.

Bless those who have been called to serve the common good of our state with wisdom, integrity and insight.

Pour out upon them your gifts of prudence and good judgment, that they may be responsible and dedicated servants of the well-being of the citizens entrusted to their care.

Through their efforts, may the cause of the needy be attended, may the aspirations and hopes of all peoples be realized, and may authentic freedom bring forth true justice, security and peace for all.

We ask this in your holy name. Amen.

Rev. Msgr. J. Bruce Jarboe
Rector, Cathedral of Mary Our Queen
Baltimore, Maryland

Fr. Bill Ortt January 26, 2012

Lord, keep this nation under your care and bless the leaders of our land, that we may be a people at peace among ourselves and a blessing to the world.

We pray for our country, and our state, our counties, cities, towns, and villages, and for all of the people; We pray for all those who serve the people and the law of the land: in the Executive, Legislative, and Judicial branches of our government. In particular this morning I pray for the Maryland Senate in its work.

As these men and women strive together to govern on behalf of the people of our State, grant them grace so that in the midst of the complexities, uncertainties, economics, power and politics that is their business, that they find sufficient commonality of being, conviction and purpose, to perceive a great and sound vision for the future, the just means to prepare for it, and the will to achieve it.

Grant them hope and wisdom in the ordering of their lives and as they work together, that they serve with dignity, compassion, honor, and patience in these changing and challenging times, and that they exercise their responsibilities cooperatively with justice and for justice.

May they hold each other to account fairly, and encourage and support each other as leaders and servants in this government for the wise stewardship of the resources, authority, and power placed in their trust.

I pray that they put away from themselves all temptations to resort to the lesser things which divide and demean, and that they are delivered from rancor, fear, pride, greed, despair, and bitter partiality.

I thank you for these people who have undertaken these duties. Unite them in bonds of truth and strengthen them with your Spirit of wisdom. Inasmuch as it is possible, grant they work together in peace.

Almighty God, pour out your grace and mercy, strength and wisdom, gratitude and joy, upon all those who hold office in our state. From the bottom of my heart I pray that you protect them, help them, and guide them. And I ask that you bless them with every virtue and the courage of this sincere conviction - that they honor their promises, be resolute in their duties, and faithfully serve in their governance to promote the peace of the State and the well-being of its people. God bless all those who commit themselves to be shepherds of the common good. And God bless us all and guide us in paths of good work. *Amen.*

Almighty and Loving God,

You have created and are the power behind all things. This body of leaders has asked for your help in carrying out their charge from the people they represent. I ask that you give them wisdom to make good decisions, courage to make the hard decisions, righteousness to make the right decisions, compassion to make helpful decisions, and faith to make big and hopeful decisions. Guide their conversations, their actions, and their votes to be in accordance with your will for this state and for the world. We ask in confidence that you, our God, are a very present help to us all. Amen.

O Creator God
whose love is beyond all telling,
we come to You this evening, thanking you for giving us the great gift of life, that allows us to be here and serve you.

We thank you because you give us the opportunity to work with you for the good of all.

For this, we ask you to bless us and open our hearts and our minds,
so that all of us, but in a special way, those who work directly for the people of this State, can be your co-workers in bringing justice and well-being to all people.

Bless all the members of this State Senate, and those who assist them. Grant them the grace to appreciate the great trust and responsibility that has been given them.

Make them always aware that they must answer not only to their constituents, but also to their own conscience, as they recognize the fundamental, inalienable rights of all people.

Help them, O God, have the courage to enact laws that are just and merciful, and give them the understanding that any power them may exercise is ultimately an expression of Your ultimate power over our lives.

May their loved ones know that their sacrifice is appreciated as well, and that the people of this great state understand that families of public servants also serve.

Finally, O Source of all life, bless these Senators for their efforts to protect all those whose lives have been entrusted into their care. May they be graced with strength, wisdom and humility as they accomplish the work of the people they serve.

"So be it " - Amen.

Senate Session Prayer – February 1, 2012

Reverend Steven Hall

Lead Pastor Heritage Community Church Severn, MD

Dear God, nothing is good but you! I am near good when I am near you. To be like you, is a glorious pursuit. Your goodness is my magnet, my attraction. You are all my good in times of peace, my only support in days of trouble and my one sufficiency when this life should end. Help me to see how good your will is in all things. And even when it crosses mine, teach me to be pleased with it. Grant me to feel you in shelter, in warmth, in food, in fellowship and every blessing. To see that you're many gifts and servants are but your hands caring for me.

You are the bottomless fountain of all good, I give myself to you out of love, for all I have or own is yours; my goods, family, community, church, self; to do with according to your will. My singular desire is to honor you by all I am and by all I possess.

If it is consistent with your eternal purpose and the great ends of your glory, then bestow upon me and your people the blessings of your comforts. If not, let me resign myself to your ***wiser*** determinations and humble myself, desiring supremely your will not mine.

In this fleck of moment, on the timeline of eternity, intervene with your wisdom born from the labor of these proceedings in this chamber. You have appointed these officials, and you are their authority. May your will be done on earth through these officials, as your Spirit purposes.

Finally, regarding these public servants and their staff, please prosper every aspect of their lives. May they, in an undeniable way, sense your hand on their life. Amen.

Invocation ~ Maryland Senate, Thursday, February 2, 2012

Rev. Steven L. Johns-Boehme, First Christian Church Hagerstown

Against a Closed Sky

O to that to whom we go
or
to that to which we turn
when we need to move from ourselves
to beyond ourselves -
that which weaves meaning and purpose into our lives -
we admit that today we live
against a closed sky,
as if it was a diary
upon which continually was written
the hopes of opening.

Our world of well-being has
a very low ceiling
and we mind the closeness
and notice the restrictiveness.
It will take an emergent wind
to break open
our vision enough
to imagine
new governance.

And so we ask for openings
of homecoming,
of freedom,
of enterprise,
of chances,
of renewal,
of transformation,
even
of resurrection.

So catch us up this time
into realities of good purpose
that address the needs of this state.
Give us good ears,
(perchance there is a word for us).
Give us grace and courage to listen,
to answer,
to care,
and to rejoice.

Move powerfully in our body politic:
move us toward peaceableness
that does not want hurt or revenge,
move us toward justice
that the troubled and the forgotten may know care,
move us toward invitation
that all may be part of the whole,

Give us a different rhythm
of candor and cooperation,
of engagement and debate,
of wisdom and legislating
of hope and promise.

Give us not the politics of party,
but of public good.

And so we watch
for openings of new governance
that has a sense of goodness
with citizens that care about the public face.
And we wait for a new descent
of spirit among us.
Until then,
we stay huddled,
but for all that
we *will* remain candidates
for newness
against a closed sky. Amen.

PRAYER BEFORE
MARYLAND STATE SENATE
February 3, 2012

Men and women of the Maryland State Senate, I sincerely and humbly appreciate the opportunity to invoke Almighty God on behalf of the members of this body.

Let us pray:

Most kind and gracious Heavenly Father, we humbly stand before You this day and petition You for the divine wisdom and guidance that You alone can provide. Lord, You know we are living in times that are challenging, even perilous, that things are spinning out of control, that we are standing on a precipice and could be in danger of losing our society as we know it. Lord, we desperately need Your divine intervention for apart from You we will not find the answers to the ills that plague our culture.

In Your Word, You call for a man to stand in the gap for You on behalf of the land. I pray that the men and women of this body would boldly make that stand:

- That You would open their eyes that they might see;
- Open their ears that they might truly hear;
- That they would be able to differentiate between what is good and what is evil and boldly stand up for that which is good;
- That their decisions would not be swayed by special interests but that they would be men and women of integrity and Godly character; and
- As they are making the decisions that will affect the people of this state, may they always be aware of this fact, that one day they will stand before You and give an account for the decisions they made in this life and in their positions as state senators.

Almighty God, we need Your divine intervention in these perilous times as perhaps we have never needed it before. I ask that You guide and direct this body in such a way that it would not only be for the good of the people of this state but also in such a way that it will bring glory and honor to You.

We close our humble petition to You, Father, with Your own words:

"If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land."
2 Chronicles 7:14

Gracious and loving God,

We come before you today with grateful hearts, aware that you have already blessed us this day with the breath of life, with people surrounding us that we can call brother and sister, and with a common task and purpose to make our world a better place for all people, indeed for al that lives on the face of the earth. And so first, we give thanks to you, Creating and Sustaining God.

Believing that you love all people and all who inhabit this glorious world, we are glad to be placed in this place and time, in this corner of your creation that we call Maryland. Coming from across the land, from ocean to bay to mountains, from farm to town to city, we are grateful to be here to serve, but we also know that the season still looms large before us, and so we seek your guidance and wisdom in all things. I lift up to you this evening, O God, these elected legislators gathered here tonight. Their challenge is great, as they represent a land of growing diversity, in a culture that at times can seem bent on division.

Remind all of us gathered together in this prayer of the importance of speech and words in a time such as this. The people of Maryland look to these, their elected representatives, to spea on their behalf. We pray for the leaders here, Lord, that they may speak well, that the laws they pass may be written well, that every word that comes forth from this meeting be a word that advances the twin causes of peace and justice. While it is true that some of the debate of these sessions will be to determine what peace and justice look like in this here and now, may the clarity and generosity of your peace and justice be a guide. May these leaders bring to mind that not only is the content of the speech from this hall important, but so also is the dignity with which all people are treated. Remind us that the language that is used here can b a means of grace for the sake of our communities. And not least of all, may the gift of listening also be present in this session.

Speak to us, Lord, your words of wisdom, for we, your servants are listening, and may all that you envision for us come to pass. We pray in your holy name. Amen.

Rev. Rebecca Iannicelli
Pastor, Community United Methodist Church, Crofton, Maryland

O God, who sits high and looks low, we come this morning to take time before the busyness of this day to begin by praising You.

We praise You for all the works of your mighty hand. We praise You for the glories of creation. We praise You for calling on us, Your unworthy servants, to be stewards of creation. We praise You because You are God all by Yourself. Lord God, we are going to do a lot of talking today, but we want to begin our talk by thanking You. Oh, if we had a thousand tongues, we could not thank You enough for all You have done, are doing, and will do for us.

Thank You Lord for this great country in which we reside-land of the free and home of the brave.

Thank You Lord for this great state of Maryland and all the gifts You have blessed us with from our glorious natural resources to our amazing human resources.

Thank You Lord for seeing fit to call each and every man and woman in this room to a position of leadership and a position of humble service.

Today, as we begin this session of lawmaking, we ask like Solomon, for Your wisdom, Lord God. We know that there are many forces trying to influence us but, Lord we pray for Your influence, Your guidance, Your sweet Spirit. So Lord God as we discern bills and are in hearings on issues ranging from the environment to off-shore energy and smart growth, help us to remember that You have called us to be stewards of creation. As we deal with budget issues like transitional housing, school construction, farm subsidies, scholarships for our veterans, and not doing business with Iran, give us an ear Lord not necessarily for the loudest lobby but for that which is most just for the people we serve, the people of Maryland.

Lord God, as we study and listen to explosive issues where our constituents can be divided, especially in areas of redistricting and same sex marriage, help us again to hear Your voice and to do Your will.

We know, Lord God, that You have called by name each and every person in this room. You have placed them here. Continue to use them in mighty ways. Speak to them. Bless them, their families and the people of the great state of Maryland. Help them today, even when they are tired, to answer Your call to serve saying, as was said of old, "Here am I Lord. I come to do Your will.

We pray this in the name of God who lives and reigns forever and ever,

Let everyone say,

Amen

Prayer for Senate

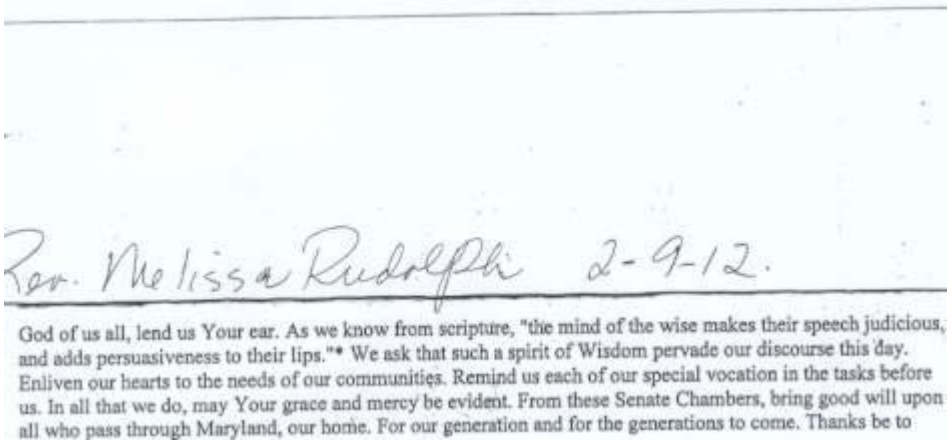

Loving God, as the Maryland Senate opens for its public work today we seek spiritual guidance and moral courage. Those who are elected from different areas of the state come to provide leadership for the whole people of this wonderful state.

We pray today that you direct their work and that you will use the strengths of each to bring about a result greater than each individual. We seek wisdom, judgment, and discernment that transcends individual desire.

Bless O Lord, the President of this Senate and each one here with a heart for the people of Maryland. Empower them with boldness for leadership tempered with humility for service in this high office.

O God, Hear Our Prayer. Amen

God of us all, lend us Your ear. As we know from scripture, "the mind of the wise makes their speech judicious, and adds persuasiveness to their lips."* We ask that such a spirit of Wisdom pervade our discourse this day. Enliven our hearts to the needs of our communities. Remind us each of our special vocation in the tasks before us. In all that we do, may Your grace and mercy be evident. From these Senate Chambers, bring good will upon all who pass through Maryland, our home. For our generation and for the generations to come. Thanks be to

Maryland State Senate Invocation – February 10, 2012
Rev. Timothy Kromer

Holy and Loving God, from the snow-covered mountains in the west to the sunlit coast in the east, we thank You for the natural wonders of our state. Thank You for the vast diversity of people who live in our cities, towns and countryside. Thank You for the wide array of businesses and economic opportunities we find here. We are truly blessed to live in Maryland.

We also thank You this morning for the members of our Senate, gathered here. Lord, be with our lawmakers during today's agenda and deliberations. Give them patience to wait for Your guidance and give them courage to follow where You lead. Remove any pride from their hearts and replace it with a spirit of humility and unity. Open their eyes to see the needs of the poor in our state. Open their ears to hear the cries of those who are still oppressed by hurtful laws. Open their hearts towards love and compassion for all of Maryland's people, young and old, rich and poor, black, brown and white, gay and straight, the sick and the well, the native and the immigrant, the documented and the desperate – bless the members of this Senate with love and compassion for all people, for we are all Your children. And guide them today so that Your will may be done on Earth as it is done in heaven.

May this be a productive day for our Senators because they have placed their trust in You. We pray these things in Your sacred Name. Amen.

God of all generations, be present with us as we return to this chamber. Our servants have connected with constituents, checked in with family, and participated in commerce and charity; I pray that in the midst of busyness, they have found rest. On this night as our Senate returns to legislate, let them do so in Lincoln's spirit, "with malice toward none; with charity for all; with firmness in the right."[i] As arguments are put forth and decisions made, let civility ring through this State House, then and only then, can "we finish the work that we are in."[ii] Amen.

Prayer for the Maryland Senate, February, 2012

Creative Spirit that moves in all things, Source of all that blesses us:

These good people are gathered in this chamber to shape and change the world this da every day, that they gather here. These senators, you senators, move people and mone and lives with your voices and votes in this chamber. You all know well what happen here and how. You know what works and what doesn't work. You know what is hon and what is dishonest, what is effective and what is useless, what is posturing and wha real and what is required.

That's a lot for this relatively small group, in this relatively small – though very grand space. And there's more:

You are representatives of an extraordinary range of people who depend on you to kee our lives peaceful and promising. Your charge is simple and impossible and essential: keep us all safe and well. All the creatures that dwell in our bay and on our lands. All the farms and forests and wetlands and roadways and riverways. All the people that dwell in these places: the straight people and the gay people, people of all colors who grew up far away or nearby, all the children and all the elderly, all the employed and a those out of work, the business owners and the laborers, immigrants and longtime Americans, those with money and those with none, those with rights and those with n those of all faiths and those of none.

Despite the unhappy spirit moving in this nation, the spirit that condemns government and its servants, you are here because hundreds of thousands of people believe in you.

Do not forget that we believe in you. Do not become callous or closed-minded or instruments only of those persons known as corporations. No one prays, or fears, for voice and needs of money and power, nor do I fear they will let you forget them here.

Justice. Compassion. May you senators uphold justice and compassion as keenly and truly as I am trying to speak them to you, and, on your behalf, to the most high. May your work this day and every day, be wise, a record all people will be proud of. May your understandings and decisions respect the inherent worth and dignity of every hu being, and the fragility and ultimacy of this world we share with all living creatures.

Our precious Heavenly Father, O God, the fountain of wisdom and of strength, whose will is good and gracious, and whose law is truth;

I thank you for this opportunity to stand before such a wonderful group of servants, who have heard the call of public service and have answered that call. I lift them and this state into your presence. I especially call the name of Senator Norman Stone, you have guided him mightily for 50 years in the sacred chamber of this State House, where many laws have been implemented. I pray your hand of continual guidance be upon him.

Now Father, as we begin another day, I pray that you be with the leaders of this state. Strengthen them with boldness, give them infinite wisdom to make sound and solid decisions, give grace to your servants and give them foresight to provide for the needs of all your people, and to fulfill obligations in our state.

Many of those decisions, the answers can only come from you. Give your sons and daughters the comfort of peace that only satisfies the soul when the right decisions are made.

Father, I ask you right now to heal our land, heal our families, continue to heal Senator Jennings' dad. What a storm he has been through, a great leader in our area, heal him completely, I pray. And finally, teach our people to rely on your strength and to call upon your name.

And all of God's people say, Amen & Amen.

Senate Prayer – February 16, 2012
By Pastor Allan Gorman

Gracious God,

Your Word declares that You are over all the affairs of men and women. You have known us since we were being formed in our mother's womb. You are familiar with all our ways, nothing is hidden from You. All our days were ordained by You before one of them came to be. Somehow You have known from the foundation of the world, that we would be assembled here today. It has never been before, and it will never be again, not exactly like this. How very momentous. We will not pass by *this* way again. So how very necessary is our call to You to come, abide here today. Aside from You there is no true wisdom. That's why we petition Your Presence right here, right now. Come Lord, come into this room right now in an extraordinary way.

I read in Your Word, when necessary, Your own finger drew words in stone for commands for Your people, and then a prophetic warning to a nation on the brink of total disaster etched in a wall. God we need that kind of clarity today. We have big issues facing us. You have drawn these servants together to legislate the boundaries and rules for every day living among us in this state. Their hearts and minds deliver words to paper that become law. Their values become our values. The authority You have assigned them shifts the social fabric of our collective communities. So preserve Your ways in them, so Your ways will be preserved among us. Speak to them of Your statutes, so Your principles will be known on our streets. Forge in them Your character Oh God, so that among the rest of us, Your Kingdom comes and Your will is done.

This morning we cry out for Your wisdom. You say Your wisdom is first of all pure – so root out of us motivations that attack integrity and replace them with holy intent. Your wisdom is peace loving, an aggressive, hope-filled Shalom creating peace, nothing missing, nothing broken. Your wisdom is considerate, humble, putting others before ourselves. It is submissive and willing to yield. Break our tendency to think that *our* way is best, instead keep us staked to Your truth, Father, not thrown back and forth by every wave of opinion. May we be full of mercy and good fruit. May your wisdom produce the good fruit for which we long - for our families, communities, state and nation. Grant us the extraordinary grace of impartiality, so we treat everyone with dignity, while preserving your Holy design over human definitions – for your boundaries are our safety, our life, Oh God. And Lord, help us to be genuine and sincere, to mean what we say and back it up with lives that demonstrate Your grace and truth.

Oh Lord, as desperate as we are for an economic recovery, we need a recovery of our souls even more. As much as we need a revival of neighborhoods and communities, much more we need a revival of our passion for You. As deep as our longing for enhancements to revenues, may we be even more desperate for things that will produce character enhancements for all Marylanders.

May this gavel's crack split the skies over this house and open heaven so You can come down and move over our precious city Baltimore, our counties, our state.

In the Master's Name, Amen.

- O LORD, you have searched me and known me! 2 You know when I sit down and when I rise up; you discern my thoughts from afar. 3 You search out my path and my lying down and are acquainted with all my ways. 4 Even before a word is on my tongue, behold, O LORD, you know it altogether. 5 You hem me in, behind and before, and lay your hand upon me. 6 Such knowledge is too wonderful fo me; it is high; I cannot attain it. 7 Where shall I go from your Spirit? Or where shall I flee from your presence? 8 If I ascend to heaven, you are there! If I make my bed in Sheol, you are there! 9 If I take the wings of the morning and dwell in the uttermost parts of the sea, 10 even there your hand shall lead me, and your right hand shall hold me. 11 If I say, "Surely the darkness shall cover me, and the light about me be night," 12 even the darkness is not dark to you; the night is bright as the day, for darkness is as light with you. 13 For you formed my inward parts; you knitted me together in my mother's womb. 14 I praise you, for I am fearfully and wonderfully made. Wonderful are your works; my soul knows it very well. 15 My frame was not hidden from you, when I was being made in secret, intricately woven in the depths of the earth. 16 Your eyes saw my unformed substance; in your book were written, every one of them, the days that were formed for me, when as yet there was none of them. 17 How precious to me are your thoughts, O God! How vast is the sum of them! 18 If I would count them, they are more than the sand. I awake, and I am still with you.

Senate Prayer
2012

Almighty God, our father, everything we see and everything we can't see exists because of you alone. It all comes from you, it all belongs to you, and it all exists for you. History is your story. The Scripture tells us, 'The Lord is our God, the Lord is one.' We pause to pray because you are the compassionate and merciful one; you are loving to everyone you have made.

I ask you to give the men and women in this room the wisdom to lead us with humility, the courage to lead us with integrity, the compassion to lead us with equality. Help these public servants to serve and to seek the common good of all. Remind them that one day, all nations, all people, and especially those of us given the responsibility to lead, will stand accountable before You. Bless and protect them.

Lord, when we focus on ourselves, when we fight each other, when we forget you, forgive us. When we presume that our greatness and our prosperity is ours alone, forgive us. When we fail to treat our fellow human beings with the respect that they deserve, forgive us. And as we face the challenging days ahead, would you in your mercy give us a new birth of clarity in our aims, responsibility in our actions, humility in our approaches, and civility in our attitudes—even when we differ.

I humbly ask this in the name of the one who taught us to pray:

Our father, who art in heaven, hallowed be they name. They kingdom come, they will be done, on earth as it is in heaven. Give us this day our daily bread, and forgive us our trespasses, as we forgive those who trespass against us. And lead us not into temptation but deliver us from evil, for thine is the kingdom and the power and the glory forever. Amen.

Good Morning…Let us pray:

Gracious Heavenly Father, as we gather today, we thank You for Y continued blessings in our lives and for the high honor to serve as Senators for the state of Maryland.

In this great chamber, so rich in history, there is a joyous yet heavy responsibility – the sure knowledge that we are Your servants, orda to do Your work. Your Scripture states, "***For there is no authority except from God, and those which exist are established by God.***"

Father, we need Your help. The decisions facing this Senate body v shape our way of life and ultimately define us as people before You humbly pray for Godly wisdom to be given to each Senator to do ri and "honor the past yet leave a legacy" for generations to come.

Father, we call out to You. Let each Senator embrace their responsibility before You – a responsibility deeply rooted in a truth does not change or waiver…truth that is rooted in Your very charac and essence that defines You.

Today, lift-up the Senators of Maryland, embolden them mightily, g them strength to be a *David before Goliath*...a *Daniel in the lions d* …to choose according to the dictates of their conscience, yet embra the words of the prophet: ***"to do justice, to love mercy, and to walk humbly before our God."***

Finally, we thank You, God, for the brave men and women serving harm's way. Protect our soldiers and their families.

In this Senate chamber, as always, we ask you to "***bless us and keep make Your face to shine on us…be gracious to us; Lift up your countenance on each one here, and give us peace in all we do."***

All This We Ask, In His Name We Pray, AMEN!

A Prayer for the Maryland Senate

As a parent encourages a child or a mentor calls forth the hidden potential of an intern, Lord our God, may You bless all those who work as part of the MD Senate, especially our newest Members and their Support Teams.

Remove any fear and confusion, which only inhibit good judgment and leadership. Strengthen the resolve and compassion of all Members, that they may serve Your people with renewed clarity of vision and refined purpose that will unify this State in self–discipline and confidence.

For You have promised to grant wisdom generously to anyone who is willing to simply and humbly ask for it. May Your guidance O God, bring forth both Your peace and prosperity for all of our citizens.

Opening Prayer
Maryland State Senate
Feb. 23, 2012
Bishop G. Randolph Gurley Presiding

OUR MOST HOLY HEAVENLY FATHER, WE COME BEFORE YOU NOW AND HUMBLY ASK THAT YOU LOOK FAVORABLY UPON OUR PETITION THAT WE BRING BEFORE YOU THIS HOUR.

YOU OH LORD ARE THE POTTER AND WE ARE BUT THE CLAY, INTO WHICH YOU HAVE GIVEN THE BREATH OF LIFE AND THEREFORE HAVE DOMINION OVER THE LIVES OF MANKIND. SO AS YOUR CHILDREN WE ASK THAT YOU LOOK BEYOND OUR FAULTS AND SEE OUR NEEDS, AND GRANT US DIVINE FAVOR.

WE COME TODAY LIFTING UP EACH ONE OF THESE MEN AND WOMEN THAT SET IN THIS SENATE ROOM, AND ASK FOR YOUR RICHEST BLESSINGS UPON THEM.

YOU HAVE INSTRUCTED US IN YOUR HOLY WRIT, "SHOULD ANYONE LACK WISDOM, LET THEM ASK OF YOU WHO GIVES WISDOM TO ALL, LIBERALLY!"

PLEASE GRANT THAT GODLY WISDOM TO EACH OF THESE LEGISLATORS WHO SET IN SUCH AN AWESOME PLACE OF RESPONSIBILITY. HAVING SET BEFORE THEM THE OBLIGATION OF DECISION MAKING THAT EFFECTS THE CITIZENS OF THIS STATE DURING THESE TIMES OF ECOMOMIC DOWNTURNS, UNEMPLOYMENT, AND RISING FUEL COSTS, COUPLED WITH THE CONCERN FOR THE SAFETY OF OUR CITIZENS, CERTAINLY MAKES THEIR JOB ALL THE MORE DIFFICULT.

(1)

YET WE TRUST WITH YOUR DIVINE GUIDANCE, THESE CHOSEN MEN AND WOMEN WILL CARRY OUT THEIR DUTIES WITH THE INTEGRITY AND RIGHTEOUS CHARACTER THAT IS BEFITTING FOR THE HONORABLE POSITION THAT EACH OF THEM HOLD AS THEY REPRESENT THE CONSTITUENTS OF THIS STATE, WHO HAVE PLACED THEIR TRUST IN EACH OF THEM.

SO GRANT UNTO THEM THE KNOWLEDGE AND FORESIGHT AND THE MORAL CONVICTION THAT IS NECESSARY IN THE DECISION MAKING PROCESS THAT WILL INSURE THE PEOPLE OF THIS STATE, A BETTER PLACE TO LIVE AND A BETTER QUALITY OF LIFE.

IF IS WITH FAITH, AND GREAT EXPECTATION THAT WE HAVE MADE THIS PETITION KNOWN UNTO YOU OH GOD AND WE TRUST THAT YOU WILL BLESS EACH AND EVERYONE OF THESE SENATORS WITH YOUR RICHEST BLESSINGS.

MAY GOD BLESS THE GREAT STATE OF MARYLAND AND THE UNITED STATES OF AMERICA.

IT IS IN YOUR HOLY NAME THAT WE HAVE APPEARED BEFORE YOU AND TRUST THAT YOU HAVE HEARD AND YOU ARE ANSWERING THIS PRAYER AND THY WILL BE DONE.

IN YOUR NAME WE PRAY, AMEN

Almighty God, I am humbled and give thanks for the opportunity to offer prayer this morning. I come to you in prayer on behalf of those gathered in this Chamber. They are those who have responded to a call and been elected to be servant leaders in a government of the people, by the people and for the people. I ask that you continue to give them what is needed and necessary to serve in that capacity. These are not easy times to be in service for the people.

I pray for those in this place who serve people. One day they may be praised and the next day they may be vilified. They serve people who may be counted among the rich and the famous and those counted among the least and the lost. They serve those who have lived in this state for generations and those who are recently from other states and other nations. They serve people who come from many walks of life and make many life style choices. They serve those who believe and those who choose not to believe. This is one of those positions in which service is not easy.

I pray to you on their behalf this morning. I ask that you would give them courage to do the harder right rather than the easier wrong. We are living in a rapidly changing world due to technology and readily available information. It is not the world that we or our grandparents grew up in. Their world was one of barriers; racism, sexism, separate but unequal systems and segregated worship on holy days. There were those and may be some here today who heard the cries of the people. They began to do the work that was needed in this house so that barriers that separated became bridges that united. We thank you, God, for what you have done and will do through others with willing hearts.

I pray to You now, asking that You would give those under the sound of my voice insight into the world that has been, the world that is and the world yet to be. Let them see and understand the new barriers that have been and are being constructed to divide your creation. Help them to see the world through the eyes of their children, grandchildren and the children yet to be. Our children seem to embrace differences by seeking understanding first before making judgments. I pray that You would create in those in this chamber a heart of compassion that will create an open mind to understand what may be a bigger picture before decisions are made.

In closing, I pray that the men and women under the sound of my voice, hearing the words of my petition to you on their behalf would receive your guidance and wisdom. Let decisions be made today and beyond today that truly speak to the collective needs of the people of the great state of Maryland. Let these men and women respect one another and value the contribution of each member in this chamber. Lead them to lead one another to excellence in their work together so that the position that they hold may one day again be viewed as a position of integrity. May they all sleep at night knowing that the decisions they make have been made for the present and future well being of all the people they represent.

Almighty God, bless your world and your people. Bless the United States of America and our President, Barack Obama, our governor, Martin O'Malley, the state leadership and the people of the state of Maryland.

Amen!

February 27, 2012

Our heavenly Father, Lord, and Redeemer,

We call on you once again to lead us in our deliberations. The matters before us are weighty and affect the destiny of the present generation and the generations to follow. We acknowledge the restrictions of our human understanding and ask for divine wisdom that transcends our limitations.

You gave wisdom to the leaders of old through your prophet Micah as they sought to lead justly. Micah wrote, "O people, the Lord has told you what is good, and this is what he requires of you: to do what is right, to love mercy, and to walk humbly with your God." (Micah 6:8, NLT) May these chambers be filled with a pursuit of righteousness, mercy, and humility.

We pause to remember the family of Major Robert Marchanti whose life was taken needlessly. We ask for your grace and mercy to abound toward his wife Peggy and their four children – Aaron, Leah, Ian, and Jonah and their grandson. Help us to honor and to never forgotten Major Marchanti's service to our State and Country. His sacrifice reminds us of the extreme cost of freedom – politically and spiritually.

Father, I pray for your blessing and protection on our senators, staff members, and their families. During this time of great responsibility and days without enough hours, may they be sustained by your grace guided by your love.

We give You thanks and make these requests in Your Name, AMEN.

Invocation to the Maryland Senate

Annapolis, Maryland
February 28, 2012

Heavenly Father, we come to You as Creator of all living things, thanking You and praising You for our great nation. We thank You for the plan You gave to earlier generations by which to govern this nation and for the division of government powers so that our destiny does not rest in the hands of one person.

Lord, we pray for all government officials and especially for the national leaders of these United States. We pray for President Obama, that he may conduct the affairs of national government with wisdom, bravery, and true justice. We pray for the members of our Congress and Senate that they may truly represent the needs of this nation's citizens; make laws that are just; make decisions that would strengthen and prosper our nation, and work in harmony for the advancement of all men, women, and children. We pray for the judges that rule the courts of our land, that they may balance justice with mercy, and civil law with divine mandate.

Almighty Creator, you guide and govern everything with order and love. Look upon the Maryland General Assembly which has served nearly continuously from Maryland's founding in 1634 for over 370 years. Grant and fill Governor Martin O'Malley and all members of the Executive Branch, the Maryland State Senate (here present), and the Maryland House of Delegates the spirit of your wisdom, justice, counsel, and fortitude. May each act always in accordance with Your will; may they make right decisions concerning the politics, the social welfare, and the economics of our state; may their decisions be for the peace and well-being of all.

Lord, in your goodness, watch over those in authority so that people everywhere may enjoy freedom, security, and peace. Grant to all the gift of respect for lawful authority, justly exercised, that we may live as a united people, one nation under God.

May all governments of the world seek to reconcile power with the needs of society. May they all strive to form bonds of unity between countries, so that we may one day share a united world of prosperity and peace. Amen.

Donald A. Sterling

(Rev. Fr.) Donald A. Sterling, D. Min. Pastor,
New All Saints Catholic Congregation

Creator of All, be with those who have come into this chamber to do the work of the great state of Maryland. We ask your blessing on these leaders, that they may lead wisely and with civility and work together for the common good. Offer your strength and wisdom as they strive to serve with integrity and humility.

Source of justice, bless our state and all its inhabitants. Be with these leaders who serve diverse communities and causes, and guide them in creative conversations, constructive conflict, and compassionate compromise. May all the families who call Maryland their home be blessed with prosperity and opportunity.

Author of freedom, we ask your blessings on our beloved country and all who devote their lives to protecting her security and freedom. May our state long be known as the Free State. May your favor rest upon Maryland, her land and her people, that we may be a home for those who seek refuge, a light to our nation and the world, and a source of hope for all humanity. Amen.

Offered by the Rev. Karen F. Bunnell

March 2, 2012

God of us all, on this beautiful morning we have come here from all corners of Maryland - from the ocean's shores on the east, to the rolling mountains of the west, to the glistening waters of the bay in the middle of our wonderful state. We have gathered for this session of the Maryland Senate, and as we do, we give you thanks and praise for all the blessings you have poured upon us. Especially Lord, we give you thanks for this new day filled with opportunities, and most especially the opportunity to serve. It is an awesome thing to be given that opportunity, but it is also a heavy responsibility, so we pray that you would pour upon all here assembled the gifts needed to do their job - strength, courage, patience, humility, compassion, wisdom and discernment.

As they serve, O God, the members of this body have the opportunity to be instruments of hope and care in our fractured world. Toward that end, and in the words of St. Francis of Assisi, Lord, make them instruments of your peace; where there is hatred, let them sow love; where there is injury, pardon; where there is doubt, faith; where there is despair, hope; where there is darkness, light; where there is sadness, joy. Grant that they may not so much seek to be consoled, as to console; to be understood, as to understand; to be loved, as to love.

As they begin this session O God, grant to the members of the Senate and all of the people who support them, here and in the homes from which they came, a sure sense of your presence with them, your strength for them, and all the prayers that surround them. We entrust this session of the Maryland Senate to you, and we lift this and all of our prayers in your most holy Name. Amen.

INVOCATION
FOR THE MARYLAND STATE SENATE
5 MARCH 2012
The Rev. Dr. William F. R. Gilroy
Pastor Emeritus
St. John Lutheran Church – Linthicum Heights, Maryland

Eternal Father, source of all wisdom and knowledge, purveyor of grace and mercy, forgiveness and never-ending love, we ask your blessings upon those here gathered this night as elected leaders of the State of Maryland. Entrusted by their fellow citizens with the authority to make decisions that are just and righteous and in the best interest of all, we pray that in their deliberations and the conclusions that are reached your wise counsel is continuously sought so that your will might be done and, consequently, the decisions made will truly be for the good of those being represented.

Remind this distinguished body of the urgency of being prepared, ready, and willing to do the job to which they have been called. Allow your mercy to rest upon them. Allow your love to be in their hearts. Guide them to always seek and know the truth, and to allow the truth and your wisdom to guide them in all that they do.

Remind them, as well, that they are here because they have expressed their good faith and their willingness to serve their fellow man to the best of their abilities, and then help them to look to you always for guidance as they strive to successfully accomplish the mission they have accepted by assuming the office that is now theirs for this time to occupy.

Fill their minds, we pray, with useful knowledge that will enable them to make informed and appropriate decisions! And may what they do here and accomplish here be pleasing to you and to those they have been elected to serve and thus be of benefit to the entire State of Maryland.

In your Holy Name we pray.

Amen

Our Father in Heaven - Guard the members of this esteemed Senate. Instill within them the wisdom, courage, and determination to provide for the physical, as well as the spiritual, well-being of the citizens of this great state.

May this body – which hosts rigorous and robust debate – continue to embrace diversity without resulting in divisiveness. May it seek and celebrate unity without imposing uniformity. May this Senate, together with Houses of Worship across the state, promote justice, moral clarity, ethical living, righteousness, and acts of kindness.

As a member of the Jewish people, who have endured hardship and persecution throughout our history, I join this Senate in a prayer of profound gratitude and deep appreciation for the protections, privileges, and blessing that we, the people of the United States of America and the State of Maryland, enjoy.

Master of the Universe – Protect our courageous armed forces, watch over our elected leaders, grant peace and prosperity to this State of Maryland, the United States of America, and the entire world, and let us respond, Amen.

Prayer For Maryland State Senate

Heaven,y Father, Almighty God, the Creator of all things, Our Sustainer, Our helper, Our Guide, Strength and keeper, we thank you for this day.

We realize that it was you who kept us all night long. It was you who kept us safe. You have been our protector. You have been our shield. You have been our guide. Since January 11th we have entered these halls with the intent of guarding and guiding our state in an effort to improve the quality of life for all of its citizens. For 430 sessions, we have designed, guided and monitored the affairs of this fine state in an effort to enhance the lifestyles of the constituents in the 47 districts which we represent.

With your help, we have survived good times and bad times, seasons of feast and famine. We have grappled with issues such as balanced budgets, sales taxes, the needs of increased services in the backdrop of fiscal deficits. But you have guided us every step of the way. So, we come asking you to give us the wisdom, the grace and the courage we need to make even tougher decisions so that the citizens of Maryland live a better quality of life.

Keep our minds clear, our hearts pure and never let our passion wain. In the 30 days that we have left in this session, help us restore the hope of the people of Maryland in the political process in the representatives that they have chosen to be their voices. Help us let them know that we care and that our commitment to work across the aisles to bring solutions is unwavering.

Help us resolve our differences, never losing sight of our ultimate goal and responsibility, to protect their interest. May we not compromise our integrity nor get weary in well doing. For we know that if we reap and do not faint our labors will not be in vain.

Now, Lord please protect our families while we devote our time and energy to the service of others. Help us not lose sight of or allow us us to be robbed of meaningful relationships in our own personal lives. May our health and financial needs be met as we sacrifice our time and energy to insure adequate health and safety for our constituents.

Protect our families, provide for their needs, and keep us focused as we devote ourselves to the people of this fair state.
Keep us and we shall be kept; lead us and we shall be lead and guide us and we promise to follow, in your marvelous, powerful name we pray. Amen.

Dr. Leah White - March 7, 2012

Prayer for the Maryland State Senate on Thursday, March 8, 2012

By: Rev. Dr. Alvin C. Hathaway, Sr., Senior Pastor, Union Baptist Church

Let us pray: We enter a period of time when the order of the day is distrust, instability, and a general lack of common decency. We have been called individually and collectively to represent the best in public discourse, diplomacy, and decency. Transform our personal anguish, temperament, and tension into the public civility our Senate represents and the citizens of Maryland expect. We bear the awesome responsibility to legislate and lead our citizenry to a more perfect union. May we do it in such a way that You say, "Well Done!"

We feel the economic pressure of limited resources, international turmoil, and financial strain. We feel it our personal lives. We recognize in our public work. We entrust to the leadership of our Senate the honor and respect their leadership positions afford. It is not easy to come each session with the burdens of our constituents on our minds and the reality of the limits of local, state and federal government. Teach us how to do more with less. Teach us how to benefit from a shared cup, a common purpose, and Your sense of the Beloved Community.

May we be good stewards of our environment – the land, the wind, the water and the energy resources we must manage for future generations. May we be sensitive to the needs of those who are unable to afford lobbyists and advocates. May we become the advocates for the last, the least and the lost.

We are heirs to a beautiful state from the rugged terrain of the Appalachian Mountains, to the gleaming waters of the Chesapeake Bay, to the farm lands of Southern Maryland, and to the urban communities that dot our State. You have blessed us beyond all measure. We live in a bountiful land where we can harvest, hunt and fish. We are heirs to resources of one of the richest states in America. May we legislate in a way that our public resources are fairly and equitably distributed. May we be ever mindful of those who are in the bonds of poverty who have neither sufficient food, shelter nor employment opportunity. Usher us into a world when poverty no longer stunt's growth and feed crime. Teach us to eliminate greed, selfishness, wastefulness and deceit from our public way of life.

In these moments of silence, our hearts are thankful; our spirits rejoice, and our minds are at rest. In the silence of this moment, we feel your power; we acknowledge our neighbor; we pray for our families and loved ones. In this moment of silence, we commend the leadership of our Senate, the staff members who assist us, our colleagues in the House, our Governor, Lieutenant Governor, Treasurer and Comptroller and ask that you continue to protect and provide for each of them. Lest we forget, the Citizens of this great state of Maryland are upper most in our minds, they are waited, watching, listening, and praying that we remain faithful and true to the trust they have placed in each of us.

In Your Mighty name, we pray, Amen.

On this glorious Day in our state, we meet in the spirit of generations of visionary Marylanders--poets and politicians, priests and slaves--who have bequeathed to us a covenant of liberation, and faith on the path to freedom for all. America's poet Walt Whitman, who lived in Montgomery County, wrote in Song of Myself, "I speak the password primeval, I give the sign of democracy, By God! I will accept nothing which all cannot have their counterpart of on the same terms." Frederick Douglass, a slave born on the Wye Plantation, who would escape to Baltimore and become America's greatest abolitionist, taught us that, ""If there is no struggle, there is no progress. Those who profess to favor freedom, and yet depreciate agitation, are men who want crops without plowing up the ground. This struggle may be a moral one; or it may be a physical one; or it may be both moral and physical; but it must be a struggle." Margaret Brent, of St. Mary's County, often described as America's first feminist, petitioned the General Assembly on January 21, 1648 for the right to vote, nearly three centuries before it would come to pass and earned the enmity of those with power in England for being the first Lady to demand the franchise. Let us strive today, in a spirit of friendship and humility and faith and community, to do justice to--and to come to deserve--our own extraordinary legacy as Marylanders. "What we achieve inwardly will change outer reality;" Said Plutarch. And the Mishnah says, "It is not incumbent upon you to finish the task, but neither are you free to desist from it."

Senator Jamie Raskin

INVOCATION 3/9/12

Our Loving and Merciful God,

We come before you now asking that your presence and spirit of truth fill this chamber. We are gathered here for the creation of laws by which to govern our citizens. Give clarity of thought and submissive spirits so that we may be right with Your will for the people of Maryland. Grant that we many bring honor to Your Name in our proceedings. Give us the humility to lead and not to oppress. Show us the path of righteousness and justice. For you have shown us what is required, O Lord, to act justly, to love mercy and walk humbly with you. Give us direction and guidance tonight. All this we ask in Him who reigns supreme over us. Amen

Rev. Ken Valentine

3-13-12

This is a day of new of new beginnings, time to remember and move on. So here we are again ready to work. Creator God as we begin this legislative session we pray that we might listen to each other, and put personal agendas aside. May we never forget that we are here to represent the people of our community in the great state of Maryland.

We pray for the world in which we live. We lift up the leaders of our nation that strive for peace and justice in our time. We know that we have many means of communication in the world but fall short when it comes to hearing one another. Open our minds and hearts that we might truly work together for what is right and what is good.

May the true spirit of cooperation be at the center of all that takes place this day. May we always remember that love is more powerful then hate. May we always remember that we are one nation under your guidance with liberty and justice for all.

So let us go to work to bring about a better day for our state our nation and the world. In honor of the past, may we find joy in listening and working together in the present and continue to hope for things to come. So may it ever be. Amen

Maryland State Senate
Invocation
March 14, 2012

– Rev. Cynthia Terry

On our campus at Goucher, we have embarked on the Green Dot initiative to prevent power-based personal violence, by educating all of us to be active bystanders, to help us all learn to find a way to do something. We are following the adage, "No one has to do everything, but everyone has to do something." It so right for us, as we work to reduce and even prevent violence. And I feel that this is an excellent adage for you all, too, and the work you do here in Annapolis on our behalf. It is the efforts of all of you--your staff members, the delegates and their staff members—the work of *all* of you together is what allows things to happen. No one person does it all, but together, so much is accomplished when each does their part.

The more I am here, the more I grateful I become for the very hard work you do. And so I offer you these words this morning:

May these good people be blessed with the knowledge of our gratitude; may it help sustain them for the long days and nights that their work often entails.

May they be blessed with certainty that their work matters, that they do impact the well-being and safety and lives of Maryland residents.

May they be blessed with a sense of gratitude for the work of their staff members, who do so much to make their work lives smooth, and possible.

May they be blessed with clarity of thought, with quickness of mind, with openness to see in a different, perhaps new way.

And may the families of these senators be blessed with patience and humor as they wait out the end of the session, as they wait for more time with parents and grandparents and spouses.

May those within their circles of family and friends who are facing illness be blessed with healing in some way, with good care and steadfast company. May those who are grieving be comforted.

And finally, may these good people be blessed with stamina for the remainder of the session.

May it be so. Amen.

Prayer for State Senate – March 15, 2012

Creator God, as we arise to the beauty and possibilities of this new day, we thank you for a peaceful night of rest that has renewed us for whatever we face today. We thank you for work that gives life meaning, for families that give us grounding and security in the places we call home, for challenges that make life interesting, and for a growing faith and hope that, throughout all our days, you are present and active, guiding and correcting, supportive and nurturing.

For all the work that has been accomplished thus far in this session, we give you thanks and praise. For all the work that is yet to be done as the month of completion rapidly approaches, we pray for insight and fruitful debate and wise compromise and – in the end – accomplishments worth celebrating.

I pray that you, in your magnificent presence, will bring to this body – Senators, staff members, caretakers, volunteers, and Senate leaders – a strong sense of your love and your comfort and your healing touch wherever those qualities need to be experienced. I pray that you'll also continue to be with and impart wisdom and guidance upon Governor O'Malley and all others who govern our state all through the year.

I also pray for those family members who go about their lives and their work in these months when their loved ones are doing the business of this assembly. May those who work so earnestly to maintain a healthy state government work just as vigorously to maintain healthy family relationships.

Bless us this day, Lord God. And at the end of this day, may we rest peacefully so that we might return refreshed for another new day tomorrow.

Holy God of all people, you express yourself in many forms and many faiths. In your holiness we see that each of the world religions created by humankind, actually have more in common that we hold as differences. We praise you today for the freedom in this Nation and in this State to worship you in the manner that our heart sees fit.

We begin this session today pausing to acknowledge your presence in this place and your spirit in every one of us. May we find you not just in holy words of prayer said aloud, like this one, but in dialogue that builds up rather than tears down, in hearts that seek the common good over self-interest, and in legislation which leads to responsible justice.

Guide each man and each woman elected to represent the State of Maryland in this chamber in their every thought, word and deed, throughout this day. So that at the close of business and at the setting of this day's sun, all that has been done can be offered to you as our collective best and will honor You.

This we ask in your sovereign name. Amen

Almighty God, Creator and Sustainer of Heaven and Earth; Thine is the Kingdom and the Power; all Honor and Glory belong to You. Along with Heaven and all of Creation, we give you thanks.

You have created us in Your image and as the pinnacle of Your Creation. You have entrusted us to carry out Your purposes. Your Word declares that You appoint governments to act as Your servants for the good of every man, woman, boy and girl. Because of this great trust, we acknowledge we need Your Wisdom and Divine Guidance to faithfully lead.

We acknowledge our task is so large that human capacities alone cannot lead to the future You have for us. Our help comes from You; Help us. Our Strength comes from You; strengthen us, and our authority comes from You; help us to use it for Your purposes and for Your people.

We humbly ask You to remind us of our limitations. You have not called us to reinvent Your Word; it is forever fixed in the Heavens. Remind us that You have ordained leaders to govern according to Your Word and Your Ways. Remind us that You are the Righteous Judge of all the earth and one day we shall all give account for what has been entrusted to us. Remind us Gracious Master, You come to the aid of all who call on You.

So I pray for the men and women of this great assembly, I ask you to lift up the arms of those who govern, I pray that You would Encourage those who are weary in the battle. I pray that You would give them Divine creativity to solve the problems of our day. Help them lead with skillfulness of hand and integrity of heart.

Finally I pray that all who come behind us find us faithful to Your Ways and to the citizens of this great state. Amen.

Let us pray, O God, Creator and preserve of this world, we thank you for all the blessings we are so privileged to enjoy in this land. We give you thanks for the members of this senate and all who work at the local, state, and national levels to serve our citizens and uphold the freedoms that we so cherish. 10 AM

Almighty God, we come before you today blessed in so many ways. You have implanted within every human heart a desire to know you, to love you, and to serve you. You have blessed us with the gifts of life, liberty, and the ability to pursue happiness, and you have called us to be of service to one another.

Our Maker, help us always to be mindful that the privilege of serving our brothers and sisters always far outweighs the challenges and even burdens of public life.

Be with us today. Help our thoughtful conversations to be marked by civility and charity and let love of our state and respect for one another be the undertone of all that we do.

Many of us are burdened by challenges in our lives and the lives of our families, friends, and constituents. We lift those intentions up to you today, Creator, and we ask you to be with those who are most in need, not only in our state but throughout our great country and throughout our world.

Invocation, Maryland Senate, 3.23.12

President Miller, Senators, my name is Reverend Megan Foley, and I am the minister to the Sugarloaf Congregation of Unitarian Universalists in Germantown, Maryland. Thank you, and thanks especially to Senator Raskin, for inviting me to open your session this morning.

Please join with me for a moment of contemplation and prayer to we begin another full day of doing the good work of the state of Maryland.

Creator, creative God, whose loving spirit is always with us in good times and bad, be with us again today. We are aware that we are drawing towards the end of the legislative session. We've seen successes and failures, we've been elated and disappointed, we've worked together at times in surprising and productive ways, and we've fought bitterly at times over differences that seem to have no way out.

Help us to maintain the strength to finish the good work that Maryland sent us here to do. Help us to see the broader picture beyond the details with which we are faced. And help us to remember that political work, like all of life's work, is really the work of building and maintaining relationships for the benefit of all. It is in these relationships where we are ever offered the opportunity to renew our commitment to a more loving, more just, more rewarding world. It is in these relationships that we best see your face.

In the holy name of all that is good, and true, and kind, and fair, we say Amen.

Rev. Megan Foley - 3/23/12

Our Father in Heaven - Guard the members of this esteemed Senate. Instill within them the wisdom, courage, and determination to provide for the physical, as well as the spiritual, well-being of the citizens of this great state.

May this body continue to embrace diversity without resulting in divisiveness. May it seek and celebrate unity without imposing uniformity. May this Senate, together with Houses of Worship across the state, promote justice, moral clarity, ethical living, righteousness, and acts of kindness.

As a member of the Jewish people, who have endured hardship and persecution throughout our history, I join this Senate in a prayer of profound gratitude and deep appreciation for the protections, privileges, and blessing that we, the people of the United States of America and the State of Maryland, enjoy.

This week we began the Jewish month of Nissan. During this month the Jewish people celebrate Passover, a holiday that celebrates the Israelites leaving slavery in ancient Egypt. Throughout the holiday we highlight the message of Freedom in order to preserve it for all generations - Just as today, the members of this senate work to preserve freedom for all citizens of this great state.

Master of the Universe – Protect our courageous armed forces, watch over our elected leaders, grant peace and prosperity to this State of Maryland, the United States of America, and the entire world, and let us respond,

SENATE INVOCATION – TUESDAY, MARCH 27, 2012

REV. DR. ROMAINE N. WILLIAMS, FORMER PASTOR, RETIRED AND AN ASSOCIATE MINISTER, UNION BETHEL AME CHURCH, RANDALLSTOWN, MD

Gracious God, we come before you on this 27th day of March, 2012 thanking you for the provisions you have made thus far. Provisions that have allowed the work and labor of Senate President Miller, President *Pro Tem* McFadden, others in leadership, and that of each of these Senators, to go forward as Maryland's 430th Legislative Session has now been well underway. Where, when it is all said and done at *Sine Die*, it is expected that more than 2000 bills will have been reviewed and acted upon one way or another and many long and tedious hours expended trying to put in place the State's Annual Budget.

And so today, we pray O God that in your infinite wisdom, mercy, and love that you will continue to make provisions for all of us, and that you will continue to guide the work of this revered Body. That you will bless these Senators, not only collectively but also individually, as they have, indeed, given a piece of themselves and their lives to all of us as public servants diligently carrying out their day-to-day responsibilities.

We especially pray for these Senators professionally and personally – for their health, their finances, their families and friends, their respective staff members and constituents, and for their courage to also remain true to themselves. As they each work, in the midst of hard decisions and battles won and lost, allow them to make overall positive contributions to the life of the citizens of this great State of Maryland, in what we profess to be part of the land of the free and home of the brave. Amen.

1. May we be well, happy and peaceful. May no harm come to us. May no difficulties come to us. May no problems come to us. May we always meet with success. May we also have patience, courage, understanding, and determination to meet and overcome inevitable difficulties, problems, and failures in life.

4. May our family be well, happy and peaceful. May no harm come to them. May no difficulties come to them, May no problems come to them. May they always meet with success. May they also have patience, courage, understanding, and determination to meet and overcome inevitable difficulties, problems, and failures in life.

5. May our friends be well, happy and peaceful. May no harm come to them. May no difficulties come to them. May no problems come to them. May they always meet with success. May they also have patience, courage, understanding, and determination to meet and overcome inevitable difficulties, problems, and failures in life.

6. May all persons who are strangers to us be well, happy and peaceful. May no harm come to them. May no difficulties come to them. May no problems come to them. May they always meet with success. May they also have patience, courage, understanding, and determination to meet and overcome inevitable difficulties, problems, and failures in life.

7. May our enemies be well, happy and peaceful. May no harm come to them. May no difficulties come to them. May no problems come to them. May they always meet with success. May they also have patience, courage, understanding, and determination to meet and overcome inevitable difficulties, problems, and failures in life.

8. May all living beings be well, happy and peaceful. May no harm come to them. May no difficulties come to them. May no problems come to them. May they always meet with success. May they also have patience, courage, understanding, and determination to meet and overcome inevitable difficulties,problems, and failures in life.

Most kindly yours,
Julia

Heavenly Father, you are the source of all life and love. You care for all people, and pour out compassion and kindness to a wounded and needy world. As we gather here this morning to do the work on behalf of a particular part of your Creation known as the State of Maryland, we ask your blessing to be with the men and women of this chamber, and the people that they represent.

You have blessed us with many gifts both physical and spiritual. And we ask in your mercy for guidance and strength in using those gifts in justice and out of concern for those around us. May we all endeavor to be mirrors of your grace and love, and may we be able to put aside division and ego for the well-being of the other.

May your blessed hand be upon us all this day. In Your Most Holy Name we pray. AMEN

Prayer at the Maryland State House
March 30st, 2012
11 a.m.
Pastor M. Moses Andradé

- Would you reverence G-d's Presence with me as we pray.

- Almighty G-d, we look to you again for guidance; as leaders we are challenged to meet the needs of the many who are burdened, and in need of HOPE.

- Today we contemplate the words **compassion**, and **justice** as guiding principles by which to instigate measures of improving the lives of Americans, and the huddled masses of this time now seeking refuge among us.

- It is said, "Those who rule should themselves be inclined to justice, and compassion for the less fortunate, and they will bring about a time of prosperity, gleaming as the light of morning."

- We seek that "light" of blended justice, and compassion for those who struggle while feeling hopeless.

- Especially at this time in our America's history, we are reminded that truly we are our sisters, and brothers keeper; therefore may our hearts be broken by the pain, and injuries others suffer, and thus be guided to do what is right to ease and change those burden now, and for generations to come.

- Make America beautiful not only as a nation, but by noble ways.

- To You we offer this prayer, Transcendent and Eternal G-d.

Amen.

Gracious and loving heavenly father, we give you thanks and praise for this joyful day that you have given us, and which is now drawing to an end. We pray that you will be with us in the night to guard and guide us. Grant we pray to all those who hold elected and appointed office in our state a spirit of wisdom, charity, and justice, that with your blessing and grace they may faithfully serve to promote the well-being of all the people of Maryland. We pray especially this evening for your blessing on the members of the Maryland Senate. Grant them knowledge and skill so that all their discussions may be tolerant and their opinions forthright, and that all the decisions they make and legislation they enact may be pleasing to you and be for the welfare and benefit of all your people. Lord God, in your mercy, hear our prayer. Amen.

Fr. Mark Smith - 4-6-12

Archbishop John Carroll, the first bishop of The Roman Catholic Church in America and advisor to our Founding Fathers, wrote a prayer November 10, 1791, to be recited in parishes throughout his diocese. With a modification of that prayer, this morning…

We pray Thee O God of might, wisdom, and justice! Through whom authority is rightly administered, laws are enacted, and judgment decreed.

Assist with Thy Holy Spirit of counsel and fortitude his excellency, the governor of this state, that his administration may be conducted in righteousness, and be eminently useful to Thy people over whom he presides; by encouraging due respect for virtue and religion; by a faithful execution of the laws in justice and mercy; and by restraining vice and immorality.

Let the light of Thy divine wisdom direct the deliberations of his Senate, who are elected to guard our political welfare. Shine forth in all their proceedings, so that they may tend to the preservation of peace, the promotion of happiness, the increase of industry, sobriety, and useful knowledge; and may perpetuate to us the blessing of equal liberty. By Thy powerful protection, enable them to discharge their duties with honesty and ability.

We recommend likewise, to Thy unbounded mercy, all our brethren in Maryland and fellow citizens throughout the United States, that they may be blessed in the knowledge and sanctified in the observance of Thy most holy law; that they may be preserved in union, and in that peace which the world cannot give.

We ask all this through Your Holy Name!

The validity of any refunding bonds shall in no way be dependent upon or related to the validity or invalidity of the bonds being refunded. Such refunding bonds may be issued by the Mayor and City Council of Baltimore, acting by and through the Board of Finance thereof, for the purpose of providing it with funds to pay any of its outstanding bonds authorized to be issued under the provisions of this Resolution at maturity, to purchase in the open market any of its outstanding bonds authorized to be issued under the provisions of this Resolution prior to their maturity, to redeem prior to their maturity any outstanding bonds which are, by their terms, redeemable, to pay interest on any outstanding bonds prior to their payment at maturity or purchase or redemption in advance of maturity, or to pay any redemption or purchase premium in connection with the refunding of any of its outstanding bonds authorized to be issued under the provisions of this Resolution.

(b) Any refunding bonds authorized to be issued and sold under the provisions of this Resolution may be issued for the public purpose of:

(1) Realizing savings to Baltimore City in the aggregate cost of debt service on either a direct comparison or present value basis; or

(2) Debt restructuring that:

(i) In the aggregate effects such a reduction in the cost of debt service; or

(ii) Is determined by the Board of Finance of the Mayor and City Council of Baltimore to be in the best interests of Baltimore City, to be consistent with Baltimore City's long-term financial plan, and to realize a financial objective of Baltimore City, including improving the relationship of debt service to a source of payment such as taxes, assessments, or other charges.

(c) Any refunding bonds authorized to be issued and sold under the provisions of this Resolution may be issued in whatever principal amount shall be required to achieve the purpose for the issuance of the refunding bonds, which amount may be in excess of the principal amount of the bonds refunded or the maximum principal amount of bonds authorized to be issued under subsection (a) of Section 1 of this Resolution.

(d) Any refunding bonds authorized to be issued and sold under the provisions of this Resolution may be issued to mature on such dates and in such amounts as the Board of Finance may determine; provided that the entire principal amount represented by the refunding bonds shall be discharged not more than forty (40) years from the date of issuance of the bonds being refunded.

(e) Any refunding bonds authorized to be issued and sold under the provisions of this Resolution may be sold at public sale by the solicitation of competitive bids or at private (negotiated) sale without advertisement or solicitation of competitive bids, for a price or prices which may be at, above or below the par value of the refunding bonds, as determined by resolution of the Board of Finance of the Mayor and City Council of Baltimore. If the Board of Finance determines to sell the refunding bonds at public sale, the refunding bonds shall be sold to the highest responsible bidder or bidders therefor after due notice of such sale, but the Mayor and City Council of Baltimore, acting by and through the Board of Finance thereof, shall have the right to reject any or all bids therefor for any reason.

(f) Any refunding bonds authorized to be issued and sold under the provisions of this Resolution shall bear interest at such rate or rates as may be determined by the Board of Finance of the Mayor and City Council of Baltimore, which rate or rates may be fixed or variable or as determined by a method approved by the Board of Finance, and such interest shall be payable at such time or times as may be determined by the Board of Finance.

(g) The proceeds of the sale of any refunding bonds authorized to be issued and sold under the provisions of this Resolution, after the payment of issuance costs relating thereto, shall be set aside by the Mayor and City Council of Baltimore as a separate trust fund to be used solely for the purposes stated in this Section 4.

(h) Except as otherwise provided in this Section 4, the powers granted in, the limitations and obligations imposed by, and the procedures specified in this Resolution with respect to the issuance of bonds shall be applicable to the issuance of refunding bonds.

(i) Any refunding bonds authorized to be issued and sold under the provisions of this Resolution shall not be subject to any debt policy limitation that may from time to time be established by the Mayor and City Council of Baltimore.

SECTION 5. Postal rates had not increased since fiscal 2008 but were raised by 1 cent to 45 cents in January 2012. Committee Narrative

Plan for Creation of New Judgeships: The committees are concerned that increased workloads have resulted in the need for 40 judges (21 circuit court and 19 District Court) even though no new judgeships were requested by the Chief Judge in the fiscal 2013 budget. While lack of courtroom space had been an impediment in prior years, the main constraint now is limited finances. It is not prudent to continue to allow caseloads to continue to grow without adopting a plan to increase the number of judges. The committees request the Judiciary to develop a multi-year plan to request new circuit court and District Court judges, so that workloads can be addressed gradually without having a significant impact on State finances. A report should be submitted by November 1, 2012.

Committee Narrative

Locating an Office of the Attorney General Consumer Affairs Satellite Office in the Metropolitan Washington Area: In addition to its main office in Baltimore City, the Office of the Attorney General (OAG) currently has small satellite offices in Hagerstown, Leonardtown, and Salisbury. These satellite offices are intended to broaden the reach of the OAG in order to better serve the consumer protection needs of people from those areas of the State. However, OAG currently has no satellite office in the Metropolitan Washington area. The committees request the OAG to investigate the potential development of a satellite office in the Metropolitan Washington area and to report back to them by October 1, 2012, with potential locations and preliminary cost estimates.

Reduce appropriation for the purposes indicated:	Funds		Positions
1. Increase turnover expectancy for 1 new position in the Engineering Investigations Division to 25.0%. The report should also provide information on the costs associated with out-of-home placements, the reasons for new placements, and an evaluation of data derived from the application of the Maryland Family Risk Assessment. Data should also be collected concerning indicated findings of child abuse and neglect occurring while families are receiving family preservation services or within one year of case closure. Explanation: The fiscal 2013 allowance for the Department of Aging reduced funding for the Ombudsman program by $120,000. This language restricts $120,000 intended for administrative expenses for the department to only be used to restore funding for the Ombudsman program to the fiscal 2012 level.

Additional Storage Space for the State's Archival Records: The Maryland State Archives (MSA) advises that its facilities are effectively at storage capacity. The committees are concerned about the implications of MSA surpassing 100% of its archival records storage capacity and direct MSA to prepare a report that explains the agency's short- and long-term plan for addressing its storage shortfall. In particular, the report should include:

- the cost of purchasing an existing warehouse that could be used as an archival storage facility;
- a proposal to retrofit a facility that includes estimated costs and a timeframe for completion; and
- the agency's options for mitigating the impact of exceeding 100% of the current archival storage prior to the acquisition of an additional long-term storage facility.

Contractual Employees of the Maryland State Archives: Currently, the ratio of regular to contractual employees of the Maryland State Archives (MSA) is 115%, which is, by far, the highest such ratio of any State executive branch agency. The committees are concerned about the continued employment of contractual staff beyond the standard three-year term recommended for contractual employment. Moreover, the committees are concerned about the inequity of MSA's use of long-term contractual employees to perform functions that are substantially similar to those of full-time regular staff. The committees recommend that MSA (1) identify the number of contractual staff who are misclassified; and (2) request that the Department of Budget and Management convert these contractual staff members to regular status.

MARYLAND HEALTH BENEFIT EXCHANGE

D78Y01.01 Maryland Health Benefit Exchange

Add the following language to the federal fund appropriation:

, provided that $100,000 of this appropriation made for the operation of the Maryland Health Benefit Exchange may not be expended until the Exchange submits a report to the budget committees detailing a sustainable long-term financing strategy for Exchange operations. The report shall be submitted by December 1, 2012, and the committees shall have 45 days to review and comment. Funds restricted pending the receipt of a report may not be transferred by budget amendment or otherwise to any other purpose and shall be canceled if the report is not submitted to the budget committees.

Explanation: A recent report issued by the Maryland Health Benefit Exchange was silent on the ultimate financing solution for the Exchange. By statute, the Exchange must be self-sustaining with an adequate level of financing for ongoing operations by 2015. Cost estimates for the ultimate operation of the Exchange range as high as $61 million by calendar 2016. While the report indicated that the Exchange would make a decision on financing by early 2013, an earlier decision will provide additional time for discussion prior to the 2013 session.

Amendment No. 18

Add the following language to the federal fund appropriation:

Further provided that $100,000 of this appropriation made for the operation of the Maryland Health Benefit Exchange may not be expended until the Exchange and the Department of Health and Mental Hygiene submit a report to the budget committees updating a preliminary analysis of the viability of the Basic Health Plan option in Maryland. The report shall be submitted by December 1, 2012, and the committees shall have 45 days to review and comment. To the extent that there are still elements of the cost estimate that remain unknown, the committees request that the report include a timeline as to when all elements of the cost estimate will be known. Funds restricted pending the receipt of a report may not be transferred by budget amendment or

otherwise to any other purpose and shall by canceled if the report is not submitted to the budget committees.

Explanation: One of the options under the Patient Protection and Affordable Care Act is for a state to offer health coverage to individuals between 138% and 200% of the federal poverty level through a basic health plan rather than through the Health Exchange. Funding for coverage is provided by the federal government equal to 95% of the amount it would otherwise have spent on tax credits and other subsidies for coverage through the Exchange. Any costs over that amount would be the responsibility of the State. An initial analysis of the viability of the Basic Health Plan option in Maryland undertaken by the Department of Health and Mental Hygiene (DHMH) and the Hilltop Institute preliminarily concluded that federal support would be insufficient to cover the cost of the program. However, the report also noted that there were many elements of the cost estimate that remain unknown and which were needed to make a definitive decision. The language withholds funding pending the submission of an update of the initial analysis by the Maryland Health Benefit Exchange (MHBE) and DHMH.

MAJOR INFORMATION TECHNOLOGY DEVELOPMENT PROJECT FUND

F50A01.01 Major Information Technology Development Project Fund

Reduce appropriation for the purposes indicated:	Funds	Positions
1. Reduce funding for the Client Automated Resource Eligibility System (CARES) major information technology project. The General Assembly appropriated $100,000 in general funds and $900,000 in federal funds in fiscal 2012. The General Assembly expressed concerns that not enough was known about the project because it was still in the initiation phase of the Department of Information Technology's (DoIT) Systems Development Life Cycle. The General Assembly restricted the fiscal 2012 general fund appropriation until an Information Technology Project Request is prepared and a report submitted to the budget committees for review. As of February 2012, no report had been submitted. In fiscal 2013, an additional $5.25 million in general funds and $1.0 million in federal funds is requested. According to the documents, this includes funding for integration and testing, implementation, and operation and maintenance. These functions are not scheduled to begin until after the fiscal year, so these funds can be deferred and appropriated in a future year if they are necessary. This leaves the project with $2.0 million in general fund appropriations. Should additional funds be required for the CARES project, DoIT may reprogram up to $3.35 million in Major Information Technology Development Project Fund appropriations awarded to projects that do not anticipated expending funds in fiscal 2013. If necessary, DoIT may process budget amendments to meet the CARES project cash flow needs.	3,350,000 GF

year's equipment costs estimates total $32.0 million. Requested costs exceed projected costs by $13.6 million. Radios for the State Police cost $7,500 each and the State Police is requesting 1,886 radios. According to StateStat, the maximum number of troopers to date in fiscal 2012 was 1,568. The number of radios requested provides at least 300 additional radios in case some are lost or damaged. Reducing the number of radios by 150 provides the State Police with 150 extra radios, which leaves the department with 10% more radios than troopers.

Maryland State Retirement and Pension Systems
State Retirement Agency

Committee Narrative

STATE RETIREMENT AGENCY

G20J01.01 State Retirement Agency

Pension System Funding Method, Amortization, and Actuarial Assumption Report: The Board of Trustees October 2011 report to the Joint Committee on Pensions proposed a gradated change to the State Retirement and Pension System's corridor funding method in conjunction with an updated liability amortization policy as part of the board's recommended legislation for the 2012 session. While attractive for its long-term benefits to the system, the fact that several actuarial assumptions that have significant implications on the State budget, such as the assumed rate of return on investments or that of payroll growth, can be altered outside of this proposal and outside of legislative control was not addressed concerned the joint committee. Moreover, a changing investment climate and evolving member demographics make alteration of these assumptions likely in the system's upcoming actuarial review. Given these facts, the joint committee decided that during the 2012 interim the State Retirement Agency (SRA) and the Department of Legislative Services (DLS) should develop a plan to phase out the corridor funding methodology and adjust appropriate actuarial assumptions in light of the board plan and the goals of the 2011 pension reform. As such, the board funding methodology change should serve as the basis for a joint report generated by these agencies that provides recommendations for changes to any actuarial assumption necessary to improve the system's financial standing. The report shall be submitted to the Joint Committee on Pensions and will provide a framework for legislation in this area. The report shall be submitted no later than November 1, 2012.

Budget Amendments

Add the following language:

Provided that it is the intent of the General Assembly that projects and funding levels appropriated for capital projects, as well as total estimated project costs within the Consolidated Transportation Program, shall be expended in accordance with the plan approved during the legislative session. The department shall prepare a report to notify the budget committees of the proposed changes in the event the department modifies the program to:

(1) add a new project to the construction program or development and evaluation program meeting the definition of a "major project" under Section 2-103.1 of the Transportation Article that was not previously contained within a plan reviewed in a prior year by the General Assembly and will result in the need to expend funds in the current budget year; or

(2) change the scope of a project in the construction program or development and evaluation program meeting the definition of a "major project" under Section 2-103.1 of the Transportation Article that will result in an increase of more than 10% or $1,000,000, whichever is greater, in the total project costs as reviewed by the General Assembly during a prior session.

For each change, the report shall identify the project title, justification for adding the new project or modifying the scope of the existing project, current year funding levels, and the total project cost as approved by the General Assembly during the prior session compared with the proposed current year funding and total project cost estimate resulting from the project addition or change in scope.

Further provided that notification of project additions, as outlined in paragraph (1) above; changes in the scope of a project, as outlined in paragraph (2) above; or moving projects from the development and evaluation program to the construction program, shall be made to the General Assembly 45 days prior to the expenditure of funds or the submission of any contract for approval by the Board of Public Works.

Explanation: This annual budget bill language requires the department to notify the budget committees of proposed changes to the transportation capital program that will add a new project that was not in the fiscal 2012 to 2017 Consolidated Transportation Program (CTP) or will increase a total project's cost by more than 10% or $1 million, due to a change in scope. Reports are to be submitted with the draft and final versions of the CTP, with each using the 2012 session CTP as the basis for comparison. In addition, notification is required as needed throughout the budget year, if certain changes to projects are made.

Amendment No. 25

Add the following language:

The Maryland Department of Transportation (MDOT) may not expend funds on any job or position of employment approved in this budget in excess of 8,732.50 positions and 132.41 contractual full-time equivalents (FTE) paid through special payments payroll (defined as the quotient of the sum of the hours worked by all such employees in the fiscal year divided by 2,080 hours) of the total authorized amount established in the budget for MDOT at any one time during fiscal 2013. The level of contractual FTEs may be exceeded only if MDOT notifies the budget committees of the need and justification for additional contractual personnel due to:

(1) business growth at the Helen Delich Bentley Port of Baltimore or Baltimore-Washington International Thurgood Marshall Airport that demands additional personnel; or

(2) emergency needs that must be met (such as transit security or highway maintenance).

The Secretary shall use the authority under Sections 2-101 and 2-102 of the Transportation Article to implement this provision. However, any authorized job or position to be filled above the regular position ceiling approved by the Board of Public Works shall count against the Rule of 100 imposed by the General Assembly. The establishment of new jobs or positions of employment not authorized in the fiscal 2013 budget shall be subject to Section 7-236 of the State Finance and Procurement Article and the Rule of 100.

To implement this intent for the Maryland Department of Transportation (MDOT) in fiscal 2013, no commitment of funds in excess of $250,000 may be made nor such an amount may be transferred, by budget amendment or otherwise, for any project or purpose not normally arising in connection with the ordinary ongoing operation of MDOT and not contemplated in the approved budget or the last published Consolidated Transportation Program without 45 days of review and comment by the budget committees.

(2) any proposed increase either to provide funds for a new grantee or to expand funds for an existing grantee; and

Further provided that no expenditures in excess of $4,129,035 may occur unless the department provides notification to the budget committees to justify the need for additional expenditures due to either provision (1) or (2) above, and the committees provide review and comment or 45 days elapse from the date such notification is provided to the committees.

Explanation: This annual language caps the level of special funds provided for operating grants-in-aid. The cap may be increased to match unanticipated federal dollars or to provide new or expanded grant funding upon notification to the budget committees.

J00A01.03 Facilities and Capital Equipment

Add the following language to the special fund appropriation:

, provided that no funds may be expended by the Secretary's Office for any system preservation or minor project with a total project cost in excess of $500,000 that is not currently included in the fiscal 2012-2017 Consolidated Transportation Program except as outlined below:

(1) the Secretary shall notify the budget committees of any proposed system preservation or minor project with a total project cost in excess of $500,000, including the need and justification for the project, and its total cost; and

(2) the budget committees shall have 45 days to review and comment upon the proposed system preservation or minor project.

Explanation: Each fiscal year, the capital grants in the Secretary's Office increase from the legislative appropriation, and there is no oversight of any capital grants that the department may provide to other entities. To provide a degree of oversight to future capital grants, this language would cap system preservation funding to the level specified by the General Assembly and require notification of any future increases.

Budget Amendments

Add the following language:

Consolidated Transportation Bonds may be issued in any amount provided that the aggregate outstanding and unpaid balance of these bonds and bonds of prior issues may not exceed $1,913,290,000 as of June 30, 2013. Further provided that the amount paid for debt service shall be reduced by any proceeds generated from net bond sale premiums, provided that those revenues are recognized by the department and reflected in the Transportation Trust Fund forecast.

Explanation: Section 3-202 of the Transportation Article requires the General Assembly to establish the maximum debt outstanding each year in the budget bill. The level will be based on outstanding debt as of June 30, 2012, plus projected debt issued during fiscal 2013 in support of the transportation capital program.

Amendment No. 30

Add the following language:

The total aggregate outstanding and unpaid principal balance of nontraditional debt, defined as any debt instrument that is not a Consolidated Transportation Bond or a Grant Anticipation Revenue Vehicle bond issued by the Maryland Department of Transportation (MDOT), may not exceed $889,785,000 as of June 30, 2013. Provided, however, that in addition to the limit established under this provision, MDOT may increase the aggregate outstanding unpaid and principal balance of nontraditional debt so long as:

(1) MDOT provides notice to the Senate Budget and Taxation Committee and the House Appropriations Committee stating the specific reason for the additional issuance and providing specific information regarding the proposed issuance, including information specifying the total amount of nontraditional debt that would be outstanding on June 30, 2013, and the total amount by which the fiscal 2013 debt service payment for all nontraditional debt would increase following the additional issuance; and

(2) the Senate Budget and Taxation Committee and the House Appropriations Committee have 45 days to review and comment on the proposed additional issuance before the publication of a preliminary official statement. The Senate Budget and Taxation Committee and the House Appropriations Committee may hold a public hearing to discuss the proposed increase and shall signal their intent to hold a hearing within 45 days of receiving notice from MDOT.

Explanation: This language limits the amount of nontraditional debt outstanding at the end of fiscal 2013 to the total amount that is projected to be outstanding from all previous nontraditional debt issuances as of June 30, 2012, and all anticipated sales in fiscal 2013. The language allows MDOT to increase the amount of nontraditional debt outstanding in fiscal 2013 by providing notification to the budget committees regarding the reason that the additional issuances are required.

Amendment No. 31

Add the following language:

The Maryland Department of Transportation (MDOT) shall submit with its annual September and January financial forecasts information on (1) anticipated and actual nontraditional debt outstanding as of June 30 of each year; and (2) anticipated and actual debt service payments for each outstanding nontraditional debt issuance from fiscal 2012 through 2023. Nontraditional debt is defined as any debt instrument that is not a Consolidated Transportation Bond or a Grant Anticipation Revenue Vehicle bond; such debt includes, but is not limited to, Certificates of Participation, debt backed by customer facility charges, passenger facility charges, or other revenues, and debt issued by the Maryland Economic Development Corporation or any other third party on behalf of MDOT.

Explanation: The General Assembly is interested in monitoring the use of nontraditional debt by MDOT. The information requested provides the budget committees with additional information on the usage and annual costs of nontraditional debt.

In addition, MTA and MDOT should also describe other funding alternatives for how the transit lines could be financed. Capital Budget Changes: It is the intent of the committees that projects and funding levels for capital projects, as well as total estimated project costs within the Consolidated Transportation Program (CTP), shall be expended in accordance with the plan reviewed during the legislative session. The Maryland Transportation Authority (MDTA), in consultation with the Maryland Department of Transportation (MDOT), should prepare a report to notify the committees of the proposed changes in the event that MDTA modifies the plan to:

(1) add a new project to the construction program or development and evaluation program meeting the definition of a "major project" under Section 2-103.1 of the Transportation Article that was not previously contained within a plan reviewed in a prior year by the General Assembly and will result in the need to expend funds in the current budget year; or

(2) change the scope of a project in the construction program or development and evaluation program meeting the definition of a "major project" under Section 2-103.1 of the Transportation Article that will result in an increase of more than 10% or $1,000,000, whichever is greater, in the total project costs as reviewed by the General Assembly during a prior session.

For each change, the report shall identify the project title, justification for adding the new project or modifying the scope of the existing project, current year funding levels, and the total project cost as reviewed by the General Assembly during the prior session compared with the proposed current year funding and total project cost estimate resulting from the project addition or change in scope.

Further provided that notification of project additions, as outlined in paragraph (1) above; changes in the scope of a project, as outlined in paragraph (2) above; or moving projects from the development and evaluation program to the construction program, shall be made to the committees 45 days prior to the expenditure of funds or the submission of any contract for approval to the Board of Public Works (BPW).

LAND ACQUISITION AND PLANNING

K00A05.10 Outdoor Recreation Land Loan

Concur with the following language:

Notwithstanding the appropriations above, the Special Fund appropriation for the Outdoor Recreation Land Loan shall be reduced by $49,249,882 contingent on the enactment of legislation crediting $49,249,882 of the transfer tax revenues to the General Fund. The reduction shall be distributed in the following manner:

Program Open Space – State Acquisition	$14,724,961
Program Open Space – Local Share	$13,564,816
Program Open Space – Capital Improvements	$8,161,061
Rural Legacy	$12,799,044
Total	$49,249,882

Explanation: The fiscal 2013 budget bill as introduced includes a $49,249,882 reduction for the Outdoor Recreation Land Loan Program contingent upon the enactment of a provision in the Budget Reconciliation and Financing (BRFA) Act of 2012 crediting transfer tax revenues to the general fund. The Program Open Space (POS) – State Acquisition contingent reduction includes $12,997,305 for State land acquisition and $1,727,656 for the Heritage Conservation Fund. The POS – Capital Improvements contingent reduction includes $4,161,061 for the Natural Resources Development Fund and $4,000,000 for the Critical Maintenance Program. The special fund appropriation that is not reduced contingent on the BRFA is comprised of $1,500,000 for the Baltimore City Direct Grant, $1,217,000 for operating expenses allowed for by the BRFA of 2011, and $1,000,000 for land acquisition expenses that are used to supplement POS Acquisition Opportunity Loan of 2009 purchases but that do not meet the ecological criteria that stipulates how that funding may be used.

K00A

Committee Narrative

Subsurface Ownership Rights and Rural Legacy Program Eligibility: The committees are concerned that potential Rural Legacy Program participants are dissuaded from involvement in the program if the landowner does not own the subsurface mineral rights or has leased the subsurface mineral rights to another party. This is due to the Department of Natural Resources' policy that it will only acquire Rural Legacy Program easements under the following mineral rights lease conditions:

- **Lease Buy Out** – the landowner buys out the mineral rights lease and extinguishes it.
- **Lease Expiration** – the mineral rights lease expires and is thus extinguished.
- **Lease Amendment** – the landowner and mineral rights lessee agree to limit allowable activities to gas storage, gas transmission, and gas facilities protection.

Therefore, the committees request that the Department of Natural Resources focus on surface conditions when qualifying participants for the Rural Legacy Program and refrain from automatically disqualifying landowners solely on the status of the lease conditions of the subsurface mineral rights.

Natural Resources Police Level of Service Standards: The committees are concerned that the Natural Resources Police do not have standards by which the efficacy of its work can be measured. This is of concern given the amount of scrutiny that poaching in the rockfish and oyster fishery has raised and the general discussions about staffing shortfalls in the Natural Resources Police. Therefore, the committees request that the Department of Natural Resources (DNR) submit a report on the Natural Resources Police level of service standards. It is requested that the report include a workload analysis, response time metrics, staffing levels for authorized and filled law enforcement officer positions, evaluation of law enforcement officer work for civilianization, and pertinent crime rates.

OFFICE OF RESOURCE CONSERVATION

L00A15.03 Resource Conservation Operations

Add the following language to the general fund appropriation:

, provided that $500,000 of this appropriation for the Maryland Department of Agriculture (MDA), made for the purpose of general operating expenses, may not be expended until MDA provides a report on soil conservation district field personnel position counts and funding for the fiscal 2012 actual, fiscal 2013 working appropriation, and fiscal 2014 allowance. The scope of the report is as follows:

(1) the number of vacant and filled contractual and regular soil conservation district field personnel positions (defined as soil conservation planner, soil conservation associated, and soil conservation engineering technician positions); and

(2) the number of soil conservation district field personnel positions funded with grant funding; and

(3) the amount of funding budgeted by fund type and particular fund source for regular positions and positions funded with grant funding in terms of both expenses directly attributable to field personnel and, separately, operating expenses indirectly associated with field personnel.

The report shall be submitted in conjunction with submission of the fiscal 2014 budget, and annually thereafter, and the budget committees shall have 45 days to review and comment

following receipt of the report. Funds restricted pending the receipt of a report may not be transferred by budget amendment or otherwise to any other purpose and shall revert to the General Fund if the report is not submitted to the budget committees.

Explanation: Section 8-405 of the Agriculture Article mandates that the Governor shall include in the annual budget bill an amount sufficient to employ not less than 110 field personnel in the soil conservation districts and that the appropriation for fiscal 2013 shall be $10 million. There is concern that it is difficult to independently verify funding since data on the fiscal 2013 allowance was not submitted with the required report. In addition, there is concern that soil conservation district positions funded by grants are not being counted relative to the 110 position requirement. Therefore, this action requires that MDA include with its fiscal 2014 budget submission information on the fiscal 2012 actual, fiscal 2013 working appropriation, and fiscal 2014 allowance data soil conservation district field personnel position counts and funding both within MDA and funded by MDA through grants to soil conservation districts.

Authorization to expend reimbursable funds received from the Department of Natural Resources from the Chesapeake and Atlantic Coastal Bays 2010 Trust Fund is reduced by $716,587. A budget amendment may be processed to bring in an appropriation once the final allocation is determined.

Explanation: The BayStat agencies typically request a special fund budget amendment after the session in order to allocate the revenues from the Chesapeake and Atlantic Coastal Bays 2010 Trust Fund. Therefore, this reimbursable fund appropriation for soil conservation district personnel grant funding is unnecessary.

Advanced Directive Registry: Chapter 223 of 2006 created a voluntary Advanced Directive Registry within the Department of Health and Mental Hygiene (DHMH). The registry must be a secure, electronic database to which authorized access is available at all times. Although DHMH promulgated regulations to implement a registry, it has never been established. At the time it was estimated that the initial cost of establishing the registry would be an estimated $0.5 million with ongoing operating costs of $200,000 per year. The department was authorized to charge fees to register an advanced directive (set at $10 in regulation), but those fees were not expected to generate more than 10% of ongoing operating costs. The committees remain interested in the development of an Advanced Directive Registry and request the department to report to them by October 1, 2012, with updated cost information to implement a registry that meets the requirements of statute while minimizing costs. The report should also investigate whether improvements in Health Information Technology and Electronic Health Records since the passage of the original legislation can potentially incorporate an advanced directive.

Add the following language to the special fund appropriation:

, provided that $1,000,000 of this appropriation made for the purpose of the Board of Physicians may not be expended until the Department of Health and Mental Hygiene promulgates in regulations sanctioning guidelines for physicians and allied health professionals, as required by Chapters 533 and 534 of 2010, and reports to the budget committees that sanctioning guidelines have been approved by the Joint Committee on Administrative, Executive, and Legislative Review. Funds restricted pending the receipt of a report may not be transferred by budget amendment or otherwise to any other purpose and shall be canceled if the report is not submitted to the budget committees.

Explanation: Although Chapters 533 and 534 of 2010 require all health occupations boards to adopt sanctioning guidelines, the recommendation that the board adopt guidelines dates back to 2003 when the Office of the Attorney General recommended that the board adopt guidelines. It is unclear why the board has been unable to adopt sanctioning guidelines in a timely manner in the eight-year period since sanctioning guidelines were first recommended for the board. Specifically, the report should address how the department will ensure that each board is using a uniform method to project revenues. M00L01.01 Program Direction

Add the following language to the general fund appropriation:

, provided that $100,000 of this appropriation made for the purpose of executive direction may not be expended until the Mental Hygiene Administration submits a report on the State's public and private residential treatment centers to the budget committees that details:

(1) vacancy trends and program capacity by bed type;

(2) referral trends, including patient acuity levels;

(3) a review of medical necessity criteria, denials by the Administrative Services Organization, client re-entry into residential treatment center level of care, and the impact of these policies on children and families served;

(4) a comparative analysis of costs and the adequacy of current per diem rates;

(5) an examination of current outcome measurement procedures and recommendations to develop and report uniform outcome measures; and

(6) an analysis of how well the current residential treatment center system meets the needs of Maryland's children (including those in the juvenile justice system and any barriers that exist to meet any identified unmet needs).

The report shall be submitted by November 1, 2012, and the budget committees shall have 45 days to review and comment. Funds restricted pending the receipt of a report may not be transferred by budget amendment or otherwise to any other purpose and shall revert to the General Fund if the report is not submitted to the budget committees.

Explanation: Spending on private residential treatment beds has fallen sharply in recent years and is projected to continue in fiscal 2013. Consequently, there is a surplus of private sector capacity. Public sector capacity has also shrunk because of various cost containment actions. While it appears that public sector beds are actually more costly than private beds, some advocates of the public sector beds argue that quality of care is better. However, 85% of the children in residential treatment are served in private beds. At the same time, there are children in the State, especially in the juvenile justice system, that continue to need residential programming but are unable to find it in-state. The language withholds funds pending a report

that will provide the committees with better information about the care and the cost of care currently being provided in the residential treatment center system and what, if any, unmet needs exist.

Concur with the following language to the general fund appropriation:

, provided that $6,247,276 of this appropriation shall be reduced contingent upon the enactment of legislation authorizing the use of revenue from a nonprofit health service plan for this purpose.

Explanation: The language cuts general fund support for community mental health services contingent on the Budget Reconciliation and Financing Act of 2012 which authorizes the use of funds from CareFirst to backfill for this reduction.

Add the following language to the general fund appropriation:

Further provided that $1,000,000 in funding in this budget for the purpose of providing transitional housing assistance may be expended only to support individuals with a primary diagnosis of serious mental illness.

Explanation: The fiscal 2013 budget includes $1 million in transitional housing assistance targeted at individuals with very low incomes to help provide housing support. While the funding is in the Mental Hygiene Administration (MHA), the funding is to be split between MHA and the Developmental Disabilities Administration. Given the high level of homelessness among the seriously mental ill compared to the population at large, and also MHA's efforts to transition individuals out of assisted living beds at Springfield and Spring Grove hospitals, the language restricts the funding just to individuals with a primary diagnosis of serious mental illness.

Amendment No. 51

Reduce appropriation for the purposes indicated:	**Funds**		**Positions**
1. Delete funding for purchase of care beds. Purchase of care beds are beds at private psychiatric hospitals used to treat uninsured individuals in need of inpatient care. These beds are an alternative to treatment in State-run psychiatric facilities. As introduced, the fiscal 2013 budget reduced funding for purchase of care beds by two-thirds based on federal law that requires hospitals to treat or appropriately transfer patients that require inpatient care. Uninsured patients will still receive appropriate inpatient care, and the administration assumes the hospitals will be reimbursed for the higher level of uncompensated care through their	2,100,000	GF	

rates. The administration anticipated reducing the full amount over a longer period. The reduction eliminates the funding in fiscal 2013.

M00M01.01 Program Direction

Add the following language to the general fund appropriation:

, provided that $1,000,000 of this appropriation made for the purpose of Program Direction may not be expended until the Department of Health and Mental Hygiene provides a report to the budget committees on the department's progress in improving financial oversight within the Developmental Disabilities Administration in order to ensure that funding appropriated to the agency is spent expeditiously, as the number of the individuals on the waiting list continues to be of concern. Specifically, the report shall advise the budget committees of the agency's options to reconfigure its fiscal structure based on the recommendations of an independent consultant. The report shall be submitted by December 1, 2012, and the budget committees shall have 45 days to review and comment. Funds restricted pending the receipt of the report may not be transferred by budget amendment or otherwise to any other purpose and shall revert to the General Fund if the report is not submitted to the budget committees.

Explanation: As a result of poor financial oversight, the Developmental Disabilities Administration (DDA) reverted $25.7 million in prior year spending during the fiscal 2011 closeout. Furthermore, the Office of the Inspector General at the Department of Health and Mental Hygiene (DHMH) recommended that DDA restructure its current financial operations.

M00Q01.01 Deputy Secretary for Health Care Financing

Add the following language to the general fund appropriation:

, provided that $100,000 of this appropriation made for the purpose of executive direction may not be expended until the Medical Care Programs Administration submits a report to the budget committees with detail on how three fiscal 2013 cost containment actions have been implemented. Specifically, these cost containment proposals relate to generating savings from altering the funding of uncompensated care, allowing outpatient price tiering, and limiting expenditures on medically needy inpatient care. The report shall be submitted by September 15, 2012, and the budget committees shall have 45 days to review and comment. Funds restricted pending the receipt of the report may not be transferred by budget amendment or otherwise to any other purpose and shall revert to the General Fund if the report is not submitted to the budget committees.

Explanation: The fiscal 2013 Medicaid budget contains a number of cost containment proposals for which specifics have yet to be finalized. The language withholds funds pending a report on the actual implementation of these proposals which account for $150 million (71%) of total proposed cost containment actions.

Amendment No. 54

Committee Narrative

Medicare Waiver and the Medicaid Budget: The committees are concerned that recent budget actions have put additional pressure on the Medicare waiver which allows the Health Services Cost Review Commission (HSCRC) to set reimbursement rates for Medicare. The waiver establishes the "all payor system," in which every payor for hospital care pays the same rate for hospital services. To maintain the waiver, HSCRC must ensure that the rate of growth in Medicare payments to Maryland hospitals from 1981 to present is no greater than the rate of

growth in Medicare payments to hospitals nationally over the same time period and that all payors pay the same rates (i.e., no cost shifting from one payor to another). The projected waiver cushion for fiscal 2013 is 0.77%. The statutorily imposed Medicaid funding hospital assessment of no less than $389 million, used to fund deficits in the Medicaid program, reduced the waiver cushion by 3.0%, and contributed to half of the waiver cushion's decline from fiscal 2011 to 2012. Budget actions contemplated by the fiscal 2013 Medicaid budget further deteriorate Maryland's position on the waiver test. Given the importance of the Medicare waiver to the State, the committees request that the Department of Health and Mental Hygiene (DHMH), in consultation with HSCRC:

- inform the committees immediately if DHMH takes any budgetary actions not identified in the fiscal 2013 budget that further reduce the waiver cushion; and

- report to the committees, by December 1, 2012, on the specific impact that any proposed fiscal 2012 and 2013 budget action has, or will have, on the waiver cushion and the cumulative impact that the hospital Medicaid budget funding assessment has had on the waiver cushion.

Add the following language:

All appropriations provided for program M00Q01.03 are to be used for the purposes herein appropriated, and there shall be no budgetary transfer to any other program or purpose. Funds not expended for these purposes shall revert to the General Fund or be canceled.

Add the following language:

Further provided that $100,000 of general funds and $100,000 of federal funds intended for service expenditures in a Chronic Health Home may not be used for that purpose but instead may only be used for planning and design of a Chronic Health Home program. Funds not expended for this restricted purpose shall revert to the General Fund or be canceled. Further provided that, at the same time as the submission of a State Plan Amendment, the Department of Health and Mental Hygiene shall submit a summary of its Chronic Health Home proposal to the budget committees.

Explanation: The language restricts $200,000 ($100,000 each of general and federal funds) for the planning and design of a Chronic Health Home program and adds a reporting requirement.

Amendment No. 56

Modify the following language on the general fund appropriation:

Further provided that ~~this appropriation shall be reduced by $14,688,143 contingent upon the enactment of legislation reducing funding for other programs supported by the Cigarette Restitution Fund. Authorization~~ authorization is hereby provided to process a Special Fund budget amendment of up to ~~$14,688,143~~ $11,288,143 from the Cigarette Restitution Fund to support the Medical Assistance program.

Explanation: The language modifies language in the Medicaid budget that makes a reduction of $14,688,143 in general funds contingent on legislation (the Budget Reconciliation and Financing Act of 2012) reducing Cigarette Restitution Fund (CRF) support of the same amount for tobacco prevention and cancer programs. Specifically, the language reduces $11,288,143 in general funds to reflect additional CRF support being provided to Statewide Academic Health Centers in the Family Health Administration.

Amendment No. 57

M00Q

Modify the following language on the general fund appropriation:

Further provided that ~~$5,520,840~~ $6,909,654 of this appropriation shall be reduced contingent upon the enactment of legislation increasing the nursing facility quality assessment.

Explanation: The language increases the contingent general fund reduction to the Medicaid budget as a result of raising the nursing facility quality assessment from 5.5 to 6.0% as proposed by the Governor in the Budget Reconciliation and Financing Act of 2012. Under the Governor's proposal, the $11.5 million increase in revenue from the higher assessment would be used to generate $5.5 million in general fund savings; to offset the cost of the increased assessment on Medicaid bed days ($3.8 million matched by $3.8 million in federal funds); and to offset the cost of the assessment at the State's chronic facilities ($0.8 million), leaving almost $1.4 million of additional revenue to the Medicaid program. The language modification increases the general fund contingent reduction by this additional $1.4 million in available revenue.

Amendment No. 58

Strike the following language from the general fund appropriation:

~~Further provided that $3,431,947 of this appropriation shall be reduced contingent upon the enactment of legislation creating a medical day care provider assessment.~~

Explanation: The language strikes a general fund reduction to the Medicaid budget as a result of the imposition of an assessment on medical day care providers. The Governor's proposal imposes an assessment of 5.5%, resulting in increased revenue of over $6.8 million. Of this amount, $3.4 million is used to generate $3.4 million in general funds savings, with the remaining $3.4 million together with $3.4 million in federal matching funds returned to medical day care providers, most likely in the form of a rate increase for Medicaid service days.

Amendment No. 59

M00Q

Add the following language to the general fund appropriation:

Further provided that $4,500,000 of this appropriation shall be reduced contingent upon the enactment of legislation authorizing the use of revenue from the Senior Prescription Drug Assistance Program account of the Maryland Health Insurance Plan Fund for this purpose.

Explanation: The language reduces general fund support for Medicaid provider reimbursements by $4.5 million contingent on action in the Budget and Reconciliation and Financing Act of 2012 transferring a like amount of fund balance from the Senior Prescription Drug Assistance Program to Medicaid.

Amendment No. 60

Add the following language to the general fund appropriation:

Further provided that $2,550,000 of this appropriation made for expenditures on nursing facilities shall be used to expand personal care services contingent upon the enactment of legislation modifying the nursing facility bed hold payment policy to eliminate payments when a nursing home resident is absent due to inpatient hospitalization.

Explanation: The Budget Reconciliation and Financing Act of 2012 includes a provision modifying the nursing facility bed hold payment policy to eliminate payments when a nursing home resident is absent due to inpatient hospitalization. This action is estimated to save $5.1 million in total funds which the department intends to use to expand personal care services, including a possible rate increase. This language makes that expansion contingent on legislation.

Amendment No. 61

Reduce appropriation for the purposes indicated:	**Funds**		**Positions**
1. The fiscal 2013 budget estimate for hospital inpatient and outpatient care includes an assumption potential rate increases in fiscal 2013. That estimate is the same rate increase provided in fiscal 2012. However, fiscal 2012 rates were increased significantly to accommodate the substantial rise in Medicaid hospital assessments included in the fiscal 2012 budget. The increase in that assessment is much lower in fiscal 2013 and rate increases are thus anticipated to be lower. The reduction is equivalent to a 1% reduction in expenditures.	14,000,000 14,000,000	GF FF	

2.	Reduce rates for managed care organizations by 1%. The proposed reduction, even after considering other cost containment taken in the fiscal 2013 budget, still provides for capitated rates that fall within the actuarially sound rate range required by federal law.	15,675,247 16,315,052	GF FF
3.	Delete funding for rural access payments to managed care organizations (MCO). The fiscal 2013 budget includes payments to encourage MCOs to participate in every jurisdiction. The payment is made only if an MCO is open for enrollment in all 24 jurisdictions. The action deletes the funding based on a recommendation to include language in the Budget Reconciliation and Financing Act of 2012 that requires MCOs with statewide enrollment above 10% to make a remittance to the State to support the rural access payment if they are not open for enrollment statewide.	6,000,000	GF
4.	Reduce increase in waiver services rates to 1.0%. The fiscal 2013 budget provides for a 1.5% increase.	943,000 943,000	GF FF
5.	Reduce funds to reflect anticipated start-up delays to the Chronic Health Home initiative. The fiscal 2013 budget includes $15 million for funding of a Chronic Health Home initiative. Chronic Health Homes are intended to provide medical homes for individuals with certain chronic conditions. Services provided through these homes are eligible for enhanced federal funding for a period of eight quarters after approval from the federal government, approval that includes a required State Plan Amendment. The planning required for this initiative together with the approval process means a start-up delay is expected and is reflected in the reduction. It should be noted that there is no loss of federal funding from delaying the initiative because the enhanced match will still be in place for eight quarters. A separate action earmarks $100,000 in general and federal funds for planning and design of the initiative.	650,000 6,650,000	GF FF

6.	Delete funds for early takeover of the Maryland Medicaid Information System (MMIS) and fiscal agent operations. The fiscal 2013 budget includes funding to allow for the early takeover of the MMIS and fiscal agent operations by the successful vendor of the recently awarded Medicaid Enterprise Restructuring Project (MERP). That project includes the out-sourcing of functions currently performed in-house. However, based on delays in awarding the MERP contract and a commitment not to impact existing State employees for at least one year after the MERP contract award, funding for early takeover will not be required in fiscal 2013.	6,116,917 18,350,751	GF FF	
7.	Reduce funding by tightening criteria for the orthodontia program. During discussion on cost containment actions in the fiscal 2011 interim, it was noted that Maryland has a liberal scoring of the level of malocclusion necessary to be eligible for orthodontia. Tightening this criterion would generate an estimated $1 million in savings.	500,000 500,000	GF FF

, provided that $2,550,000 of this appropriation made for expenditures on nursing facilities shall be used to expand personal care services contingent upon the enactment of legislation modifying the nursing facility bed hold payment policy to eliminate payments when a nursing home resident is absent due to inpatient hospitalization.

Explanation: The Budget Reconciliation and Financing Act of 2012 includes a provision modifying the nursing facility bed hold payment policy to eliminate payments when a nursing home resident is absent due to inpatient hospitalization. This action is estimated to save $5.1 million in total funds which the department intends to use to expand personal care services, including a possible rate increase. This language mirrors language added to the general fund appropriation to make that expansion contingent on legislation.

Amendment No. 63

M00Q01.06 Kidney Disease Treatment Services

Modify the following language on the general fund appropriation:

, provided that ~~$6,598,809~~ $2,000,000 of this appropriation shall be reduced contingent upon the enactment of legislation authorizing the use of revenue from ~~a nonprofit health service plan~~ the Senior Prescription Drug Assistance Program account of the Maryland Health Insurance Plan Fund for this purpose.

Explanation: The language modifies an action taken to support the Kidney Disease Program. The fiscal 2013 budget includes a $6,598,809 contingent general fund reduction to that program. That reduction is to be backfilled by $4,598,809 in support from revenue from CareFirst (already authorized in statute) and $2,000,000 from the Senior Prescription Drug Assistance Program fund balance. The $4,598,809 reduction can be made by the legislature directly because the authority already exists to use CareFirst revenue for that purpose. A separate action makes that reduction. The remaining $2,000,000 reduction still requires additional legislative action that is included in the Budget Reconciliation and Financing Act of 2012.

Amendment No. 64

Based on current estimates, the fiscal 2012 budget for MCHP is overfunded by $6.2 million in general funds. The department has indicated that it intends to use $4.0 million of that surplus to offset overtime and additional staffing costs at Clifton T. M00R01.03 Maryland Community Health Resources Commission

Add the following language to the special fund appropriation:

, provided that $4,000,000 of this appropriation made for the purpose of funding Health Enterprise Zones is contingent on enactment of SB 234 or HB 439 or other legislation authorizing the designation of Health Enterprise Zones. Further provided that $3,750,000 of the same appropriation may not be expended until the Maryland Community Health Resources Commission submits a report to the budget committees detailing how the funds will be spent.

The report shall include, but not be limited to, specifics as to the criteria used in selecting Health Enterprise Zones, how funding is to be allocated, and what outcome measures and/or measurement system will be developed to monitor the progress in the Health Enterprise Zones. The budget committees shall have 45 days to review and comment on the report. Funds restricted pending the receipt of a report may not be transferred by budget amendment or otherwise to any other purpose and shall be canceled if the report is not submitted to the budget committees.

Explanation: The fiscal 2013 budget for the Maryland Community Health Resources Commission (MCHRC) includes $4 million for the creation of Health Enterprise Zones (HEZ). HEZ are intended to reduce health and health care disparities, improve outcomes, and stem the rise in health care costs in those zones. The concept is modeled on the Harlem Children's Zone and Promise Neighborhood programs. The language makes the full appropriation contingent on legislation and withholds most of the funding until MCHRC provides additional detail on how the funding will be spent.

N00F00.02 Major Information Technology Development Projects

Detail on Project Scope and Additional Costs: The fiscal 2012 budget contained $1.0 million to begin the implementation of changes required to the Client Automated Resource and Eligibility System (CARES) and Service Access Information Link (SAIL) to accommodate changes due to the Affordable Care Act. The fiscal 2013 allowance contains an additional $6.25 million ($1.0 million in the Department of Human Resources (DHR) and $5.25 million in the Major Information Technology Development Project Fund) for these changes. Little is known about the scope of the project because the project is still in the initiation phase of the System Development Life Cycle. The new eligibility system with which CARES will be required to interface is also still under development, with a contract not yet awarded by the Health Benefit Exchange as of January 2012. Through fiscal 2013, additional refinement of the project scope is expected as the project moves through the planning process. The committees request that DHR in conjunction with the Department of Information Technology (DoIT) provide additional information on the project scope, including changes that will be made to CARES and SAIL, and funding that may be required beyond fiscal 2013 to complete these changes.

Add the following language:

Provided that no funds appropriated for the purpose of an information technology maintenance or enhancement contract within the Office of Technology for Human Services may be used to support an enhancement or significant redesign, reengineering, or modernization of the system with an estimated cost of at least $1,000,000 unless the project has received approval of the Department of Information Technology and been identified separately in budget code N00F00.02 Major Information Technology Development Projects.

Explanation: In fiscal 2012, the Department of Human Resources (DHR) has undertaken a significant reengineering of the Office of Home Energy Programs (OHEP) data system, with a total estimated cost of $1.0 million, as part of its existing maintenance contract for the system.

The project was not identified separately in the fiscal 2012 budget limiting transparency and preventing the General Assembly from having the opportunity to review and approve the project. This language prohibits funding included in the budget for DHR's information technology maintenance or enhancement contracts in fiscal 2013 from being used for a project that would qualify as a major information technology project without being identified as such and having received the pre-approval of the Department of Information Technology.

1. Reduce funding for legal support for the Baltimore City Office of Child Support Enforcement. Effective October 1, 2012, the Baltimore City State's Attorney's Office will no longer provide these services. The fiscal 2013 allowance contains 12.2 new positions and related funding to provide these services. However, the federal funds previously provided to the office for this purpose are also included in the fiscal 2013 allowance. Public Service Commission Review of Energy Assistance Programs: In January 2012, the Public Service Commission (PSC) announced a plan to conduct a comprehensive review of the energy assistance programs in Maryland due to concerns raised by the fiscal 2011 Electric Universal Service Program Annual Report submitted to PSC in November 2011. PSC indicates that the report raised fundamental questions about whether the current suite of programs as designed and implemented is fulfilling, or can fulfill, the intended purpose and whether the programs are appropriately funded. The committees request that the Department of Human Resources (DHR), in conjunction with PSC, submit an update on:

- the outcome of the review;
- operational changes that result from the review; and
- recommendations for statutory changes to the program or the program funding level that results from the review.

P00E01.04 Share of Racing Revenue to Local Subdivisions

Strike the following language from the special fund appropriation:

~~, provided that this appropriation shall be reduced by $720,800 contingent upon enactment of the Budget Reconciliation and Financing Act.~~

Explanation: The fiscal 2013 budget bill as introduced includes a $720,800 reduction to the Share of Racing Revenue to Local Subdivisions (local impact aid) contingent upon the

enactment of a provision in the Budget Reconciliation and Financing Act that allows the Governor to fund mandates at or above the fiscal 2012 level. This action strikes that contingent reduction so that the reduction, in a different amount, may be taken directly.

Committee Narrative

Parole Release Data: The committees direct the Department of Public Safety and Correctional Services (DPSCS) to provide data resulting from the department's new plan to increase the number of inmates paroled annually through improved coordination of re-entry programming prior to the offender's parole eligibility date (PED). The report should include fiscal 2013 data for the number of offenders paroled by their PED, how many were paroled within 12 months after the PED, and how many were targeted for release under the new plan but were unable to achieve compliance. The report should also provide the actual savings achieved from paroling the offenders. The report shall be submitted to the budget committees no later than June 30, 2013.

The evaluation should also assess any changes to programs and services resulting from the departmental reorganization and any need for increased resources. In the event that operational efficiencies are realized, the report should identify those efficiencies and estimate the associated cost savings. In addition to the RFI, DPSCS should submit a report to the budget committees discussing the findings of the RFI, preliminary data from the Peterborough Prison pilot program in the United Kingdom, information gathered from the Massachusetts RFI or other states considering SIBs, impediments to using SIBs, and the results of the Public Safety Compact, including outcomes and estimated savings. Contraband Found in Correctional Facilities: The committees direct the Canine Operations Unit within the Division of Correction (DOC), as part of its Managing for Results (MFR) performance measures, to report the number of contraband finds by facility and security level. Increased amounts of contraband are being found in the State's correctional facilities by the division's detector dogs. Being able to identify where the contraband is found will help the General Assembly monitor for potential operational deficiencies and conduct more meaningful analysis of ways to curb contraband. Expanding the Offender Case Management System: The committees direct the Department of Public Safety and Correctional Services (DPSCS) to conduct an analysis of the possibility of implementing the new Offender Case Management System (OCMS) in the 23 counties across the State. The State is currently considering implementation of a Justice Reinvestment strategy, and DPSCS is moving forward with implementing its reorganization and renewing its focus on

offender reentry and developing successful ties to community resources. Having a solid technological link between the State and local correctional systems would be a significant advancement in the information sharing and data collection processes. The report should include the potential costs and benefits to the local jurisdictions, a potential timeline for implementation, and possible revenue generating options to offset the implementation and maintenance costs. To the extent possible, DPSCS should work with the current OCMS vendor in developing the information included in the report. MARYLAND PAROLE COMMISSION

Q00C01.01 General Administration and Hearings

Local Parole Statistics: The committees direct the Maryland Parole Commission (MPC) to report local parole statistics as part of its Managing for Results performance measures. The reported statistics should include: the number of hearings conducted, hearings conducted via video conference, hearings cancelled, inmates denied parole, inmates granted parole, and inmates who waived their right to a parole hearing. Continuing improvement of the local parole process will benefit both MPC and local detention centers, and reporting of this information will help the committees monitor the agency's performance.

Consistency of Implementing Decision-Making Tools: The committees direct the Maryland Parole Commission (MPC) to submit a report providing fiscal 2011 and 2012 data on the number of times a parole commissioner overrides a decision derived from a risk assessment tool, either at the point of initial parole or at a revocation hearing. Recommendations are overridden in a significant number of initial parole and parole revocation hearings, and the majority of those override decisions are stronger than necessary. This has the potential to result in offenders remaining incarcerated for longer than necessary or an excessive commitment of supervision resources for inmates who are ultimately granted parole. The department's new Earned Release Plan and use of a validated risk assessment instrument should address this problem; however, it is still an issue that should be closely monitored. The report shall be submitted to the budget committees no later than November 1, 2012.

Budget Amendments

Add the following language:

Provided that it is the intent of the General Assembly that the Department of Public Safety and Correctional Services (DPSCS) work with the Department of Budget and Management (DBM) to review the salaries of parole and probation agent positions and the impact the salaries have had on hiring and retention. DBM and DPSCS shall develop a plan for increasing the starting salary for these positions, including identifying the potential cost, in order to address staffing concerns. The General Assembly is concerned that, given the qualifications required to be considered for a parole and probation agent position, which include having a college degree, the base salary for an agent position is not currently adequate.

Explanation: The General Assembly is concerned that the low starting salary for a parole and probation agent acts as serious impediment to recruiting and retaining quality personnel to supervise Maryland's population of offenders in the community. Parole and probation agents are required to have a college degree, but the starting salary for an agent position is well below other State positions that do not have similar requirements. This language expresses legislative intent that DPSCS work with DBM to identify a plan for increasing the starting salary for parole and probation agents in order to address the agency's staffing concerns.

Amendment No. 77

Committee Narrative

Parole and Probation Agent Caseload Standards: The committees direct the Division of Parole and Probation (DPP) to submit the findings of the agency's general caseload study, along with recommendations for appropriate caseload standards. Budget Amendments

Add the following language to the federal fund appropriation:

Provided that a Federal Fund reduction of $224,539 is made for contractual turnover expectancy (comptroller subobject 0289).

Explanation: This action reduces the Maryland State Department of Education Headquarters fiscal 2013 allowance for federal contractual turnover expectancy to align with the minimum 6.5% specified in the Department of Budget and Management's fiscal 2013 budget submission requirements. The agency shall allocate the reductions across its divisions.

Amendment No. 78

HEADQUARTERS

R00A01.01 Office of the State Superintendent

Add the following language to the general fund appropriation:

Provided that it is the intent of the General Assembly that no individual loaned educator be engaged by the Maryland State Department of Education (MSDE) for more than 6 years. For loaned educators engaged in fiscal 2010, the time already served at MSDE shall not be counted toward the 6-year limit.

Further provided that it is the intent of the General Assembly that all loaned educators submit annual financial disclosure statements, as is required by State employees in similar positions.

Further provided that MSDE shall provide an annual census report on the number of loaned educator contracts and any conversion of these personnel to regular positions to the General Assembly by December 15, 2012, and every year thereafter. The annual report shall include job function, title, salary, fund source(s) for the contract, the first year of the contract and the number of years that each loaned educator has been employed by the State, and whether the educator files a financial disclosure statement. MSDE shall also provide a report to the budget committees prior to entering into any new loaned educator contract to provide temporary assistance to the State. The budget committees shall have 45 days to review and comment from the date of receipt of any report on new contracts.

Explanation: This annual language on loaned educators expresses intent that loaned educators should not be engaged for more than six years, educators should submit annual financial

disclosure reports as appropriate, and reports on the loaned educator program should be submitted. The loaned educator program at the Maryland State Department of Education (MSDE) allows local employees to work for MSDE on special projects.

Amendment No. 79

R00A01.04 Division of Accountability, Assessment and Data Systems

Add the following language:

Provided that the Maryland State Department of Education shall budget assessment contract expenditures in a subobject dedicated for that purpose beginning in the fiscal 2014 budget submission, and in every year thereafter. For purposes of comparability, the agency shall align expenses for actual fiscal 2012 spending, the fiscal 2013 working appropriation, and the fiscal 2014 allowance.

Explanation: This language requires Maryland State Department of Education (MSDE) to budget assessment contract expenditures in a subobject dedicated for that purpose beginning in the fiscal 2014 budget submission. As currently submitted, assessment contract expenditures are combined with other contract expenditures in MSDE's budget, making it difficult to identify how much is budgeted for assessments alone.

R00A02.01 State Share of Foundation Program

Strike the following language from the general fund appropriation:

~~, provided that $1,867,000 of this appropriation shall be reduced contingent upon the enactment of legislation transferring Video Lottery Terminal revenue from the Small, Minority, and Women-Owned Business Investment Account to the Education Trust Fund. Authorization is hereby provided to process a Special Fund budget amendment up to $1,867,000 to recognize the new revenue in the Education Trust Fund.~~

Explanation: This action strikes the Governor's proposal to reduce the general fund appropriation to the State share of the foundation program and authorize a budget amendment transferring special fund video lottery terminal revenues into the program.

Amendment No. 83

R00A02

Add the following language to the general fund appropriation:

, provided that $1,376,467 of this appropriation made for the State Share of Foundation Program shall not be spent for that purpose and instead may only be transferred to the Guaranteed Tax Base program if additional State funds are necessary to provide aid under Section 5-210 of the Education Article. Any funds not expended for this restricted purpose may not be transferred by budget amendment or otherwise to any other purpose and shall revert to the General Fund.

Explanation: This language transfers funds from the State Share of the Foundation Program to the Guaranteed Tax Base program if additional State funds are needed to provide aid under Section 5-210 of the Education Article.

Amendment No. 84

Add the following language to the special fund appropriation:

, provided that contingent upon the enactment of SB 152 transferring $950,000 in video lottery terminal fee revenue from the Problem Gambling Fund to the Education Trust Fund, and $209,000 in video lottery terminal fee revenue from the Small, Minority, and Women-Owned Business Account to the Education Trust Fund, authorization is hereby provided to process a Special Fund budget amendment up to $1,159,000 to recognize the new revenue in the Education Trust Fund. Authorization is hereby granted to process a Special Fund budget amendment to appropriate $1,159,000 to provide grants to local school systems for which total direct education aid in fiscal 2013 is less than the amount received in fiscal 2012 by more than 5.0%, contingent on enactment of legislation establishing the grants.

Explanation: This language authorizes special funds in the Education Trust Fund to be used only to increase funds in the State Share of the Foundation program for counties for which total direct education aid in fiscal 2013 is less than the amount received in fiscal 2012 by more than 5.0%, contingent on legislation that transfers the funds into the Education Trust Fund and establishes the grants.

Amendment No. 85

R00A02

R00A02.03 Aid for Local Employee Fringe Benefits

Modify the following language on the general fund appropriation:

General Fund Appropriation, provided that ~~$229,866,394~~ $68,322,476 of this appropriation shall be reduced contingent upon the enactment of legislation requiring local jurisdictions to contribute ~~fifty percent~~ a portion of retirement ~~and Social Security~~ costs for teachers ~~and librarians~~.

Explanation: This language modifies the Governor's proposed teacher and librarian pension shift. The modified action does not shift any portion of librarian retirement cost from the State, and phases in the shift in teacher retirement costs over four years. Finally, corresponding amendments to the Budget Reconciliation and Financing Act of 2012 alter the provision so that local boards of education share the cost of teacher's retirement with the State, offset by relief from the requirement to reimburse the State for federally funded positions and increases in required maintenance of effort funding from the counties.

R62I00.01 General Administration

Report on Outcomes of Students Participating in Access and Success Programs by Cohort: The committees understand that as part of the State's agreement with the federal Office for Civil Rights, the State has provided annual funding to Maryland's public historically black institutions (HBI) to improve retention and graduation rates. From fiscal 2001 to 2006, the funds were budgeted through the Maryland Higher Education Commission (MHEC) and released after each HBI submitted proposals to MHEC outlining how the funds would be spent in the coming year. Beginning in fiscal 2007, Access and Success funds were appropriated directly to the HBIs. The committees request that MHEC collect progression, retention, and graduation data from each public HBI on all students participating in Access and Success program in fiscal 2012. Data should be analyzed and presented by institution and program. Data should include the throughput completion rate in credit-bearing coursework for required remedial classes. The report should include a summary of fiscal 2012 programs supported by Access and Success funds and a statement from each institution on how findings from the 2011 report have been used to inform and improve programs and student services supported by Access and Success funds. The report shall be submitted by October 15, 2012, and every year thereafter.

Report on Best Practices and Annual Progress Toward the 55% Completion Goal: The committees understand that in order to meet the State's goal to have at least 55% of Maryland's residents age 25-64 holding at least one degree credential by 2025, accurate and timely information on degree progression and best practices is needed to ensure that the State is on track to meet the goal. The committees request that the Maryland Higher Education Commission (MHEC) annually collect and analyze student- and transcript-level data on progression, graduation, and other relevant metrics from each public institution of higher education, including community colleges and regional higher education centers. MHEC should submit a report by December 15 each year that analyzes the data and shows each institution's progress toward the State and institutional goals in 2025. The report should also include a summary of best practices and findings on the effectiveness of institutions' programs, as well as any concerns regarding lack of progress or best practices that are not being implemented by institutions.

In addition, the committees request that MHEC, on behalf of the Governor and General Assembly and in collaboration with the Governor's P-20 Council, convene an Annual Summit on

Completion that provides a forum for representatives of all segments of education (including K-12), economic and workforce development, and other stakeholders to share best practices on college completion that are underway in Maryland and hear from experts on best practices in other states that may be replicated in Maryland. A summary of the summit should be included in the annual report on best practices and progress toward the 55% goal.

Framework for Performance-based Funding: The committees are interested in creating incentives for Maryland public higher education institutions to increase student and institutional performance using State funds. The State provides nearly $1.5 billion in funding to support public higher education institutions. The committees request that Maryland Higher Education Commission (MHEC), in conjunction with the University System of Maryland (USM), Morgan State University (MSU), St. Mary's College of Maryland (SMCM), and the Maryland Association of Community Colleges (MACC), develop a framework for State funding that rewards institutional and student performance on metrics to be recommended by the workgroup. The framework should incorporate the recommendations on predictive performance methods that an MHEC workgroup is completing in response to a 2011 Joint Chairmen's Report request, which is due September 1, 2012. MHEC should utilize experts that are available to Maryland through the Lumina Foundation and Complete College America grants. The report on a framework for performance-based funding should be submitted by December 15, 2012.

Concur with the following language on the general fund appropriation:

, provided that this appropriation shall be reduced by $1,344,148 contingent upon the enactment of the Budget Reconciliation and Financing Act.

Explanation: Concur with the contingent reduction language on the Sellinger formula which level funds the grant at the fiscal 2012 amount.

R62I00.05 The Senator John A. Cade Funding Formula for the Distribution of Funds to Community Colleges

Strike the following language from the general fund appropriation:

~~, provided that this appropriation shall be reduced by $2,490,430 contingent upon the enactment of the Budget Reconciliation and Financing Act.~~

Explanation: This language is not necessary for the General Assembly to reduce the appropriation.

Amendment No. 90

Reduce appropriation for the purposes indicated:	**Funds**		**Positions**
1. Reduce the formula grant by $1,469,091. This is consistent with the Administration's proposed action for the community college formula in the Budget Reconciliation and Financing Act, which is to allow growth at each college over fiscal 2012 by the amount of each college's share of the Keeping Maryland Community College's Affordable (KMCCA) Grant. The action also allows for the English for Speakers of Other Languages (ESOL) grant to be fully funded at the statutory level. The $1,469,091 reduction accounts for technical corrections to the distribution of the KMCCA Grant and ESOL in the allowance.	1,469,091	GF

Institutional Aid by Expected Family Contribution Category: The committees request that the Maryland Association of Community Colleges (MACC) compile and submit to the budget committees institutional aid awards data from Maryland's community colleges excluding Baltimore City Community College, which is a State agency and is receiving this request individually. The data should include the number of institutional aid awards and average award size by expected family contribution (EFC) for institutional grants, institutional athletic scholarships, and other institutional scholarships as reported to the Maryland Higher Education Commission for fiscal 2007 to 2012. The data in the response should differentiate between need-based aid and merit scholarships. Budget Amendments

R75T00.01 Support for State Operated Institutions of Higher Education

Add the following language to the general fund appropriation:

, provided that $250,000 of this appropriation made for the purpose of government relations in the Office of the President may not be expended for that purpose but instead may only be transferred by budget amendment to the R30B28.00 University of Baltimore School of Law to be used only for establishing an agricultural law clinic dedicated to assisting farmers in the State with estates and trusts issues, compliance with environmental laws, and other matters necessary to preserve family farms. Funds not expended for this restricted purpose may not be transferred by budget amendment or otherwise to any other purpose and shall revert to the General Fund.

Explanation: This restricts $250,000 from the University of Maryland Baltimore's Office of the President and only allows that funding to be transferred by budget amendment to the University of Baltimore School of Law to establish an agricultural law clinic dedicated to assisting farmers in the State with estates and trusts issues, compliance with environmental laws, and other matters necessary to preserve family farms.

Amendment No. 93

Strike the following language from the general fund appropriation:

~~, provided that the appropriation for Baltimore City Community College shall be reduced by $1,704,285 contingent upon the enactment of the Budget Reconciliation and Financing Act.~~

Amendment No. 95

Modify the following language to the general fund appropriation:

Further provided that the appropriation shall be reduced by $630,000 contingent upon the enactment of ~~the Budget Reconciliaiton and Financing Act~~ SB 523.

Amendment No. 96

Add the following language to the general fund appropriation:

Further provided that the appropriation herein for Morgan State University shall be reduced by $355,000.

Explanation: The language reduces Morgan State University's general fund appropriation by $0.4 million.

Amendment No. 97

Reduce appropriation for the purposes indicated:	**Funds**	**Positions**
1. Reduce the formula appropriation by $1,607,162. This is consistent with the Administration's proposed action for the Baltimore City Community College (BCCC) formula in the Budget Reconciliation and Financing Act, which is to allow growth at BCCC over fiscal 2012 by the amount of its share of the Keeping Maryland Community College's Affordable (KMCCA) Grant. The action also allows for the	1,607,162 GF	

English for Speakers of Other Languages (ESOL) grant to be fully funded at the statutory level. The $1,607,162 reduction accounts for technical corrections to the distribution of the KMCCA Grant and ESOL in the allowance.

2. Reduce the appropriation by $339,980 in general funds. This figure represents the amount Baltimore City Community College (BCCC) received for the $750 employee bonus in fiscal 2012. BCCC also paid employees a 2% cost-of-living adjustment in fiscal 2012 as a result of a collective bargaining agreement. However, the fiscal 2012 budget contained language preventing bonus payments for employees who also received salary adjustments as a result of collective bargaining. This action returns the college's bonus funding to the general fund. 339,980 GF

BALTIMORE CITY COMMUNITY COLLEGE

R95C00.00 Baltimore City Community College

Strike the following language from the current unrestricted appropriation:

~~, provided that this appropriation shall be reduced by $1,704,285 contingent upon the enactment of legislation reducing the mandated amount of funds for the College.~~

Explanation: This language is not necessary for the General Assembly to reduce the appropriation.

Amendment No. 99

Add the following language to the current unrestricted appropriation:

, provided that $5,900,000 of this appropriation made for the purpose of the Baltimore City Community College (BCCC) major information technology upgrade may not be expended until BCCC receives approval from the Department of Information Technology (DoIT) on its Concept Proposal and Information Technology Project Request (ITPR) and submits a report to the budget committees containing the approved Concept Proposal and ITPR. The budget committees shall have 45 days to review and comment from the date of the submission of the report. Funds restricted pending receipt of a report may not be transferred by budget amendment or otherwise to any other purpose and shall be reverted to the fund balance of the college if the report is not submitted to the budget committees.

Explanation: This is the initial appropriation for a major information technology project that may cost up to $14 million. Little documentation has been presented. The ITPR, which is the budget request document, has not been approved by DoIT. The language restricts the funds until these documents are approved by DOIT and submitted to the budget committees.

Explanation: The General Assembly is concerned that the Maryland Department of the Environment has not provided adequate information to the budget committees and the Department of Information Technology (DoIT) about major information technology development projects. Amendment No. 112

AIR AND RADIATION MANAGEMENT ADMINISTRATION

U00A07.01 Air and Radiation Management Administration

Add the following language to the general fund appropriation:

, provided that $250,000 of this appropriation for the Maryland Department of the Environment (MDE) Air and Radiation Management Administration made for the purpose of general operating expenses may not be expended until MDE submits a report on how it is using the revenues from the Strategic Energy Investment Fund to further climate change work, in general, and to meet the requirements of Chapters 171 and 172 of 2009. The budget committees shall have 45 days to review and comment upon the receipt of the report. Funds restricted pending the receipt of the report may not be transferred by budget amendment or otherwise to any other purpose and shall revert to the General Fund if the report is not submitted to the budget committees.

Explanation: MDE receives funding from the Strategic Energy Investment Fund (SEIF) that is deposited into the Maryland Clean Air Fund. The General Assembly is concerned that the revenues from the SEIF – the sale of carbon dioxide allowances – are subject to uncertainty and year-to-year variability despite the need for MDE to recoup the costs of managing Maryland's role in the quarterly carbon dioxide allowance auctions and the expenses associated with implementing Chapters 171 and 172 of 2009. In addition, the General Assembly is concerned that it is not clear how the revenues from the SEIF are being used. Finally, the General Assembly is concerned that similar reports were requested in the 2010 Joint Chairmen's Report and the fiscal 2012 budget bill but were never submitted. Therefore, this language restricts funds until MDE submits a report to the budget committees on how it is using the revenues from the SEIF to further climate change work, in general, and to meet the requirements of Chapters 171

and 172. The report shall cover the fiscal 2010 actual, fiscal 2011 actual, fiscal 2012 actual, fiscal 2013 working appropriation, and fiscal 2014 allowance funding period.

U00A10.01 Coordinating Offices

Add the following language to the general fund appropriation:

, provided that $500,000 of this appropriation for the Maryland Department of the Environment (MDE) Coordinating Offices made for the purpose of general operating expenses may not be expended until MDE submits quarterly reports on July 1, 2012, October 1, 2012, January 1, 2013, and April 1, 2013, on its currently funded major information technology projects in terms of usage, functionality, and funding. Funding restricted for this purpose may be released quarterly upon receipt of the required reports. The budget committees shall have 30 days to review and comment upon receipt of each report. Funds restricted pending the receipt of the reports may not be transferred by budget amendment or otherwise to any other purpose and shall revert to the General Fund if the reports are not submitted to the budget committees.

Explanation: The General Assembly is concerned that information about MDE information technology (IT) projects has not been forthcoming. Therefore, this language restricts funds until MDE submits quarterly reports on usage, functionality, and funding of its currently funded major IT projects. Restricted funding shall be released quarterly pending receipt of the reports on July 1, 2012, October 1, 2012, January 1, 2013, and April 1, 2013.

Department of Juvenile Services

Budget Amendments

Add the following language:

Provided that on or before October 3, 2012, the responsibility for providing education services at William Donald Schaefer House and Thomas J.S. Waxter Children's Center shall be transferred from the Department of Juvenile Services (DJS) to the Maryland State Department of Education (MSDE) Juvenile Services Education Program R00A01.15. All funds and positions appropriated for the purpose of providing educational services at these facilities, and not expended by DJS for that purpose as of October 3, 2012, shall be transferred by budget amendment to MSDE Juvenile Services Education Program R00A01.15 no later than 30 days from the date education services are transferred.

Further provided that on or before January 9, 2013, responsibility for providing education services at Alfred D. Noyes Children's Center shall also be transferred from DJS to MSDE Juvenile Services Education Program R00A01.15. All funds and positions appropriated for the purpose of providing educational services at the facility, and not expended by DJS for that purpose as of January 9, 2013, shall be transferred by budget amendment to MSDE Juvenile Services Education Program R00A01.15 no later than 30 days from the date education services are transferred.

It is the intent of the General Assembly that, if additional resources are required to provide adequate education services to the juveniles enrolled in these programs, MSDE may request a deficiency appropriation from the Governor to ensure sufficient funds. It is further the intent of the General Assembly that the general, special, and federal funds and positions appropriated for the purpose of providing education services at Backbone Mountain Youth Center, Green Ridge Youth Center, Meadow Mountain Youth Center, and Savage Mountain Youth Center be transferred from DJS to the MSDE Juvenile Services Education Program R00A01.15 to be used for the purpose of providing education services for youth at these centers no later than July 1, 2013.

Explanation: Per current law, MSDE is to assume responsibility for providing education services in DJS facilities by the end of fiscal 2014. As of January 2012, MSDE operated 7 of 14 facilities, with the remainder of the facilities to be transferred within the next two fiscal years. There is no funding provided in either the fiscal 2013 operating or capital budgets to support transfer of additional DJS education programs in the upcoming fiscal year. As such, transfer of education services is likely to be delayed. This action restricts funding and positions in the DJS allowance associated with providing education services at the Alfred D. Noyes Children's Center, the William Donald Schaefer House, and the Thomas J. S. Waxter Children's Center and transfers control of these programs to MSDE in fiscal 2013. The transfer for the Schaefer House and Waxter facilities is to occur by October 3 2012. Education services at Noyes will be transferred by January 9, 2013. This action allows DJS to retain funds in order to continue to provide education services at these centers through the identified transfer dates.

The language also expresses the intent of the General Assembly that if additional resources are required to provide adequate education services to the juveniles enrolled in these programs, MSDE may request a deficiency appropriation to provide additional funds. Finally, the language expresses the intent of the General Assembly that the general and special funds and positions associated with the remaining DJS education programs (Backbone Mountain Youth Center, Green Ridge Youth Center, Meadow Mountain Youth Center, and Savage Mountain Youth Center) be included in MSDE's fiscal 2014 budget.

Amendment No. 115

OFFICE OF THE SECRETARY

V00D01.01 Office of the Secretary

Add the following language to the general fund appropriation:

, provided that $100,000 of this appropriation made for the purpose of supporting departmental administration may not be expended until the Department of Juvenile Services submits a report to the budget committees outlining the plan for implementing a new reception and evaluation center. In addition to discussing how the new reception and evaluation center will function and how the new process will be implemented, the submitted report shall also include an implementation timeline and a cost-benefit analysis. The report shall be submitted by November 15, 2012, and the budget committees shall have 45 days to review and comment. Funds restricted pending receipt of a report may not be transferred by budget amendment or otherwise to any other purpose and shall revert to the General Fund if the report is not submitted to the budget committees.

Explanation: The Department of Juvenile Services (DJS) is in the early stages of developing a new reception and evaluation center to address problems with the lack of standardization for evaluations and delays in placing youth in committed treatment. The new reception and evaluation center is one component of the department's larger plan to develop a continuum of care for committed youth. At this point in the development process, DJS is unable to provide details on when or how the reception and evaluation center will be implemented, or the estimated cost. This language restricts funds until the department submits a report explaining how the reception and evaluation center will function, a timeline for its implementation, and an analysis of the potential costs and benefits to agency operations. The report is to be submitted by November 15, 2012.

DEPARTMENTAL SUPPORT

V00D02.01 Departmental Support

Add the following language to the general fund appropriation:

, provided that $100,000 of this appropriation made for the purpose of supporting residential and community operations may not be expended until the Department of Juvenile Services submits the findings of its community caseload work load data study evaluating the appropriate staff-to-youth caseload ratios. The report shall provide information on previously utilized ratios and the findings of the study, including any proposed changes to the ratios and the justification for those changes. The report shall also identify any changes in resource demand as a result of the findings. The report shall be submitted by September 15, 2012, and the budget committees shall have 45 days to review and comment. Funds restricted pending the receipt of a report shall not be transferred by budget amendment or otherwise to any other purpose and shall revert to the General Fund if the report is not submitted to the budget committees.

Explanation: The Department of Juvenile Services (DJS) is completing a community caseload workload data study to evaluate the proper staff to youth ratios for community case managers. As a result, DJS was unable to report whether proper staffing ratios were met in fiscal 2011. The caseload study is anticipated to be complete by spring 2012. This language restricts funds until the findings of the study and a justification for any changes in the staffing ratios is submitted to the budget committees. The report is due September 15, 2012.

Amendment No. 117

V10A

Add the following language to the general fund appropriation:

Further provided that $25,000 of this appropriation made for the purpose of departmental support may not be expended for that purpose but instead may only be used to hire an outside consultant to conduct an anonymous survey of current direct care employees in order to gain a better understanding of the reasons behind the department's ongoing staffing issues. The survey shall attempt to identify employees' concerns with the work environment and any impediments to retention, in addition to possible solutions and areas for improvement. An analysis of the findings shall be submitted to the budget committees no later than December 30, 2012. Funds not expended for this restricted purpose may not be transferred by budget amendment or otherwise to any other purpose and shall revert to the General Fund.

Explanation: Maintaining adequate staffing has been an ongoing issue for the Department of Juvenile Services. Some progress has been made in terms of recruitment, but the retention of direct care staff remains a significant problem. Although the department is able to gain some understanding of the reasons behind the staffing issues through employee exit interviews, input from current staff could also prove valuable. This language restricts funds for the purpose of hiring an outside consultant to conduct an anonymous survey of current direct care employees to help the department understand why retention is such a problem and to identify possible solutions. The language also requires that an analysis of the findings be submitted to the budget committees by December 30, 2012.

Committee Narrative

Evidence-based Services Outcome Measures: The budget committees direct the Department of Juvenile Services (DJS), to develop outcome measures for evidence-based services (EBS) participants and report those measures as part of its annual Managing for Results (MFR) submission. Fiscal 2012 is the third year that the department has been funding EBS programs. Currently, DJS reports the percent of EBS participants who are living at home, in work or school, and have had no new arrests to State Stat. DJS should also make EBS outcome data available for evaluation by the General Assembly by reporting it as an MFR measure.

Use of Secure Detention: The budget committees direct the Department of Juvenile Services (DJS) to work in conjunction with the Juvenile Justice Monitoring Unit (JJMU), within the Office of the Attorney General, to conduct a review of the use of secure detention in comparison to risk assessment recommendations. The budget committees are concerned that detention decisions are not being aligned with the risk assessments, meaning youth who could be more cost-effectively supervised in the community with an alternative to detention program are instead being held unnecessarily in secure detention. The analysis will assist the budget committees in ensuring that secure detention is not being excessively utilized and determining whether additional resources are needed for alternative to detention programs. The findings of the review for Baltimore City and Prince George's County shall be submitted to the budget committees no later than December 15, 2012. The statewide analysis shall be submitted to the budget committees no later than June 15, 2013.

Budget Amendments

Amend the following section:

Section 17 Using Funds for Their Intended Purpose

SECTION 17. AND BE IT FURTHER ENACTED, That funds appropriated to the various State agency programs and subprograms in Comptroller Objects 0152 (Health Insurance), 0154 (Retirees Health Insurance Premiums), 0175 (Workers' Compensation), 0305 (DBM Paid Telecommunications), 0322 (Capital Lease Telecommunications), 0874 (Office of Attorney General Administrative Fee), 0876 (DoIT IT Services Allocation), 0894 (State Personnel System Allocation), and 1303 (rent paid to DGS) are to be utilized for their intended purposes only. The expenditure or transfer of these funds for other purposes requires the prior approval of the Secretary of Budget and Management. Notwithstanding any other provision of law, the Secretary of Budget and Management may transfer amounts appropriated in Comptroller Objects 0152, 0154, 0305, and 0322 between State departments and agencies by approved budget amendment in fiscal year 2012 and fiscal year 2013. All funds budgeted in or transferred to Comptroller Objects 0152 and 0154, and any funds restricted in this budget for use in the employee and retiree health insurance program that are unspent shall be credited to the fund as established in accordance with Section 2-516 of the State Personnel and Pensions Article of the Annotated Code of Maryland.

Further provided that each agency that receives funding in this budget in any of the restricted Comptroller Objects listed within this section shall establish within the State's accounting system a structure of accounts to separately identify for each restricted Comptroller Object, by fund source, the legislative appropriation, monthly transactions, and final expenditures. It is the intent of the General Assembly that an accounting detail be established so that the Office of Legislative Audits may review the disposition of funds appropriated for each restricted Comptroller Object as part of each closeout audit to ensure that funds are used only for the purposes for which they are restricted and that unspent funds are reverted or canceled.

Explanation: This amendment makes it possible for the Office of Legislative Audits to track the disposition of funds in restricted statewide subobjects.

SECTION 21. AND BE IT FURTHER ENACTED, That all across-the-board reductions applied to the Executive Branch, unless otherwise stated, shall apply to current unrestricted and general funds in the University System of Maryland, St. Mary's College of Maryland, Morgan State University, and Baltimore City Community College.

Explanation: This section explicitly applies reductions intended for the full Executive Branch to the University System of Maryland, St. Mary's College of Maryland, Morgan State University, and Baltimore City Community College, unless their exclusion is specifically stated.

Amendment No. 123

Section 22 Injured Workers' Insurance Fund Accounts

SECTION 22. AND BE IT FURTHER ENACTED, That the Comptroller of Maryland General Accounting Division shall establish a subsidiary ledger control account to debit all State agency funds budgeted under subobject 0175 (workers' compensation coverage) and to credit all payments disbursed to the Injured Workers' Insurance Fund (IWIF) via transmittal. The control account shall also record all funds withdrawn from IWIF and returned to the State and subsequently transferred to the General Fund. IWIF shall submit monthly reports to the Department of Legislative Services concerning the status of the account.

The Department of Budget and Management (DBM) shall exercise due diligence in reporting this data and ensure that they are updated as appropriate to reflect ongoing congressional action on the federal budget. In addition, DBM shall provide to the Department of Legislative Services (DLS) data for the actual, current, and budget years listing the components of each federal fund appropriation by Catalog of Federal Domestic Assistance number or equivalent detail for programs not in the catalog. Data shall be provided in an electronic format subject to the concurrence of DLS.

Add the following section:

Section 24 Federal Fund Spending

SECTION 24. AND BE IT FURTHER ENACTED, That in the expenditure of federal funds appropriated in this budget or subsequent to the enactment of this budget by the budget amendment process:

(1) State agencies shall administer these federal funds in a manner that recognizes that federal funds are taxpayer dollars that require prudent fiscal management, careful application to the purposes for which they are directed, and strict attention to budgetary and accounting procedures established for the administration of all public funds.

(2) For fiscal 2013, except with respect to capital appropriations, to the extent consistent with federal requirements:

(a) when expenditures or encumbrances may be charged to either State or Federal Fund sources, federal funds shall be charged before State funds are charged except

that this policy does not apply to the Department of Human Resources with respect to federal funds to be carried forward into future years for child welfare or welfare reform activities;

(b) when additional federal funds are sought or otherwise become available in the course of the fiscal year, agencies shall consider, in consultation with the Department of Budget and Management, whether opportunities exist to use these federal revenues to support existing operations rather than to expand programs or establish new ones; and

(c) the Department of Budget and Management shall take appropriate actions to effectively establish the provisions of this section as policies of the State with respect to the administration of federal funds by executive agencies.

Explanation: This revised annual language defines the policies under which federal funds shall be used in the State budget.

Amendment No. 126

Add the following section:

Section 25 Indirect Costs Report

SECTION 25. AND BE IT FURTHER ENACTED, That the Department of Budget and Management (DBM) shall provide an annual report on indirect costs to the General Assembly in January 2013 as an appendix in the Governor's fiscal 2014 budget books. The report shall detail by agency for the actual fiscal 2012 budget the amount of statewide indirect cost recovery received, the amount of statewide indirect cost recovery transferred to the general fund, and the amount of indirect cost recovery retained for use by each agency. In addition, it shall list the most recently available federally approved statewide and internal agency cost recovery rates. As part of the normal fiscal/compliance audit performed for each agency once every three years, the Office of Legislative Audits shall assess available information on the timeliness, completeness, and deposit history of indirect cost recoveries by State agencies. Further provided that for fiscal 2013, excluding the Maryland Department of Transportation, the amount of revenue received by each agency from any federal source for statewide cost recovery may only be transferred to the General Fund and may not be retained in any clearing account or by any other means, nor may DBM or any other agency or entity approve exemptions to permit any agency to retain any portion of federal statewide cost recoveries.

Explanation: This is annual language that requires a report on indirect costs and disallows waivers of statewide cost recovery.

This forecast shall estimate aggregate revenues, expenditures, and fund balances in each account for the fiscal year last completed, the current year, the budget year, and four years thereafter. Section 27 Reporting on Budget Data and Organizational Charts

SECTION 27. AND BE IT FURTHER ENACTED, That it is the intent of the General Assembly that all State departments, agencies, bureaus, commissions, boards, and other organizational units included in the State budget, including the Judiciary, shall prepare and submit items for the fiscal 2014 budget detailed by Comptroller subobject classification in accordance with instructions promulgated by the Comptroller of the Treasury. The presentation of budget data in the State budget books shall include object, fund, and personnel data in the manner provided for in fiscal 2013 except as indicated elsewhere in this Act; however, this shall not preclude the placement of additional information into the budget books. For actual fiscal 2012 spending, the fiscal 2013 working appropriation, and the fiscal 2014 allowance, the budget detail shall be available from the Department of Budget and Management (DBM) automated data system at the subobject level by subobject codes and classifications for all agencies. To the extent possible, except for public higher education institutions, subobject expenditures shall be designated by fund for actual fiscal 2012 spending, the fiscal 2013 working appropriation, and the fiscal 2014 allowance. The agencies shall exercise due diligence in reporting this data and ensuring correspondence between reported position and expenditure data for the actual, current, and budget fiscal years. This data shall be made available upon request and in a format subject to the concurrence of the Department of Legislative Services (DLS). Further, the expenditure of appropriations shall be reported and accounted for by the subobject classification in accordance with the instructions promulgated by the Comptroller of the Treasury.

Further provided that due diligence shall be taken to accurately report full-time equivalent counts of contractual positions in the budget books. For the purpose of this count, contractual positions are defined as those individuals having an employee-employer relationship with the State. This count shall include those individuals in higher education institutions who meet this definition but are paid with additional assistance funds.

Further provided that DBM shall provide to DLS with the allowance for each department, unit, agency, office, and institution, a 1-page organizational chart in Microsoft Word or Adobe PDF format that depicts the allocation of personnel across operational and administrative activities of the entity.

Explanation: This annual language provides for consistent reporting of fiscal 2012, 2013, and 2014 budget data, and provides for the submission of department, unit, agency, office, and institutions' organizational charts to DLS with the allowance.

Section 28 Interagency Agreements

SECTION 28. AND BE IT FURTHER ENACTED, That it is the intent of the General Assembly that on or before August 1, 2012, each State agency and each public institution of higher education shall report to the Department of Budget and Management (DBM) any agreements in place for any part of fiscal 2012 between State agencies and any public institution of higher education involving potential expenditures in excess of $100,000 over the term of the agreement. Further provided that DBM shall provide direction and guidance to all State agencies and public institutions of higher education as to the procedures and specific elements of data to be reported with respect to these interagency agreements, to include at a minimum:

(1) a common code for each interagency agreement that specifically identifies each agreement and the fiscal year in which the agreement began;

(2) the starting date for each agreement;

(3) the ending date for each agreement;

(4) a total potential expenditure, or not-to-exceed dollar amount, for the services to be rendered over the term of the agreement by any public institution of higher education to any State agency;

(5) a description of the nature of the goods and services to be provided;

(6) the total number of personnel, both full-time and part-time, associated with the agreement; and

(7) contact information for the agency and the public institution of higher education for the person(s) having direct oversight or knowledge of the agreement.

Further provided that DBM shall submit a consolidated report to the budget committees and the Department of Legislative Services by December 1, 2012, that contains information on all agreements between State agencies and any public institution of higher education involving potential expenditures in excess of $100,000 that were in effect at any time during fiscal 2012.

Explanation: The language requires all State agencies and public institutions of higher education to report on all interagency agreements between State agencies and public institutions of higher education having a total potential expenditure over the term of the agreement in excess of $100,000. This applies only to agreements for the purchase of goods and/or services and does not apply to grants or space agreements between State agencies and public institutions of higher education. Section 29 Budget Amendments

SECTION 29. AND BE IT FURTHER ENACTED, That any budget amendment to increase the total amount of special, federal, or higher education (current restricted and current unrestricted) fund appropriations, or to make reimbursable fund transfers from the Governor's Office of Crime Control and Prevention or the Maryland Emergency Management Agency, made in Section 1 of this Act shall be subject to the following restrictions:

(1) This section shall not apply to budget amendments for the sole purpose of:

(a) appropriating funds available as a result of the award of federal disaster assistance;

(b) transferring funds from the State Reserve Fund – Economic Development Opportunities Fund for projects approved by the Legislative Policy Committee; and

(c) appropriating funds for Major Information Technology Development Project Fund projects approved by the budget committees.

(2) Budget amendments increasing total appropriations in any fund account by $100,000 or more may not be approved by the Governor until (i) that amendment has been submitted to the Department of Legislative Services (DLS); and (ii) the budget committees or the Legislative Policy Committee have considered the amendment or 45 days have elapsed from the date of submission of the amendment. Each amendment submitted to DLS shall include a statement of the amount, sources of funds and purposes of the amendment, and a summary of impact on budgeted or contractual position and payroll requirements.

(3) Unless permitted by the budget bill or the accompanying supporting documentation or by other authorizing legislation, and notwithstanding the provisions of Section 3-216 of the Transportation Article, a budget amendment may not:

(a) restore funds for items or purposes specifically denied by the General Assembly;

(b) fund a capital project not authorized by the General Assembly provided, however, that subject to provisions of the Transportation Article, projects of the Maryland Department of Transportation shall be restricted as provided in Section 1 of this Act;

(c) increase the scope of a capital project by an amount 7.5% or more over the approved estimate or 5.0% or more over the net square footage of the approved project until the amendment has been submitted to DLS and the budget committees have considered and offered comment to the Governor or 45 days have elapsed from the date of submission of the amendment. This provision does not apply to the Maryland Department of Transportation; and

(d) provide for the additional appropriation of special, federal, or higher education funds of more than $100,000 for the reclassification of a position or positions.

(4) A budget may not be amended to increase a Federal Fund appropriation by $100,000 or more unless documentation evidencing the increase in funds is provided with the amendment and fund availability is certified by the Secretary of Budget and Management.

(5) No expenditure or contractual obligation of funds authorized by a proposed budget amendment may be made prior to approval of that amendment by the Governor.

(6) Notwithstanding the provisions of this section, any federal, special, or higher education fund appropriation may be increased by budget amendment upon a declaration by the Board of Public Works that the amendment is essential to maintaining public safety, health, or welfare, including protecting the environment or the economic welfare of the State.

(7) Further provided that the fiscal 2014 appropriation detail as shown in the Governor's budget books submitted to the General Assembly in January 2013 and the supporting electronic detail shall not include appropriations for budget amendments that have not been signed by the Governor, exclusive of the Maryland Department of Transportation pay-as-you-go capital program.

(8) Further provided that it is the policy of the State to recognize and appropriate additional special, higher education, and federal revenues in the budget bill as approved by the General Assembly. Further provided that for the fiscal 2014 allowance, the Department of Budget and Management shall continue policies and procedures to minimize reliance on budget amendments for appropriations that could be included in a deficiency appropriation.

(2) The State Superintendent of Schools shall maintain the accounting systems necessary to determine the extent to which funds appropriated for fiscal 2012 to program R00A02.07 Students With Disabilities for Non-Public Placements have been disbursed for services provided in that fiscal year and to prepare periodic reports as required under this section for that program.

Section 32 The "Rule of 100"

SECTION 32. AND BE IT FURTHER ENACTED, That the Board of Public Works (BPW), in exercising its authority to create additional positions pursuant to Section 7-236 of the State Finance and Procurement Article, may authorize during the fiscal year no more than 100 positions in excess of the total number of authorized State positions on July 1, 2012, as determined by the Secretary of Budget and Management. Provided, however, that if the imposition of this ceiling causes undue

hardship in any department, agency, board, or commission, additional positions may be created for that affected unit to the extent that positions authorized by the General Assembly for the fiscal year are abolished in that unit or in other units of State government. It is further provided that the limit of 100 does not apply to any position that may be created in conformance with specific manpower statutes that may be enacted by the State or federal government nor to any positions created to implement block grant actions or to implement a program reflecting fundamental changes in federal/State relationships. Notwithstanding anything contained in this section, BPW may authorize additional positions to meet public emergencies resulting from an act of God and violent acts of men, that are necessary to protect the health and safety of the people of Maryland.

BPW may authorize the creation of additional positions within the Executive Branch provided that 1.25 full-time equivalent contractual positions are abolished for each regular position authorized and that there be no increase in agency funds in the current budget and the next two subsequent budgets as the result of this action. It is the intent of the General Assembly that priority is given to converting individuals that have been in contractual positions for at least two years. Any position created by this method shall not be counted within the limitation of 100 under this section.

The numerical limitation on the creation of positions by BPW established in this section shall not apply to positions entirely supported by funds from federal or other non-State sources so long as both the appointing authority for the position and the Secretary of Budget and Management certify for each position created under this exception that:

(1) funds are available from non-State sources for each position established under this exception;

(2) the position's classification is not one for which another position was abolished through the Voluntary Separation Program; and

(3) any positions created will be abolished in the event that non-State funds are no longer available.

The Secretary of Budget and Management shall certify and report to the General Assembly by June 30, 2013, the status of positions created with non-State funding sources during fiscal 2009, 2010, 2011, 2012, and 2013 under this provision as remaining authorized or abolished due to the discontinuation of funds.

Explanation: This annual language, the "Rule of 100," limits the number of positions that may be added after the beginning of the fiscal year to 100 and provides for exceptions to the limit.

Amendment No. 134

Add the following section:

Section 33 Annual Report on Authorized Positions

SECTION 33. AND BE IT FURTHER ENACTED, That immediately following the close of fiscal 2012, the Secretary of Budget and Management shall determine the total number of full-time equivalent (FTE) positions that are authorized as of the last day of fiscal 2012 and on the first day of fiscal 2013. Authorized positions shall include all positions authorized by the General Assembly in the personnel detail of the budgets for fiscal 2012 and 2013 including nonbudgetary programs, the Maryland Transportation Authority, the University System of Maryland self-supported activities, and the Maryland Correctional Enterprises.

The Department of Budget and Management shall also prepare during fiscal 2013 a report for the budget committees upon creation of regular FTE positions through Board of Public Works action and upon transfer or abolition of positions. This report shall also be provided as an appendix in the fiscal 2014 Governor's budget books. It shall note, at the program level:

(1) where regular FTE positions have been abolished;

(2) where regular FTE positions have been created;

(3) from where and to where regular FTE positions have been transferred; and

(4) where any other adjustments have been made.

Provision of contractual FTE position information in the same fashion as reported in the appendices of the fiscal 2014 Governor's budget books shall also be provided.

Explanation: This is annual language providing reporting requirements for regular and contractual State positions.

Amendment No. 135

Add the following section:

Section 34 Annual Executive Pay Plan Report

SECTION 34. AND BE IT FURTHER ENACTED, That the Department of Budget and Management and the Maryland Department of Transportation are required to submit to the Department of Legislative Services (DLS) Office of Policy Analysis:

(1) a report in Excel format listing the grade, salary, title, and incumbent of each position in the Executive Pay Plan (EPP) as of July 1, 2012, October 1, 2012, January 1, 2013, and April 1, 2013; and

(2) detail on any lump-sum increases given to employees paid on the EPP subsequent to the previous quarterly report.

Flat-rate employees on the EPP shall be included in these reports. Each position in the report shall be assigned a unique identifier that describes the program to which the position is assigned for budget purposes and corresponds to the manner of identification of positions within the budget data provided annually to the DLS Office of Policy Analysis.

Explanation: Legislation adopted during the 2000 session altered the structure of the EPP to give the Governor flexibility to compensate executives at appropriate levels within broad salary bands established for their positions, without reference to a rigid schedule of steps, and through other compensation methods such as a flat rate salary. These reports fulfill a requirement for documentation of any specific recruitment, retention, or other issues that warrant a pay increase.

Section 35 Positions Abolished in the Budget

SECTION 35. AND BE IT FURTHER ENACTED, That no position identification number assigned to a position abolished in this budget may be reassigned to a job or function different from that to which it was assigned when the budget was submitted to the General Assembly. Incumbents in positions abolished, except participants in the Voluntary Separation Program, may continue State employment in another position.

Explanation: This language prevents employees from being moved into positions abolished in the budget. It also allows that incumbents in abolished positions may continue State employment in another position.

Add the following section:

Section 36 Annual Report on Health Insurance Receipts and Spending

SECTION 36. AND BE IT FURTHER ENACTED, That the Secretary of Budget and Management shall include as an appendix in the fiscal 2014 Governor's budget books an accounting of the fiscal 2012 actual, fiscal 2013 working appropriation, fiscal 2014, and fiscal 2015 estimated revenues and expenditures associated with the employees' and retirees' health plan. This accounting shall include:

(1) any health plan receipts received from State agencies, employees, and retirees, as well as prescription rebates or recoveries, or audit and other miscellaneous recoveries;

(2) any premium, capitated, or claims expenditures paid on behalf of State employees and retirees for any health, mental health, dental, or prescription plan, as well as any administrative costs not covered by these plans; and

(3) any balance remaining and held in reserve for future provider payments.

Explanation: This language provides an accounting of the health plan revenues received and expenditures made on behalf of State employees and retirees.

SECTION 37. AND BE IT FURTHER ENACTED, That it is the intent of the General Assembly that the Department of Budget and Management, the Department of Natural Resources, and the Maryland Department of the Environment provide two reports on Chesapeake Bay restoration spending. The reports shall be drafted subject to the concurrence of the Department of Legislative Services (DLS) in terms of both electronic format to be used and data to be included. The scope of the reports is as follows:

(1) Chesapeake Bay restoration operating and capital expenditures by agency, fund type, and particular fund source based on programs that have over 50% of their activities directly related to Chesapeake Bay restoration for the fiscal 2012 actual, fiscal 2013 working appropriation, and fiscal 2014 allowance, which is to be included as an appendix in the fiscal 2014 budget volumes and submitted electronically in disaggregated form to DLS; and

(2) two-year milestones funding by agency, best management practice, fund type, and particular fund source along with associated nutrient and sediment reductions for fiscal 2011, 2012, 2013, and 2014, which is to be submitted electronically in disaggregated form to DLS.

Explanation: This language expresses intent that the Department of Budget and Management (DBM), the Department of Natural Resources (DNR), and the Maryland Department of the

Environment (MDE) continue to provide at the time of the fiscal 2014 budget submission information on (1) overall Chesapeake Bay restoration spending; and (2) two-year milestones funding and annually thereafter.

Add the following section:

Section 38 Revenues in the Strategic Energy Investment Fund

SECTION 38. AND BE IT FURTHER ENACTED, That the Department of Budget and Management shall provide an annual report on the Strategic Energy Investment Fund (SEIF) to the General Assembly in conjunction with submission of the fiscal 2014 budget and annually thereafter as an appendix to the Governor's budget books. This report shall include information for the actual fiscal 2012 budget, fiscal 2013 working appropriation, and fiscal 2014 allowance. The report shall detail revenue assumptions used to calculate the available SEIF for each fiscal year including:

(1) the number of auctions;

(2) the number of allowances sold;

(3) the allowance price for both the current and future control period allowances sold in each auction;

(4) alternative compliance payments; and

(5) fund balance used to support the appropriation.

The report shall also include detail on the amount of the SEIF available to each agency that receives funding through each required allocation:

(1) energy assistance;

(2) energy efficiency and conservation programs, low- and moderate-income sector;

(3) energy efficiency and conservation programs, all other sectors;

(4) renewable and clean energy programs and initiatives, education, and climate change programs;

(5) administrative expenditures;

(6) dues owed to the Regional Greenhouse Gas Initiative, Inc.; and

(7) transfers made to other funds.

Explanation: This language requires the Department of Budget and Management (DBM) to include as an appendix in the Governor's budget books for fiscal 2014 detail on the revenue assumptions used to determine the amount of the SEIF available for use in each year as well as how those revenues will be distributed to various agencies. This information increases transparency and the understanding of the use of the SEIF by the General Assembly. Similar language was first included in the fiscal 2012 budget bill.

Add the following section:

Section 40 Report on Interagency Rates Committee Rate Increases

SECTION 40. AND BE IT FURTHER ENACTED, That $100,000 of the General Fund appropriation for the Department of Human Resources (DHR) and $100,000 of the General Fund appropriation for the Department of Juvenile Services (DJS) may not be expended unless, by September 1, 2012, DHR and DJS jointly submit a plan to the budget committees that outlines how the departments will budget for Interagency Rates Committee (IRC) rate increases in fiscal 2014 that will fully fund private child placement agencies licensed under COMAR 07.05 and private residential child care programs licensed under COMAR 14.31.05-07, including training costs and salary increases for residential child and youth care practitioners associated with new certification requirements.

Explanation: Chapter 218 of 2008 requires that residential child and youth care practitioners be certified. This language requires DHR and DJS to jointly submit a plan outlining how the department will budget for IRC rate increases in fiscal 2014 that account for the training costs and increased salary requirements associated with the new certification requirements.

Add the following section:

Section 41 Report on the Relocation of the Department of Housing and Community Development

SECTION 41. AND BE IT FURTHER ENACTED, That $500,000 of the General Fund appropriation for the Department of General Services (DGS) may not be expended until DGS and the Department of Housing and Community Development (DHCD) submit a report to the budget committees providing additional information about the relocation of DHCD from Anne Arundel County to Prince George's County. This report shall include:

(1) the proposed timeline for construction of the building, DHCD's move, and the sale of the existing property;

(2) the short- and long-term operating and capital costs and program impacts of staying in the existing building versus moving to the new location;

(3) the financing plan for the new development, including any State assistance or debt, tax increment financing, and developer equity;

(4) existing operations and maintenance costs for the Anne Arundel County property and estimated annual all-in rent payments for the Prince George's County property;

(5) efforts to ease the transition for existing DHCD employees that live in Anne Arundel County; and

(6) enumeration of the operational benefits that this move provides.

The report shall be submitted 45 days prior to the lease agreement being reviewed by the Board of Public Works and the budget committees shall have 45 days to review and comment. Funds restricted pending the receipt of a report may not be transferred by budget amendment or otherwise to any other purpose and shall revert to the General Fund if the report is not submitted to the budget committees.

Explanation: In September 2011, Governor Martin J. O'Malley announced the relocation of DHCD from its current State-owned building in Anne Arundel County to a not-yet-constructed leased facility near the New Carrollton Metro Station in Prince George's County. Despite Executive Order 01.01.2009.12, which establishes a State policy to locate State office and laboratory space within one half-mile of transit stations whenever appropriate and feasible, many questions remain about the cost efficiency of the DHCD move. Given ongoing negotiations with the developer, DGS has been unwilling to provide many of these answers. This action requires that additional information be submitted before the lease is reviewed by the Board of Public Works (BPW).
