Preamble

WHEREAS, It is essential to the health and vitality of the Chesapeake and Atlantic Coastal Bays that all wetlands and waterways within the State are adequately protected through the permitting and licensing programs administered by the Department of the Environment; and

WHEREAS, Past constraints on the Department's General Fund appropriation have limited the Department's effective protection of the State's water resources and have delayed the processing of permits which negatively impact State business interests; and

WHEREAS, The continued assessment of application fees will enable the Department to render permit decisions more quickly and efficiently, even though processing delays are often the result of requirements outside the control of the Department, including review by other governmental agencies, procedures for public participation, and the failure of an applicant to submit complete and timely information to the Department; and

WHEREAS, It is the intent of the General Assembly that the goals of the statewide wetlands and waterways program be furthered by effectively protecting the

State's wetland and water resources and by providing sound guidance and efficient service to applicants; and

WHEREAS, It is the intent of the General Assembly that the most equitable way to fund the full and effective administration of a statewide wetlands and waterways program in the Department is through reasonable application fees and General Fund appropriations; now, therefore,

Constitution**

FOR the purpose of ratifying the 17th Amendment to the United States Constitution relative to the popular election of United States Senators.

WHEREAS, The 17th Amendment to the United States Constitution provides for the direct election of Senators of a state to the United States Congress rather than for their election or appointment by a state legislature; and

WHEREAS, The 17th Amendment passed the United States Senate on June 12, 1911, and then passed the United States House of Representatives on May 13, 1912; and

WHEREAS, The 17th Amendment thereafter was ratified to become part of the United States Constitution when on April 8, 1913, Connecticut became the 36th state to ratify its adoption, thereby satisfying the requirement of the United States Constitution that any proposed constitutional amendment be approved by at least three-fourths of the states; and

WHEREAS, Following its formal ratification, the 17th Amendment subsequently also was ratified by Louisiana on June 11, 1913, and Delaware on June 25, 2010; and

WHEREAS, By its vote on February 26, 1913, Utah was the only state to reject the 17th Amendment (although the Florida legislature, which also took up the amendment, failed to complete action as the amendment never reached the Florida Senate); and

WHEREAS, The General Assembly of Maryland has not taken action to either ratify or reject the 17th Amendment to be part of the United States Constitution, the State of Maryland now wishes formally to record its support for and also ratify the amendment, viz:

“Article

This amendment shall not be so construed as to affect the election or term of any Senator chosen before it becomes valid as part of the Constitution.”; now, therefore, be it

The Honorable Thomas V. Mike Miller, Jr.
President of the Senate
H-107 State House
Annapolis, MD 21401

Dear Mr. President:

In accordance with Article II, Section 17 of the Maryland Constitution, today I have vetoed Senate Bill 153 – *Creation of a State Debt – Qualified Zone Academy Bonds*. Senate Bill 153 would authorize the creation of a state debt in the amount of \$15,324,000, the proceeds to be used as grants to the Interagency Committee on School Construction and the Maryland State Department of Education for certain development or improvement purposes authorized under the federal Qualified Zone Academy Bond ("QZAB") program.

Senate Bill 153 is a supplementary appropriation bill, and pursuant to Article III, Section 52(8) of the Maryland Constitution may not be finally acted upon by the House and Senate prior to final action on the Budget Bill. Senate Bill 153 was passed by the General Assembly on March 29, 2012; the Budget Bill passed on April 9, 2012. For that reason, I have been advised by the Attorney General that Senate Bill 153 should be vetoed. Also pursuant to that advice, I sponsored and the General Assembly passed, similar legislation in the recent Special Session (Senate Bill 1303 of the 2012 Special Session), which will be signed today. Therefore, the original purpose of Senate Bill 153 has been satisfied.

For these reasons, I have vetoed Senate Bill 153.

Sincerely,

Governor

Senate Bill 153

AN ACT concerning

Creation of a State Debt – Qualified Zone Academy Bonds

FOR the purpose of the purpose of authorizing the creation of a State Debt in the amount of \$15,324,000, the proceeds to be used as grants to the Interagency Committee on School Construction and the Maryland State Department of Education for certain development or improvement purposes; providing for disbursement of the loan proceeds and the further grant of funds to eligible school systems for certain purposes, subject to a requirement that the grantees document the provision of a required matching fund; providing that, after a certain date, any bonds authorized under this Act shall be canceled and be of no further effect; providing that the proceeds of the loan under this Act shall be expended not later than a certain number of years after the issuance of the bonds authorized under this Act; authorizing the Board of Public Works to sell certain bonds at certain sales in proportion to the documented matching fund; providing generally for the issuance and sale of bonds evidencing the loan; and generally relating to Qualified Zone Academy Bonds.

SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND, That:

(1) The Board of Public Works may borrow money and incur indebtedness on behalf of the State of Maryland through a State loan to be known as the Qualified Zone Academy Bonds Loan of 2012 in a total principal amount of \$15,324,000. This loan shall be evidenced by the issuance, sale, and delivery of State general obligation qualified zone academy bonds, as defined in § 54E of the Internal Revenue Code of the United States, as amended, authorized by a resolution of the Board of Public Works and issued, sold, and delivered in accordance with §§ 8–117 through 8–124 of the State

Finance and Procurement Article and Article 31, § 22 of the Annotated Code of Maryland, and §§ 54A and 54E of the Internal Revenue Code, as amended.

(2) The bonds to evidence this loan or installments of this loan may be sold as a single issue or may be consolidated and sold as part of a single issue of bonds under § 8–122 of the State Finance and Procurement Article. Notwithstanding §§ 8–123 and 8–124 of the State Finance and Procurement Article, the Board of Public Works may sell the bonds authorized herein at one or more private sales that best meet the terms and conditions of sale set by the Board. The bonds authorized under this Act shall be issued and sold no later than December 31, 2012.

(3) The cash proceeds from the sale of the bonds shall be paid to the Treasurer and first shall be applied to the payment of the expenses of issuing, selling, and delivering the bonds, unless funds for this purpose are otherwise provided, and then shall be credited on the books of the Comptroller, and held separately in a qualified zone academy bond account. The remaining proceeds from the sale of the bonds, including any interest earned from the investment of such proceeds, shall be expended, as determined and approved by the Board of Public Works, for the following public purposes: as grants to the Interagency Committee on School Construction and the Maryland State Department of Education (referred to hereafter in this Act as the “grantees”) for the renovation, repair, and capital improvements of qualified zone academies, as defined in § 54E(d)(1) of the Internal Revenue Code, as amended, in accordance with the criteria established under the Aging Schools Program as follows:

(a) for competitively awarded grants by the Interagency Committee on School Construction to eligible school systems for qualified academies, including public charter schools; and

(b) for targeted grants awarded by the Maryland State Department of Education to eligible school systems for qualified academies, including public charter schools, under the Breakthrough Center Program.

(4) An annual State tax is imposed on all assessable property in the State in rate and amount sufficient to pay the principal of and interest, if any, on the bonds as and when due and until paid in full. The principal shall be discharged within 15 years after the date of issuance of the bonds.

(5) (a) The grantees shall document the provision of a matching fund as provided in this paragraph.

(b) No part of the matching fund may be provided, either directly or indirectly, from funds of the State or any other governmental body, whether appropriated or unappropriated. No part of the fund may consist of real property. The fund shall consist of private business contributions as required under § 54E(b) of the Internal Revenue Code, as amended, and may consist of funds or in kind contributions or funds other than funds of the State or any other governmental body. In case of any

dispute as to what money or assets may qualify as matching funds, the Board of Public Works shall determine the matter and the Board's decision is final.

(c) The grantees shall present evidence to the satisfaction of the Board of Public Works of the provision and documentation of the matching fund, and the Board of Public Works shall authorize the sale of the bonds in proportion to the documented matching fund and shall authorize the disbursement of the proceeds for the purposes set forth in Section 1(3) above.

(6) After December 31, 2012, any bonds authorized under this Act that have not been issued and sold by the Board of Public Works shall be canceled and be of no further effect.

(7) The proceeds of the loan, including any interest earned on the investment of the proceeds, shall be expended for the purposes provided in this Act not later than 3 years after the issuance of the bonds authorized under this Act.

SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect June 1, 2012.

Dear Mr. President:

In accordance with Article II, Section 17 of the Maryland Constitution, today I have vetoed Senate Bill 333 – *Garrett County – Hotel Rental Tax*.

This bill authorizes Garrett County to increase the hotel rental tax rate from 5% to 6%. The bill also alters the definition of “transient charge”, as it relates to a hotel rental tax imposed on transient charges collected by specified hotels in Garrett County.

House Bill 224, which was passed by the General Assembly and signed by me, accomplishes the same purpose. Therefore, it is not necessary for me to sign Senate Bill 333.

Sincerely,

Governor

The Honorable Thomas V. Mike Miller, Jr.
President of the Senate
H-107 State House
Annapolis, MD 21401

Dear Mr. President:

In accordance with Article II, Section 17 of the Maryland Constitution, today I have vetoed Senate Bill 365 – *Higher Education – The Charles W. Riley Fire and Emergency Medical Services Scholarship*.

Senate Bill 365 repeals the Charles W. Riley Fire and Emergency Medical Services Tuition Reimbursement Program (Reimbursement Program) and creates the Charles W. Riley Fire and Emergency Medical Services Scholarship Program (Scholarship Program). The bill, which would take effect July 1, 2012, provides that any funds remaining in the Reimbursement Program after June 30, 2013 are to be used to fund the Scholarship Program for the 2013–2014 academic year.

Because the bill would repeal the Reimbursement Program effective July 1, 2012 without properly phasing out the program, individuals anticipating reimbursement payments for courses taken during the 2010–2011 and 2011–2012 academic years would not receive reimbursement for those courses. In fact, under the bill as passed by the General Assembly, courses taken during three academic years (2010–2011, 2011–2012, and 2012–2013) would not be eligible for either the Reimbursement Program or the Scholarship Program. In light of the implementation issues, and after consultation with the bill's sponsors, I believe it is best to veto the bill and revisit the matter next session.

The Maryland Higher Education Commission (MHEC), which administers the Reimbursement Program, uses funds appropriated in one fiscal year to reimburse eligible students for tuition costs incurred two years earlier. Funds that were appropriated for the Reimbursement Program for fiscal 2013, therefore, will be used to reimburse tuition costs incurred during the 2010–2011 academic year. Senate Bill 365, however, would repeal the Reimbursement Program effective July 1, 2012, meaning that there would be no authorization to provide tuition reimbursements in fiscal 2013 and subsequent fiscal years. As a result, individuals who took courses during the 2010–2011 and 2011–2012 academic years anticipating reimbursement would not receive reimbursement for those courses. Moreover, scholarships would not be awarded under the new Scholarship Program until the 2013–2014 academic year, resulting in a three-year period during which firefighters and rescue workers would not receive tuition reimbursement or scholarships.

While I support the general intent of Senate Bill 365 – to provide scholarships for career and volunteer firefighters and rescue workers in the State – there are significant implementation issues caused by the manner in which the bill repeals the Reimbursement Program. During the 2013 session, I encourage the General Assembly

to consider legislation that is consistent with the intent of Senate Bill 365 but provides for a proper phase-out of the Reimbursement Program.

For the above reasons, I have today vetoed Senate Bill 365.

Sincerely,

Governor

AN ACT concerning

Frederick County – Public Facilities Bonds

FOR the purpose of authorizing and empowering the County Commissioners of Frederick County, from time to time, to borrow not more than \$100,000,000 in order to finance the cost of certain public facilities in Frederick County, as herein defined, and to effect such borrowing by the issuance and sale at public or private sale of its general obligation bonds; empowering the County to fix and determine, by resolution, the form, tenor, interest rate or rates or method of determining the same, terms, conditions, maturities, and all other details incident to the issuance and sale of the bonds; empowering the County to issue refunding bonds for the purchase or redemption of bonds in advance of maturity; empowering and directing the County to levy, impose, and collect, annually, ad valorem taxes in rate and amount sufficient to provide funds for the payment of the maturing principal of and interest on the bonds; exempting the bonds and refunding bonds and the interest thereon and any income derived therefrom from all State, county, municipal, and other taxation in the State of Maryland; providing that nothing in this Act shall prevent the County from authorizing the issuance and sale of bonds the interest on which is not excludable from gross income for federal income tax purposes; providing that such borrowing may be undertaken by Frederick County in the form of installment purchase obligations executed and delivered by Frederick County for the purpose of acquiring agricultural land and woodland preservation easements; and generally relating to the issuance and sale of the bonds by Frederick County.

SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND, That, as used herein, the term “County” means the body politic and corporate of the State of Maryland known as the County Commissioners of Frederick County, and the term “public facilities” means the cost of construction and reconstruction of capital projects, including but not limited to landfill projects, public schools, roads, bridges, flood control projects, solid waste facilities, water and leachate treatment facilities, libraries, easements or similar or related rights in land that restrict the use of agricultural land or woodland to maintain the character of the land as agricultural land or woodland, and communication systems, including the development of property, the acquisition and installation of equipment and furnishings, together with any related architectural, financial, legal, planning, or engineering services.

SECTION 2. AND BE IT FURTHER ENACTED, That the County is hereby authorized to finance any part or all of the costs of the public facilities described in Section 1 of this Act, and to borrow money and incur indebtedness for that purpose, at one time or from time to time, in an amount not exceeding, in the aggregate, \$100,000,000 and to evidence such borrowing by the issuance and sale upon its full faith and credit of general obligation bonds, which may be issued at one time or from time to time, in one or more groups or series, as the County may determine.

SECTION 3. AND BE IT FURTHER ENACTED, That the bonds shall be issued pursuant to a resolution of the County, which shall describe generally the public facilities for which the proceeds of the bond sale are intended and the amount needed for those purposes. The County shall have and is hereby granted full and complete authority and discretion in the resolution to fix and determine with respect to the bonds of any issue: the designation, date of issue, denomination or denominations, form or forms, and tenor of the bonds which, without limitation, may be issued in registered form within the meaning of Section 30 of Article 31 of the Annotated Code of Maryland, as amended; the rate or rates of interest payable thereon, or the method of determining the same, which may include a variable rate; the date or dates and amount or amounts of maturity, which need not be in equal par amounts or in consecutive annual installments, provided only that no bond of any issue shall mature later than 30 years from the date of its issue; the manner of selling the bonds, which may be at either public or private sale, for such price or prices as may be determined to be for the best interests of Frederick County; the manner of executing and sealing the bonds, which may be by facsimile; the terms or conditions, if any, under which bonds may or shall be redeemed prior to their stated maturity; the place or places of payment of the principal of and the interest on the bonds, which may be at any bank or trust company within or without the State of Maryland; covenants relating to compliance with applicable requirements of federal income tax law, including covenants regarding the payment of rebate or penalties in lieu of rebate; covenants relating to compliance with applicable requirements of federal or state securities laws; and generally all matters incident to the terms, conditions, issuance, sale, and delivery thereof.

The County may enter into agreements with agents, banks, fiduciaries, insurers, or others for the purpose of enhancing the marketability of any security for the bonds and for the purpose of securing any tender option that may be granted to holders of the bonds.

In case any officer whose signature appears on any bond ceases to be such officer before the delivery thereof, such signature shall nevertheless be valid and sufficient for all purposes as if he had remained in office until such delivery. The bonds and the issuance and sale thereof shall be exempt from the provisions of Sections 2C, 9, 10, and 11 of Article 31 of the Annotated Code of Maryland.

If the County determines in the resolution to offer any of the bonds by solicitation of competitive bids at public sale, the resolution shall fix the terms and conditions of the public sale and shall adopt a form of notice of sale, which shall outline the terms and conditions, and a form of advertisement, which may be published in one or more daily or weekly newspapers having a general circulation in the County and which may also be published in one or more journals having a circulation primarily among banks and investment bankers. Upon delivery of any bonds to the purchaser or purchasers, payment therefor shall be made to the Treasurer of Frederick County or such other official of Frederick County as may be designated to receive such payment in a resolution passed by the County

Commissioners of Frederick County before delivery. For purposes of issuance and sale, bonds authorized hereunder may be consolidated into a single issue with any other bonds authorized to be issued by the County.

SECTION 4. AND BE IT FURTHER ENACTED, That the net proceeds of the sale of bonds shall be used and applied exclusively and solely for the public facilities for which the bonds are sold. If the net proceeds of the sale of any issue of bonds exceeds the amount needed to finance the public facilities described in the resolution, the excess funds so borrowed and not expended shall be applied to the payment of the next principal maturity of the bonds or to the redemption of any part of the bonds which have been made redeemable or to the purchase and cancellation of bonds, unless the County shall adopt a resolution allocating the excess funds to the costs of other public facilities.

SECTION 5. AND BE IT FURTHER ENACTED, That the bonds hereby authorized shall constitute, and they shall so recite, an irrevocable pledge of the full faith and credit and unlimited taxing power of the County to the payment of the maturing principal of and interest on the bonds as and when they become payable. In each and every fiscal year that any of the bonds are outstanding, the County shall levy or cause to be levied ad valorem taxes upon all the assessable property within the corporate limits of Frederick County in rate and amount sufficient to provide for or assure the payment, when due, of the principal of and interest on all the bonds maturing in each such fiscal year and, in the event the proceeds from the taxes so levied in any such fiscal year shall prove inadequate for such payment, additional taxes shall be levied in the succeeding fiscal year to make up any such deficiency. The County may apply to the payment of the principal of and interest on any bonds issued hereunder any funds received by it from the State of Maryland, the United States of America, any agency or instrumentality thereof, or from any other source. If such funds are granted for the purpose of assisting the County in financing the construction, improvement, development, or renovation of the public facilities defined in this Act and, to the extent of any such funds received or receivable in any fiscal year, the taxes that might otherwise be levied under this Act, may be reduced or need not be levied.

SECTION 6. AND BE IT FURTHER ENACTED, That the County is hereby further authorized and empowered, at any time and from time to time, to issue its bonds in the manner herein above described for the purpose of refunding, by payment at maturity or upon purchase or redemption, any bonds issued hereunder. The validity of any such refunding bonds shall in no way be dependent upon or related to the validity or invalidity of the obligations so refunded. The powers herein granted with respect to the issuance of bonds shall be applicable to the issuance of refunding bonds. Such refunding bonds may be issued by the County for the purpose of providing it with funds to pay any of its outstanding bonds issued hereunder at maturity, for the purpose of providing it with funds to purchase in the open market any of its outstanding bonds issued hereunder, prior to the maturity thereof, or for the purpose of providing it with funds for the redemption prior to maturity of any outstanding bonds issued hereunder which are, by their terms, redeemable, for the purpose of

providing it with funds to pay interest on any outstanding bonds issued hereunder prior to their payment at maturity of purchase or redemption in advance of maturity, or for the purpose of providing it with funds to pay any redemption or purchase premium in connection with the refunding of any of its outstanding bonds issued hereunder. The proceeds of the sale of any such refunding bonds shall be segregated and set apart by the County as a separate trust fund to be used solely for the purpose of paying the purchase or redemption prices of the bonds to be refunded.

SECTION 7. AND BE IT FURTHER ENACTED, That the County may, prior to the preparation of definitive bonds, issue interim certificates or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds have been executed and are available for such delivery, provided, however, that any such interim certificates or temporary bonds shall be issued in all respects subject to the restrictions and requirements set forth in this Act. The County may, by appropriate resolution, provide for the replacement of any bonds issued hereunder which shall have become mutilated or lost or destroyed upon such conditions and after receiving such indemnity as the County may require.

SECTION 8. AND BE IT FURTHER ENACTED, That any and all obligations issued pursuant to the authority of this Act, their transfer, the interest payable thereon, and any income derived therefrom in the hands of the holders thereof from time to time (including any profit made in the sale thereof) shall be and are hereby declared to be at all times exempt from State, county, municipal, or other taxation of every kind and nature whatsoever within the State of Maryland. Nothing in this Act shall prevent the County from authorizing the issuance and sale of bonds the interest on which is not excludable from gross income for federal income tax purposes.

SECTION 9. AND BE IT FURTHER ENACTED, That the authority to borrow money and issue bonds conferred on the County by this Act shall be deemed to provide additional, alternative, and supplemental authority for borrowing money and shall be regarded as supplemental and additional to powers conferred upon the County by other laws and shall not be regarded as in derogation of any power now existing; and all Acts of the General Assembly of Maryland heretofore passed authorizing the County to borrow money are hereby continued to the extent that the powers contained in such Acts have not been exercised, and nothing contained in this Act may be construed to impair, in any way, the validity of any bonds that may have been issued by the County under the authority of any said Acts, and the validity of the bonds is hereby ratified, confirmed, and approved. This Act, being necessary for the welfare of the inhabitants of Frederick County, shall be liberally construed to effect the purposes hereof. All Acts and parts of Acts inconsistent with the provisions of this Act are hereby repealed to the extent of such inconsistency.

SECTION 10. AND BE IT FURTHER ENACTED, That the borrowing authorized by this Act may also be undertaken by the County in the form of installment purchase obligations executed and delivered by the County for the purpose of acquiring easements or similar or related rights in land that restrict the use of agricultural land or woodland to maintain the character of the land as agricultural

land or woodland. The form of installment purchase obligations, the manner of accomplishing the acquisition of easements, which may be by the direct exchange of installment purchase obligations for easement, and all matters incident to the execution and delivery of the installment purchase obligations and acquisition of the easements by the County shall be determined in the resolution. Except where the provisions of this Act would be inapplicable to installment purchase obligations, the term “bonds” used in this Act shall include installment purchase obligations and matters pertaining to the bonds under this Act, such as the security for the payment of the bonds, the exemption of the bonds from State, county, municipal, or other taxation, and authorization to issue refunding bonds and the limitation on the aggregate principal amount of bonds authorized for issuance, shall be applicable to installment purchase obligations.

SECTION 11. AND BE IT FURTHER ENACTED, That this Act shall take effect June 1, 2012.
