Overview

The Maryland Agricultural Education and Rural Development Assistance Fund (MAERDAF) is funded through the state of Maryland's Annual Operating Budget. MAERDAF provides small grants to nonprofit organizations and community colleges located in the State's rural areas. In Fiscal Year 2016, MAERDAF received \$167,000 in appropriations and awarded 16 grants to rural-serving organizations.

Nonprofit organizations and community colleges in our State's rural regions often lack the access to public and private sector philanthropic opportunities they need to obtain important programmatic and special project funding. Moreover, local governments, especially those in economically distressed rural regions do not have the financial wherewithal to fully address these important developmental needs; consequently, a serious resource deficit exists where the need has often been the greatest.

History

The Maryland Agricultural Education and Rural Development Assistance Fund (MAERDAF) was established in 2000 to offer financial assistance to rural nonprofit organizations that promote statewide and regional planning, economic and community development, and agricultural and forestry education. In addition, MAERDAF offers grants to community colleges that support small and agricultural businesses with enhanced training and technical assistance.

FY 2016 Program

The Rural Maryland Council was pleased to receive \$167,000 in a General Fund Appropriation for MAERDAF in Fiscal Year 2016. At the end of Fiscal Year 2015, there were \$65.53 in remaining funds from FY 2015 projects. This funding was made available for consideration during Fiscal Year 2016.

The MAERDAF program has helped many rural-serving organizations establish or continue programs and projects that have had a significant and positive impact on Rural Maryland. In addition, the modest state investment in the MAERDAF program has helped the nonprofit sector leverage a substantial amount of private and federal financial support. The MAERDAF Board is required to give preference to organizations that leverage non-state matching funds. Moreover, MAERDAF has helped many of these nonprofit service providers develop institutional capacity, improve grant-writing skills, and enhance the internal development of volunteer board and staff.

Asian American Center of Frederick
– ***Award Amount: \$6,500***

Summary: The Asian American Center of Frederick (AACF) enhances community services through improving access and advocacy, empowers local communities through education and training, and enriches Frederick’s culture through multi-ethnic and diverse programs.

Program Funds: Through funding, AACF will offer preventative health services, follow-up case management and health education in a culturally sensitive manner by conducting outreach, education, follow-up and coordination of health-related services and events to Frederick and neighboring counties with the assistance of a Volunteer Maryland Volunteer Coordinator.

During their 8th Annual Frederick Community Health Fair approximately 1,000 community members received health screenings, flu

vaccinations, Hepatitis B testing, referrals, education, and coaching. AACF succeeded in serving 2,663 community members and provided them with 22,954 health education materials and messages. Of the 2,663 community members served, 1,469 (approximately 55%) community members represent a diverse range of minority populations.

Calvert County Farm Bureau
– ***Award Amount: \$7,075***

Summary: The Calvert County Farm Bureau works cooperatively with a number of other organizations including other county farm bureaus and those located in Southern Maryland to collaborate on policy initiatives and regional agricultural issues.

Program Funding: Through this funding opportunity, the Calvert County Farm Bureau will host a one-day young and beginning farmer workshop in spring 2016. The workshop will teach effective speaking and advocacy skills. Funds will be used for providing a venue, guest speakers, and other provisions for a successful event.

Chesapeake Leadership Foundation, Inc.,
– ***Award Amount: \$8,000***

Summary: The Chesapeake Leadership Foundation, Inc. supports and advances the educational, cultural and economic interests of the Eastern Shore of Maryland. The program's primary goal is to foster awareness - both of class participants themselves and of the issues at hand - so that program alumni will effect positive change, enhancing the quality of life of rural counties on Maryland's Eastern Shore.

Program Funding: The grant funds will be use to complete strategic planning, board recruitment strategies, and board government analysis to continue the work of the Chesapeake Leadership Foundation and its program, Shore

Leadership. Specifically, the Foundation will develop strategies that protect the program's longevity, measure program deliverables, and to evaluate the program's success.

Chesapeake Multicultural Resource Center

Chesapeake Multicultural Resource Center
– ***Award Amount: \$ 10,000***

Summary: Chesapeake Multicultural Resource Center works to reach out to the growing number of non-English speaking residents of the Mid-Shore to help them become successful and engaged members of the community, and helps the community as a whole to understand and embrace the changing cultural, ethnic and racial diversity on the Mid-Shore.

Program Funding: The grant funds will be used to improve services to already established clients, broaden the type of service provided to each client focusing on employment, legal services, health and education, and monitor and track the improvements to standards of living in clients after receiving assistance from Chesapeake Multicultural Resource Center.

To date, 50 orientated case files for families have been created and 406 clients have been served; 26 community members have enrolled in Choptank Community Health and 50 families have used services to enroll in Medicaid.

Crossroads Community, Inc.,
– ***Award Amount: \$4,875***

Summary: Crossroads Community, Inc. is a community mental health agency providing psychiatric rehabilitation services to Kent, Queen Anne's, Caroline, Talbot and Dorchester Counties.

Program Funding: Crossroads Community will use a Volunteer Coordinator obtained through Volunteer Maryland to expand the program of community support volunteers and to cultivate community partnerships.

Eastern Shore Entrepreneurship Center
– ***Award Amount: \$17,841***

Summary: The Center works to help entrepreneurs venture ahead on Maryland's Eastern Shore. Through programs and initiatives, ESEC strives to create an entrepreneurial ecosystem that results in personal wealth creation which in turn adds to the growth of community resources and services.

Program Funding: The grant will be used to conduct Accelerate DELMARVA entrepreneurship workshops to offer technical assistance and mentoring to start-up businesses on the Eastern Shore. Accelerate DELMARVA will provide 63 hours of preparation, execution, and outside classroom mentoring.

Frederick County Career and Technology Center FFA Alumni, Inc., and Frederick Community College
– ***Award Amount: \$24,889***

Summary: Frederick County Career and Technology Center FFA Alumni, Inc., supports and advocates for agricultural education; Frederick Community College prepares an increasingly diverse student body to complete their goals of workforce preparation, transfer, career development, and personal enrichment with quality, innovative lifelong learning.

Program Funding: This grant will be used to develop an agricultural entrepreneurship education program that will include college coursework in entrepreneurship and agricultural business, individual study of chosen project area, and project (business) execution.

LEAD Maryland Foundation, Inc.
– ***Award Amount: \$10,000***

Summary: The LEAD Maryland Foundation serves Maryland's rural sector. LEAD works to increase the numbers and capacity of leaders serving agriculture, natural resources, and rural communities. Through program participation LEAD Fellows become more equipped to solve problems, identify resources, engage and educate others, and to influence public policy important to Maryland's rural sector.

Program Funding: This grant will be used in the implementation of seminars for Fellows in LEAD Class IX (2015-2016) to purchase meeting/conference space, hotel rooms, meals, professional trainers and instructors, and teaching materials for Seminars V and VI.

On or before June 30 of each year, in accordance with §2-1246 of the State Government Article, the RMC submits a written report to both the Governor and the General Assembly. The report includes:

1. the number of grants made during the fiscal year;
2. the names of the recipients of the grants;
3. the specific purpose of each grant awarded

Project dates for MAERDAF Grant recipients run August 1, 2015 through June 30, 2016. All grantees submitted interim reports. The Grant Agreement as approved does not require a final report until July 15, 2016. Additional grant documentation is available upon request.

The RMC makes its best effort to provide a complete and accurate report.

MAERDAF is administered by the Rural Maryland Council, an independent state agency and federally designated State Rural Development Council under the USDA's National Rural Development Partnership. Its mission is to bring together federal, state, county and municipal government officials as well as representatives of the for-profit and nonprofit sectors to identify challenges unique to rural communities and to craft public policy, programmatic or regulatory solutions. As a collaborative partnership, the RMC operates under the guidance of a 40-member Executive Board, in a nonpartisan and nondiscriminatory manner.
