A. INTRODUCTION

Section 2-110(a) of the Insurance Article of the Annotated Code of Maryland requires the Insurance Commissioner to file an annual report for the previous fiscal year. This report covers fiscal year (FY) 2016 (July 1, 2015 through June 30, 2016). The statute lists ten (10) discrete items that must be included in the annual report and this submission is organized to correspond with the statute.

Al Redmer, Jr. was appointed by Governor Larry Hogan to serve as Maryland's Insurance Commissioner, effective February 27, 2015, for a term ending May 31, 2019. The Maryland Insurance Administration (MIA or Administration) is an independent State agency that regulates Maryland's insurance industry and protects consumers by monitoring and enforcing insurers' and insurance professionals' compliance with State law. Through the diligence of a highly professional staff of financial analysts, auditors, examiners, accountants, lawyers, law enforcement officers, actuaries, and others, the Administration works to facilitate a strong insurance marketplace where consumers are well informed and treated fairly. Staff members are subject-matter experts who serve as a resource for lawmakers, consumers, and other public and private entities.

The MIA is charged with a range of responsibilities including the licensure of insurance companies and insurance producers (brokers/agents) operating in Maryland, the conduct of financial examinations of companies to monitor financial solvency, and the review and approval of rates and contract forms. The Administration investigates reports of consumer fraud and consumer complaints about life, health, automobile, homeowners, and/or property insurance. Insurance companies are subject to market conduct examinations to monitor compliance with Maryland law. The Administration's Consumer Education and Advocacy Unit participates in hundreds of events and reaches thousands of individual consumers annually.

The MIA does not receive money from the State's General Fund. The Administration is a specially funded state agency supported entirely through fees and assessments on the insurance industry. In lieu of a state income tax on insurance company profits, the MIA collects a 2 percent tax on premiums. Up to 60 percent of the MIA's annual appropriation may be funded by assessments on the insurance industry, with the remainder coming from fees. By law, these funds may not revert to the General Fund. Two separate funds support activities of the MIA: the Insurance Regulation Fund, which supports the administrative and regulatory activities of the MIA; and the Health Care Regulatory Fund, which funds the costs of complaint investigations concerning payment denials involving medical necessity.

The MIA contributed \$321,898,004 in revenue to the General Fund in FY 2016, \$153.9 million to the Maryland Health Care Rate Stabilization Fund, and \$32.5 million to the State's Insurance Regulation Fund. Additionally, the MIA received a three-year, \$4.0 million federal grant under Cycle II of the Patient Protection and Affordable Care Act (ACA) on September 20, 2011. These funds continue to be used to implement provisions of ACA and enhance the rate review process for health insurers operating in Maryland.

The Rapid Response Program provides informal dispute resolution between consumers and certain property and casualty insurers. The process is designed to address issues that can be resolved without the filing of a formal complaint. The Rapid Response Program received 1,473 inquiries, primarily regarding automobile, homeowners, and liability insurance.

7. Recommendations for Statutory Changes

Section 2-110(a)(7) asks for “recommendations of the Commissioner about changes in the law affecting insurance and about matters affecting the Administration.” The Commissioner’s recommendations for such changes included several bills that were enacted by the General Assembly: 1) a bill that altered the renewal date of certain certificates of qualifications, permitted electronic notification of upcoming license renewals, and required producers to notify the Administration of changes to the licensee’s electronic mail address; 2) a bill relating to public adjusters that repealed certain employment requirements and added 24

A summary report of the insurance legislation passed in 2016 by the General Assembly and signed into law by Governor Larry Hogan can be found on the MIA website at: <http://insurance.maryland.gov/Insurer/Documents/bulletins/16-18-Summary-of-2016-Insurance-Legislation.pdf>.

8. Fraud Division

Section 2-110(a)(8) asks for information about the operation of the Fraud Division, including:

- (i) the number of complaints received that relate to insurance fraud, the nature of the complaints, and the resolution of the complaints;
- (ii) the number of complaints and cases referred to a State's Attorney and the resolution of the complaints or cases;
- (iii) the number of complaints and cases referred to the Office of the Attorney General and the resolution of the complaints or cases;
- (iv) the number of calls made to the insurance fraud hot line;
- (v) the number of complaints received from persons regulated by the Commissioner;
- (vi) the number of cases received from the Workers' Compensation Commission under § 9-310.2 of the Labor and Employment Article and the resolution of the cases;
- (vii) the total number of cases, by type of insurance fraud; and
- (viii) the number and percentage of cases that result in the imposition of civil or criminal penalties.

This information is set forth in the following table. In FY 2009, complaints more than doubled from the prior year, from 1,300 to 2,810. Thereafter, they steadily increased each year at the rate of 10 to 20%. Thus, during FY 2010, the total number of complaints reached 3,448. In FY 2011, the total number of complaints again increased to 3,657. In FY 2012, the number of referrals jumped to 4,157. This number increased yet again in FY 13, to 4,638. In FY 2014, fraud complaints decreased slightly to 4,441. FY 2015 saw another slight decrease to 4,275. Fraud complaints began trending upward in FY 2016 rising to 4,507.

10. Other Relevant Information

Section 2-110(a)(10) requests any other relevant information that the Commissioner considers proper.

a. Rate Review Pursuant to the Affordable Care Act (ACA)

During FY 2016, for health benefit plans offered on and off of the Maryland Health Benefit Exchange (MHBE) with an effective date on or after January 1, 2016, the Office of the

Chief Actuary (OCA) reviewed/approved rate filings from 9 carriers in the individual and 11 carriers in the small group market. For dental plans, the OCA reviewed/approved rate filings from 8 carriers in the individual and 8 carriers from the small group market. The OCA also initiated the rate review process for the 2017 premium rate filings for plans to be sold on and off of the MHBE.

b. Consumer Education and Advocacy

The Consumer Education and Advocacy Unit (CEAU) is responsible for providing consumers with information about their insurance policies and assisting them in gaining a better understanding of their rights and obligations under those policies. The statutory framework for the CEAU is contained in §§2-301 through 2-305 of the Insurance Article. The CEAU also facilitates the resolution of consumer disputes with certain property and casualty insurers through the Rapid Response Program.

During FY 2016, CEAU participated in 508 fairs, tradeshow, and other events throughout the State. Staff provided educational materials to consumers on various insurance issues, including automobile, homeowners, health, and life insurance. Brochures on various insurance topics also are distributed to State, local, and community, organizations who are able to share this information with consumers. Responding to emergencies and disasters is also one of CEAU's key responsibilities.

c. Compliance and Enforcement

The Compliance and Enforcement Unit's primary mission is to protect consumers from deceptive marketing, unfair claim settlement practices, underwriting and premium rating abuses, and misrepresentation of insurance coverage. The Unit enforces regulatory compliance by companies and insurance producers with applicable state laws and regulations. The Unit also oversees the licensing of insurance producers.

In FY 2016, the Unit's activities resulted in the return of more than \$1.7³ million to Maryland consumers, as well as the assessment of more than \$1.6 million in administrative penalties against insurers, producers and other regulated entities, to be deposited into the General Fund. In addition, the Unit was responsible for returning \$18,099 to the Maryland Affordable Housing Trust (MAHT) through its investigation of the practices of title insurance producers in the State.

Within the Compliance and Enforcement Unit, the Market Conduct Section conducts company examinations focused on business practices. Regulated entities reimburse the MIA for expenses incurred in performing these examinations. In FY 2016, regulated entities reimbursed the Administration approximately \$1.0 million in examination fees and expenses.

The Market Analysis Section establishes and meets State objectives for integration of market data analysis, market conduct, and interstate collaborative efforts into a cohesive oversight program of the insurance market. In FY 2016, Market Analysis completed 77 baseline

³ Includes the \$18,099 returned to the Maryland Affordable Housing Trust ("MAHT".)

reviews of 66 licensed carriers and successfully posted them to the Market Analysis Review System (“MARS”).

The Producer Licensing Section issues licenses and registrations to qualified resident and nonresident insurance professionals, including corporations, partnerships, and limited liability companies. In FY 2016, Producer Licensing Section issued 30,886 initial licenses and 57,402 renewal licenses to producers, public adjusters, insurance advisers, motor vehicle rental corporations, surplus lines brokers, viatical settlement providers/brokers, third party administrators, self-storage producers and portable electronic vendors. Producer Licensing Section received 2,033 paper applications and 80,898 on-line applications in FY2016. The total licensee population was 173,768 at the end of the FY2016, which was comprised of 39,468 resident licenses/registrations and 134,300 non-resident licenses/registrations.

The Producer Enforcement Section focuses on complaints about individual producers of property, casualty, life and health insurance, as well as bail bondsmen, public adjusters, and title agents. In support of the Producer Licensing Unit, Producer Enforcement reviewed approximately 5,694 producer license applications. Additionally, the Section completed approximately 2,881 investigations of the activities of insurance producers conducting business in Maryland. This is a large increase from the number of investigations in FY 2015 (which was 1,295) due to investigations opened in order to review new filings pursuant to COMAR 31.04.22.04 which requires title insurers to conduct on-site reviews, on an annual basis, of underwriting, claims and escrow practices for each principal agent.
