Local Referendum from General Assembly  
Wicomico County Board of Education - Election and Appointment of Members  
Chapter 169-2016**

The members of the Wicomico County Board of Education are currently appointed by the Governor. The referendum presents three options for how the seven members of the board should be chosen:

Option 1 - retain the current appointed board system in which the Governor appoints the members of the board;

Option 2 - change to an elected board, with five members elected by voters within the voters' council district and two at-large members elected by all voters of Wicomico County;

Option 3 - change to a combination of members who are elected and who are appointed, with five members elected by voters within the voters' council district and two members appointed by the Wicomico County Council from a list of nominees proposed by a school board nominating commission.

Please indicate which of the three methods for selecting members of the Wicomico County Board of Education you prefer.

It is hereby certified that at the election Chapter 169 received 9,798 votes cast for option 1 and 19,621 votes cast for option 2 and 9,513 votes cast for option 3. Therefore Option 2 of Chapter 169 has been approved by the voters.

**Queen Anne's County Board of County Commissioners - Election of Members**  
**Chapter 509-2016**

Do you favor changing the method of selection of four of the five members of the Queen Anne's County Board of County Commissioner's from the current method of being elected at large by the voters of Queen Anne's County, with one member residing in each of the four election districts, to a new method where each of the four members is elected by only the voters of the district in which the member resides and the fifth member is elected at large and may reside in any district of the County?

It is hereby certified that at the election Chapter 509 received 11,587 votes cast for the adoption and 13,635 votes cast against the adoption. Therefore, Chapter 509 has been rejected by the voters.

Pursuant to the provisions of Election Law Article, Title 11, Annotated Code of Maryland, and the Code of Maryland Regulations, COMAR 33.08, I, Linda H. Lamone, Administrator of the State Board of Elections, hereby certify that at the November 8, 2016, General Election Chapter 511 of the Acts of the 2016 Maryland General Assembly was submitted to the voters of the State in accordance with the provisions of Article XIV of the Maryland Constitution as follows:

**Question 1**  
**Constitutional Amendment**  
**Appointments and Special Elections for Attorney General and Comptroller**  
**(Ch. 511 of the 2016 Legislative Session)**

Changes the way the Governor fills a vacancy of the Attorney General or the Comptroller and requires a special election for vacancies that occur on or before a certain date. Under current law, the Governor fills a vacancy by appointing an individual to serve for the remainder of the term. Under the amended law, if the vacating Attorney General or Comptroller was a member of a political party, the Governor must fill the vacancy from a list of three names provided by the political party of the vacating official, and if no names are provided by the political party within a set time period, then the Governor must select a successor from the political party of the vacating official. If the vacating Attorney General or Comptroller was not a member of a political party, then the amended law requires the Governor to appoint any qualified individual. The Governor must make the appointment within a set time period following the vacancy. The amended law requires a special election to replace the successor if the vacancy occurs early enough in the term to allow for candidates to participate in the regular elections held in the second year of the vacating official's term.

(Amending Article V, Section 5 and Article VI, Section 1 of the Maryland Constitution)

It is hereby certified that at the election Chapter 511 received 1,748,886 votes cast for the adoption and 659,517 votes cast against the adoption. Therefore, Chapter 511 has been ratified by the voters.

Linda H. Lamone, Administrator  
State Board of Elections
