Dear Governor Hogan, Senator Guzzone, Delegate McIntosh, Senator Elfreth, and Delegate Barnes:

Chapter 767 of 2019 (State Prescription Drug Benefits – Retiree Benefits – Revisions) requires the Department to submit quarterly reports to the Governor, House Appropriations Committee, Senate Budget and Taxation Committee, and the Joint Committee on Pensions on the:

1. status of establishing the Maryland State Retiree Prescription Drug Coverage Program, Maryland State Retiree Catastrophic Prescription Drug Assistance Program, and Maryland State Retiree Life-Sustaining Prescription Drug Assistance Program, including:
  - a. the status of procuring any contracts necessary to operate the programs, and
  - b. the prescription drugs determined to qualify for reimbursement under the Maryland State Retiree Life-Sustaining Prescription Drug Assistance Program;

2. availability of one-on-one counseling services for Medicare-eligible retirees to assist retirees in selecting a Medicare prescription drug benefit plan;

3. details of the health reimbursement accounts (HRA) or other programs to help with prescription drug costs in the three prescription drug assistance programs, including

- a. the specific out-of-pocket costs eligible for reimbursement,
- b. the required process for receiving reimbursement,
- c. the method of reimbursement,
- d. the timing of reimbursement, and
- e. a plan to use debit cards to process reimbursements in a convenient and efficient manner, and

4. in total and by category for the previous quarter, the number of issues and concerns reported to the hotline.

As you know, the Department is enjoined from terminating State prescription drug benefits coverage for Medicare-eligible retirees and implementing the provisions of Chapter 767 of 2019 until further order of the U.S. District Court in *Fitch v. State of Maryland, et al.*

**Litigation Update.** Pending before the Court is the State Defendants' motion to dismiss the amended complaints, which was heard on January 26, 2021. If the motion does not succeed, the Court would likely enter a discovery schedule. There is no deadline for the Court to render a decision.

Chapter 767 recognized the ongoing litigation and, therefore, provides sufficient time for the Department to implement the programs once, and if, the lawsuit is resolved in the State's favor. For these reasons, it is premature to discuss the implementation of other program elements

To comply with Chapter 767, the Department will submit quarterly reports on January 15, 2022, April 15, 2022, and July 15, 2022.

Sincerely,

David R. Brinkley  
Secretary
