Dear Mr. <sup>WARREN</sup> Deschenaux:

Language in the 2002 Joint Chairmen's Report, page 32, requires the Department of Budget and Management to provide your office with a report listing the grade, salary, title, and incumbent of each position in the Executive Pay Plan. The information is to be provided on a quarterly basis in both hard copy and electronic format.

You will continue to receive the above reference report from the Department of Budget and Management along with an electronic copy. However, this report does not include position information within our department (DOT's) Executive Pay Plan. They do not maintain records of all of DOT's positions on their files and believe it best that we provide our listing directly to you on the same quarterly basis as our report. **Please note this report contains positions in the Executive Pay Plan (Grade Code 9904-9911) and positions which are Agency heads in Grade 9999.**

If we can provide you with any follow-up information regarding this report or can be of assistance at any time, please do not hesitate to contact myself or, at (410) 865-1000.

Sincerely,

John D. Porcari  
Secretary
