Dear Mr. Deschenaux:

Language on page 181 of the 2010 Joint Chairmen's Report, Section 38, requires the Department of Budget and Management (DBM) to provide your office with a report listing the grade, salary, title, and incumbent of each position in the Executive Pay Plan. The information is to be provided on a quarterly basis in both hard copy and electronic format.

You will continue to receive the above-referenced report from DBM along with an electronic copy. However, this report does not include position information for the Maryland Department of Transportation (MDOT) Executive Pay Plan. They do not maintain records of all MDOT's positions in their files and I believe it best that we provide our listing directly to you on the same quarterly basis as their report. **Please note this report contains positions in the Executive Pay Plan (Grade 9904-9911) and Head of Agency positions (Grade 9999).**

If we can provide you with any follow-up information regarding this report, please do not hesitate to contact myself or Ms. Judy Slater, Director of Human Resources at 410-865-1185.

Sincerely,

A handwritten signature in black ink, appearing to read "Beverley K. Swaim-Staley".

Beverley K. Swaim-Staley  
Secretary
