Hon. Albert C. Ritchie
Governor of Maryland
Annapolis, Maryland

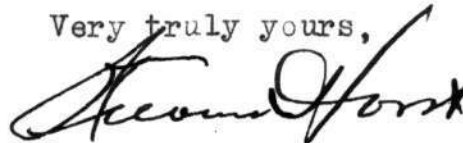

My dear Governor:-

In reference to the construction of the Hall of Records at Annapolis, I am interested through many of your friends in Baltimore in the appointment of the firm Buckler & Fenhagen architects, located at 325 N. Charles Street.

No doubt, this firm of architects will be considered in this matter, and inasmuch as their reputation as outstanding specialist in this particular line warrents this consideration, I am quite sure that your interest will be in keeping with your desire for the best that could be had for the purpose.

Trusting that I may be able to show my appreciation in the future for any consideration you may give to this kind favor, I am

Very truly yours,

Mr. William Horst,
Myrtle Ave. & Smithson Street,
Baltimore, Maryland.

Dear Bill -

I have your favor of May 22nd.
The appropriation for the Hall of Records will
not be available for some time, and in all proba-
bility the architects will be selected by competi-
tion, - or, at least with the cooperation of the
Institute of Architects. Of course, I will be glad
to see that Messrs. Buckler & Fenhagen are considered.

Sincerely yours,

GOVERNOR.
