Subject: January Visit

Hi Ed-

I hope you are well. Thanks again so much for your help on our visit in January.

Keaton Norquist and I are planning to be in Annapolis January 5th-9th if that works for you and your colleagues.

I look forward very much to meeting you. Let me know if that week still works.

Can you send me your phone number? I don't seem to have it and I would love to touch base by phone next week.

Thanks again—

Charlie
