The NATIONAL BAR ASSOCIATION is an organization of Negro lawyers of America organized in 1923. The purpose of the Association is:

"The advancement of the science of jurisprudence, and in addition to form a nationwide organization of practicing attorneys of the Negro race in an endeavor to strengthen and elevate the Negro lawyer in his profession and in his relationship to his people; to improve his standing at the bar of the country, and to stress those values that would serve to enhance the ethics of his practice and conduct, to condemn actions that have a tendency to lessen respect for the lawyer and to create a bond of true fellowship among the colored members of the Bar of America for their general uplift and advancement and for the encouragement of the Negro youth of America who will follow their choice of this profession."
