## SPEAKS FOR HERBS OF LIFE

"I took Herbs of Life because I suffered with pains in my sides all he time. I can't remember just how long I suffered, but it was for sometime. One day I was talking to Rev. Hawley's wife, and I told her now I was feeling and she said she had been just like I was with pains and nervous troubles, and she took Herbs of Life, Double Strength, and it cured her. So then I went and got some, and I certainly recommend it for it is good. Whenever I see any woman who is sick I try to get her to take Herbs of Life."

The above testimonial is from Mrs. Grace Bailey, the well-known wife of Mr. C. K. Bailey, head of the Plano Plant bearing his name. Her residence is in the Albermarle Apartments.
