

Said tract then north fifteen degrees east two perches to the beginning of Bealls Manor then with said land south seventy degrees east thirty one perches to the end of the last line of Bealls Manor then with the ground line thereof south thirteen degrees and three quarters of a degree west three hundred and ninety four perches and one half perch to a stone planted at the beginning of said tract, still with said land south eight degrees east ninety perches north thirty five degrees east forty three perches and one half perch then south fifty nine degrees and one quarter of a degree east sixty perches and one half perch, to the end of the sixteenth line of Easy Purchase then with said land south forty degrees west one hundred and two perches south twenty eight degrees east ninety perches, west by north forty perches south west seventy two perches north thirty nine degrees west thirty nine perches to the end of the thirty eighth line of Bealls Industry then with the thirty ninth line of said land which has a call, to the end of the fourteenth line of the original list the end of the fourteenth line of the survey on the addition to Mill flat, which fourteenth line calls for the end of five hundred and two perches on the tenth line of a tract of land called The second Addition to Calvers Chance, south forty nine degrees west forty two perches then west eight perches then south five degrees west eight perches to the said thirty ninth line of Bealls Industry then with said line south forty nine degrees west twenty six perches to the end of two hundred and two perches on the tenth line of The second Addition to Calvers Chance, it being also the end of the fourteenth line of the survey on the addition to Mill flat then with the tenth line of the second addition to Calvers Chance north five degrees east fifteen perches to the second line of Beaver Dam then with said line south twenty four degrees east eight perches to the end of said line, still with said land north seventeen degrees east thirty two perches north twenty four degrees west two hundred and one perches, and one half perch then south eighty four degrees east one hundred and ninety two perches to the third line of part of a tract of land called Beaver Dam and part of a tract of land called Snowden Manor enlarged, as conveyed by Evan Thomas to Samuel Beach then with said land north fifteen degrees west one hundred and one perches to a stone fixed in the fork of two branches running out of the dwelling plantation of the said Evan Thomas then north twenty four degrees west one hundred and twenty three perches to a stone fixed near the road leading from the said Evan Thomas dwelling house to George Town then south forty six degrees west thirty four perches to a stone fixed near the aforesaid road then south five degrees and three quarters of a degree west ninety perches then north eighty four degrees west twelve perches south seventy four degrees east twelve perches south six degrees and three quarters of a degree west twenty four perches and three quarters of a perch to the eleventh line of the second addition to Calvers Chance then with said line north twenty four degrees west thirty six perches to the end of said line then with the ground line thereof north twenty one degrees and one quarter of a degree west ninety three perches to the beginning of said land, it is likewise the beginning of Saint Wencesburgh and part of Good Luck as conveyed by Evan Thomas to Joseph Jackson then with said part, being up, and with the northwest branch north two degrees and three quarters of a degree west fifty one perches then with a straight line to the first beginning containing and now laid <sup>out</sup> for eleven hundred and two acres, and one half acre of land to be held by the name of the Two Farms Resurveyed the 30<sup>th</sup> day of December 1794 for 1143 3/4 acres by Archibald Burns, & corrected the twentieth day of March 1799 by

Thomas Arne

September 21<sup>st</sup> 1799 Examined & signed Rachel Stevens Exam. Genl

which Certificate was endorsed as follows

Mem<sup>o</sup>: The within Certificate is a correction of one returned in consequence of a warrant of resurvey dated the 22<sup>d</sup> of January 1794 on part of Bealls Manor originally on the 20<sup>th</sup> of May 1720 granted Charles and William Beall for 1707 acres, part of Snowden's part<sup>l</sup> addition to his manor, part of Mount Radnor originally on the 21<sup>st</sup> day of January 1706 granted Evan Thomas for 29 acres, part of Beaver Dam originally on the 6<sup>th</sup> day of August 1708 granted Evan Thomas for 60 acres, and land was afterwards on the 20<sup>th</sup> of December 1794 given to resurvey and include the following lands viz: part of Snowden's manor enlarged originally on the 10<sup>th</sup> of August 1753 granted Richard Snowden for 920 acres, and part of Saint Wencesburgh originally on the 11<sup>th</sup> of November 1737 granted Samuel Thomas for 193 acres, - which said original Certificate included 1143 3/4 acres and was fully compensated on

Test J. M. Callahan Reg. D. S.

Benjamin G. Vaughan his Certificate Vacuo } State of Maryland let By virtue of one part of a Common  
 Strip, patented the 18<sup>th</sup> August 1800 } warrant for twenty six acres and eleven fifteenths of an acre granted  
 out of the Land Office for the western shore to Patrick Murdoch of said county bearing date the fifteenth day  
 of February 1799 who on the nineteenth day of September assigned ten acres part thereof to Benjamin Gist  
 Vaughan of said county - I Certify that I have carefully surveyed for and in the name of him the said  
 Benjamin Gist Vaughan all that tract or parcel of land lying and being in Allegany County beginning at the end  
 of twenty perches on the first line of a tract of land called The Resurvey or Blue Groves and running thence  
 (with)

with said line South thirty six degrees west one hundred and twenty six perches to the end of the 1st line of a tract of Land called Late Discovery and with said Land South fifty degrees East eight perches then North thirty seven degrees East eighty eight perches and then by a straight Line to the beginning Containing six acres called The per survey on the first day of December 1799. Geo Dent Sur. Gen. Feb. 10<sup>th</sup> 1800 Examined and passed Rachel Stevens Exam. Gen.

John Lancaster his Certificate 100<sup>th</sup> 1800. State of Maryland. By virtue of a special warrant of resurvey granted out of the Land office the 29<sup>th</sup> day of May 1798 to John Lancaster of Charles County to resurvey a tract or parcel of Land called Neals Gift lying in the County aforesaid originally on the 21<sup>st</sup> day of November 1797 granted to John Lancaster & his wife for 62 1/2 acres to resurvey the aforesaid tract to correct and amend any errors committed in the original survey and to add any vacant land thereto contiguous &c. I hereby certify that I find the said John Lancaster seized wife of the whole of the said tract of Land called Neals Gift but does not choose to include the whole of the said tract in the present resurvey as one of the boundaries is disputed by James and Bennett Neal which makes a considerable difference in the location of said Land and the result of the Dispute being uncertain the said John Lancaster chooses to include a small part of the said tract in the resurvey only; I have therefore carefully resurveyed and laid out for and in the name of him the said John Lancaster a part of the said tract of Land called Neals Gift and find the same to contain twenty six acres one rood and twenty five perches to which I have added one hundred and twenty one acres three roods and twenty three perches of vacant Land and reduced the whole into one entire tract now called a part of Neals Gift Resurveyed and is bounded as follows. Beginning in the Out line of the present resurvey at a large ancient gum the Original beginning of said Neals Gift and running thence North thirty seven degrees thirty minutes East twenty perches then South sixty by three degrees thirty minutes East fifty six perches then South one degree west forty perches then South seventy three degrees thirty minutes west forty four perches then South twenty eight degrees East ten perches then South sixty two degrees fifteen minutes East twenty eight perches then South twelve degrees fifteen minutes East twenty four perches then South ten degrees west seven perches fifteen perches to a post fixed at the head of Neals Creek a boundary of a tract or parcel of Land called Woolastons Manor then with Woolastons Manor North fifty degrees thirty minutes west eight hundred and forty five perches to the mouth of Cuckolds Creek then up said creek South eighty six degrees forty five minutes East six perches South fifty two degrees fifteen minutes East sixty six perches North eighty three degrees fifteen minutes East twenty three perches South sixty one degrees thirty minutes East thirty six perches South twenty five degrees fifteen minutes East fifty five perches North thirteen degrees East eight perches North eighty seven degrees East thirty two perches South twenty seven degrees fifteen minutes East sixteen perches North fifty three degrees thirty minutes East thirty two perches South thirty degrees forty five minutes East fifteen perches South sixty three degrees west twenty seven perches South nineteen degrees forty five minutes East fifty six perches North seventy nine degrees forty five minutes East thirty two perches South forty three degrees thirty minutes East fifty perches South twenty one degrees west eight perches North eighty six degrees forty five minutes west forty four perches South fifty degrees thirty minutes East fifty six perches South seventy nine degrees forty five minutes East forty two perches South sixty three degrees thirty minutes East twenty three perches South fifty eight degrees thirty minutes East one hundred and fifteen perches North forty four degrees forty five minutes East twenty four perches to the head of said Cuckolds Creek then with a straight line to the beginning Containing and now resurveyed and laid out for one hundred and ninety eight acres, one rood and eight perches this 20<sup>th</sup> day of April 1799. By Theo. Hanson Sur. Gen. May 10<sup>th</sup> 1799 Examined & passed Rachel Stevens Exam. Gen.

On which Certificate was the following receipt.

May 10<sup>th</sup> 1799 received thirty two pounds four shillings and eight pence for Caution and three pounds ten shillings for Impits. (The Harwood Tr.)
