Thank you for your request for additional copies of the Certificate of Survey form. I have enclosed several copies of the form for your convenience.

After the survey is completed you will be required to return the following documents

1. Certificate of Survey form, filed in duplicate, with the signature and seal of the surveyor affixed. Forms for this certificate are enclosed.
2. A plat, filed in duplicate with the signature and seal of the surveyor affixed. Both plats should be submitted on linen sheets or mylar to conform to archival standards.
3. Surveyor's description of the land to be patented and any improvements thereon, and a separate description of adjacent land owned by the applicant, if any. These descriptions should be submitted in duplicate, with the signature and seal of the surveyor affixed.

Please refer to §13-310, Real Property Article for full instructions regarding the documents to be returned. Please contact me if you have any questions.

Sincerely yours,
