RE: Warrant #100

Dear Mr. Richardson:

This is to acknowledge receipt of the certificate of survey, plat and description of the alleged vacancy. The separate description of other land owned by the applicant was filed earlier and has been made part of the record in this proceeding.

The certificate of survey, plat and description of the alleged vacancy will be accepted for filing in accordance with Real Property, Section 13-310 when the following corrections are made: (1) please correct the spelling of "Warrant" on the plat and (2) the patent record identified in line one on page two of your description should read "Liber I. B. No. G, folio 252.

We appreciate you for letting us know about the typo in the Certificate of Survey. We have corrected it.

Please contact me if you have any questions.

Sincerely yours,

  
Richard H. Richardson  
Deputy Commissioner of Land Patents

Cc: Mr. Philip J. Kotschenreuther, Esq.
