RE: Warrant No. 100

Dear Mr. Richardson:

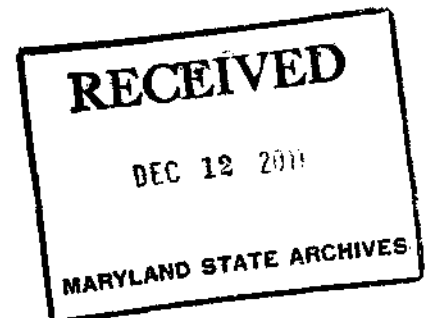

Thank you for giving the Maryland State Highway Administration (SHA) the opportunity to review The Baltimore Area Council, Boy Scouts of America application for the land patent on a 19 acre parcel of vacant land located in the Fifth Election District of Harford County south of Peach Orchard Road. We appreciate the chance to provide comments.

The nearest state highway, MD Route 136, is 2500 feet west of the subject parcel. We have reviewed this vacant land parcel with other appropriate SHA offices to determine any needs or conflict. As a result of our review, we have determined that there are no current or proposed plans or environmental mitigation activities that will conflict with or impact this parcel.

Thank you again for allowing SHA the opportunity to review this parcel. If you should have further questions or inquiries, please do not hesitate to contact Ms. Dami Kehinde, Regional Planner, SHA. She may be reached at 410-545-5675, toll-free 1-888-204-4828 or via email at dkehinde@sha.state.md.us. She will be happy to assist you. Of course, you should feel free to contact me directly.

Sincerely,
