My dear Mary, I shall go to Petersburg this morn
& remain there if nothing prevents for some days.
So I do not know when I shall see you - Do not send
down the clothes you spoke of till you ascertain when
I am abiding - I was sorry to part with Fitzhugh
last evg, but as he only had a night to stay & I knew
it would give you all great pleasure to see him,
I did not entertain any objections - Remember
me to the girls - Tell them to go to bed early & get
up very much by time & go to Church & pray for their
poor Papa - Remember me to all the house
- hold - May God bless & preserve you all is
my constant prayer -
