

\$200 Reward.

RANAWAY from the subscriber on the 21st inst. my NEGRO MAN, called Peter. Said negro is about 5 feet 9 or 10 inches high, of a dark chestnut color, has a stoop and a swinging gait as he walks; has very large feet, and one of his fingers has been crippled by a cut, and is small and tapering at the end. He wore a cloth cap, considerably soiled, with fur on the edge; a drab mixed cassinet jacket somewhat worn, a pair of drab pants, a pair of brogans, nearly new.

I will give the sum of \$100, if said negro is apprehended within the State, and secured in Cambridge jail, or the above reward of \$200 if taken out of the State, and delivered in the same place.
