

**FORTY DOLLARS REWARD.**—Absconded from the subscriber, on the 17th instant, negro servant ALFRED, and, some days previous, JERRY. They are brothers. Alfred about 23 years old, and Jerry 21, both of small stature; the latter tallest and slim; both black. Alfred has a peculiar stammer and twitch of body when suddenly questioned. His clothing blue roundabout and striped cloth pantaloons. Jerry, gray pantaloons and drab jacket. No doubt each had and took with them other clothes.

Believing them unwittingly hired as free by some gentlemen of the Potomac fisheries, or public works in or about the District of Columbia, I will give ten dollars each for their confinement in the District jail. If off the Potomac and its waters, and out of the District, I will give twenty dollars each, and all reasonable expenses.

I would fain hope the comity of any gentleman in whose employment they are to write me, Washington post office, D. C. which will soon reach me.
