

WANTED.

THE subscriber wishes to purchase for his own, and brother-in-law's use, thirty likely young negroes, to take to the State of Georgia. They must be clear of fault, and unquestionable titles will be required, in every instance, for which he will pay the highest cash prices.

During his absence from Cambridge, he refers to Mr. Wm. H. Yates, for further particulars.

U. J. BULLOCK.

Aug. 11. 1833
