

NEGROES FOR SALE.—A WOMAN, an excellent Eastern Shore cook, washer, ironer and milker. A GIRL, a good nurse; and a BOY, 9 years old, a house boy. Also, 2 BOYS, 17 and 18 years old, first rate farm hands, to serve for a term of years. These are, perhaps, as sober, good disposed Servants as any in the State. Citizens of Maryland who want first rate Servants are respectfully invited to call and see them. They are all from the country. The terms and prices will be made to suit, as the home is more the object than price. They are sold for money only, and not fault. Apply at the Bureau office.
